

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

Communications from the R. W. Grand Lodges of Pennsylvania and New York, in relation to proposed alterations in the work of the Order, were read and ordered to be placed on file.

8 o'clock, P. M.

Annual Session opened in form.

Voted, That hereafter the nomination and election of Officers, at the Annual Session, shall take place previous to the admission of new members.

The following Patriarchs, having presented correct certificates from their respective Encampments, were severally ballotted for and elected, viz :—

- Enc'p't, No. 1, ALBERT GUILD, *P. C. P.*
 1, CHARLES A. SMITH, *P. H. P.*
 4, ANSON HUNTINGTON, *P. C. P.*
 4, I. W. BEARD, *P. H. P.*
 5, WILLIAM CABAN, *P. C. P.*
 5, JUSTIN JONES, *P. H. P.*
 6, C. D. STRONG, *P. C. P.*
 6, CHARLES H. WHITE, *P. H. P.*
 7, EBEN S. STEARNS, *P. C. P.*
 7, GILBERT WATSON, *P. H. P.*
 10, ALBERT CASE, *P. C. P.*

The above Patriarchs, with the exception of Patriarch Caban, (who was not present,) were admitted and instructed in the Grand Encampment Degree.

The Committee to whom was referred the communications from Katahdn, Middlesex, and Naumkeag Encampments,

Reported, That the question be asked of the members present from the several Encampments, if, to their knowledge, either of the persons named in the communications have been admitted to membership in their respective Encampments ; and if so, that the C. P. of said Encampment be reprimanded by the Grand Patriarch.

Voted, That the Report be accepted.

The Grand Patriarch having made the inquiry, the Patriarchs present signified that they had no knowledge of the fact. The Grand Scribe informed the Grand Encampment that two of the Brothers, named in the communication from Katahdn Encampment, were admitted into Encampments

under this jurisdiction, which are not at present represented.

The amendment to the Constitution, Art. 3, Sec. 1, offered by Patriarch Jones, at the Semi-annual Session, Feb. 5, namely, "To strike out the last five lines," was, on motion, laid on the table.

The Committee appointed at the Special Session in May, to report to the Grand Encampment a consistent plan to be adopted in granting charters for Subordinate Encampments, submitted the following Reports :—

Boston, August 6, 1845.

To the M. W. Grand Patriarch, Officers, and Members of the Grand Encampment of the State of Massachusetts, I. O. of O. F.

The Committee appointed by the Grand Encampment, in conformity with a resolution passed at a special session in May last, with instructions to report some consistent course to be pursued in relation to the granting of charters for Subordinate Encampments in this State, have seriously considered the subject referred to them, and respectfully beg leave to report.

Your committee, in viewing the matter thus referred to them, are led to believe that it is of great importance to the permanent welfare of our Order, but more particularly of the Patriarchal branch, that a wise course of policy should be adopted, which may be consistently adhered to by the Grand Encampment, in relation to the granting of charters.

It is due not only to the dignity of this body, but also to the Order under its jurisdiction, that a degree of consistency, in all the measures pursued and adopted, should ever be apparent. Although differences of opinion as to what policy the good of our Order requires must prevail among the members of a body so constituted, yet it is believed that, after calm deliberation, the Grand Encampment can unite in establishing a settled policy to be adhered to, and not liable to be changed or overturned by a change of members, or the influence of any opposing interest.

In forming a policy of this nature, the whole and various interests of our Order throughout the State should be considered. Experience has taught us that the practical operation of the Encampment differs materially from that of the Subordinate Lodges, and we should be guided by a different rule in instituting Subordinate Encampments.

Owing to the spirit claiming so much sympathy with the good and noble qualities of our nature, which so thoroughly pervades the organization of the Subordinate Lodges, wherever one is planted by a few true Odd Fellows, our principles will immediately take root, and good and true men will be drawn into the fold, imbued with the love of the institution, and become engaged in extending its blessings. There can,

therefore, hardly be a mistake in granting charters for Lodges to true brothers. But the organization of the Camp differs in many essential points. Members to it can only be obtained from a limited source. Only those brothers who have attained the highest degrees conferred in the Lodge, are entitled to become applicants for the higher degrees of the Encampment and its benefits, and only a limited number of these aspire to those degrees. And this is the case, while a larger number of members, with greater experience in the Order, more seriousness of character, and more interest in the work are requisite to sustain an Encampment, conduct it to prosperity, and confer the sublime degrees in an effective and proper manner.

With this view of the subject, it would seem improper to locate an Encampment where the Order is not flourishing,—where it has not obtained strength and a firm foothold, and where there would not be an assurance that a large number of members of the Order, and of the right character, would aspire to the R. P. Degree, and unite in sustaining it.

It appears to your Committee that the wants of the Order in this State, at the present time, taking into view the number of scarlet members, and the probable number of those aspiring to the highest degrees, do not demand a greater number of Subordinate Encampments than at present exist. But the question arises, are the Encampments so located as to fully accommodate the Order? It may be a matter of doubt whether it would not have been an advantage, if some of them which are now in the immediate vicinity of each other, had been placed in different sections of the State. It does not appear, however, that any portion of the State, where the Order is sufficiently numerous and prosperous to demand one, is destitute. But if the Order should continue to prosper in the western and southern portions of the State, it might be wise, before a great length of time, to plant Encampments there.

Your Committee deem that great caution should be used in instituting Encampments; that charters giving the privilege of conferring the sublime degrees and granting the advantages of the Camp, instead of being granted indiscriminately, should only be intrusted to members of experience in the Order,—brothers of tried integrity, whose character is a warranty that the privileges will not be abused: that the degrees will be conferred in a proper manner, and the true design of this, the higher branch of our Order, will be strictly maintained, and only where the Order is so numerous that for its convenience an Encampment is imperatively demanded.

Your Committee having in this light considered the subject referred to them, beg leave to present for the adoption of the Grand Encampment the following resolutions:—

Resolved, That, in the opinion of this Grand Encampment, the best interests of this branch of our Order require that great care and circumspection should be used in establishing Subordinate Encampments, and that only such a number should be instituted as may be sufficient to supply the increasing wants of the Order, in giving the members the benefit of the Encampment and conferring the higher degrees.

Resolved, That it is at present inexpedient to grant any charter for a Subordinate Encampment, to be located in the vicinity of any of the present existing Encampments; and that the wants of our Order in the

eastern portion of the State do not, at the present time, demand any additional Encampment.

Resolved, That in granting petitions for charters, the Grand Encampment will not only take into view the present condition of the Order in the places from whence such petitions may come, but also the future prospects of the Order in such sections of the State ; so that the Encampments instituted may be located in such positions as to be of the most permanent advantage to the Order throughout the State.

Resolved, That no charter shall be granted to Brothers from any portion of the State, unless in the immediate neighborhood of the place where they petition the Camp to be located, there are seven hundred members of the Order, two hundred of whom shall be scarlet members.

Resolved, That every petition for a charter shall be referred to a Committee of three, to be appointed by the Grand Encampment, who shall give notice to those concerned in establishing the Encampment, hear the parties interested, and report to the Grand Encampment. And when the Grand Encampment has decided to locate an Encampment agreeably to a petition, the Grand Patriarch shall grant a dispensation to the petitioners to organize by the choice of officers ; and when officers have been elected they shall proceed to ballot for candidates for membership, and when fifty candidates have been elected, and the constitutional initiation fee for fifty members has been paid into their treasury, notice shall be sent to the Grand Encampment, and a charter shall then be granted, and the Encampment duly instituted.

All which is respectfully submitted.

In behalf of the Committee,

EDWARD TYLER, *Chairman*.

The following Resolutions were submitted by a minority of the Committee :—

Resolved, That, in the opinion of this Grand Encampment, the best interests of this branch of our Order require that great care and circumspection should be used in establishing Subordinate Encampments ; and that only such a number should be instituted as may be sufficient to supply the increasing wants of the Order, in giving the members the benefit of the Encampment, and conferring the higher degrees.

Resolved, That it is at present inexpedient to grant any charter for a Sub-Encampment, to be located in the vicinity of any of the present existing Encampments ; and that the wants of our Order in the eastern portion of the State do not at the present time demand any additional Encampment.

Resolved, That in granting petitions for charters the Grand Encampment will not only take into view the present condition of the Order, in the places from whence such petitions may come, but also the future prospects of the Order in the different sections of the State ; so that the Encampments instituted may be located in such positions as to be of the most permanent advantage to the Order throughout the State.

Resolve, That before instituting an Encampment, this Grand Encampment must have an assurance, and such as cannot be doubted, that within a reasonable time as many as fifty scarlet members will

apply for and receive from such Encampment the Camp degrees ; and that no petition for a charter shall be received from Brothers from any portion of the State, if in the immediate neighborhood of the place where they petition the Encampment to be located, there is not seven hundred members of the Order.

Resolved, That every petition for a charter shall be referred to a Committee, to be appointed by the Grand Encampment, who shall give notice to those concerned in establishing the Camp, and who shall hear the parties interested, and report to the Grand Encampment before any petition shall be granted.

All of which a minority of the Committee would respectfully beg leave to submit.

EDWARD TYLER.

The Grand Scribe commenced reading the Records of the Annual Session, when, on motion of Patriarch Ladd, it was voted to dispense with the further reading.

The Grand Patriarch submitted his Semi-Annual Communication, which, on motion of Patriarch Jones, was referred to Patriarchs Prince, Smith, and Culbertson, for the purpose

of dividing the subject therein contained in such manner that they may be considered separately by this Grand Encampment.

To the R. W. Grand Encampment of Massachusetts.

PATRIARCHS :—Since your last meeting the Patriarchal branch of our Order has continued to increase in prosperity and numerical strength. The Subordinate Encampments throughout the jurisdiction, are, most of them, in a healthy and prosperous condition. Order and harmony, those essential elements for the preservation and perpetuity of our Institution, seem to have prevailed generally among us. The history of Odd Fellowship in the State of Massachusetts, has been but a series of triumphs over every impediment that has been placed in its path ; and as long as we continue to confine ourselves to a diffusion of the legitimate principles of the Institution, our course will be onward and forward. Society, by our fruits, will acknowledge and respect us, and we shall have the glorious satisfaction of knowing that our Order has done something not only to ameliorate the condition of man, but to strengthen his affections and rekindle within him those kindly sympathies implanted there by the Author of his being.

The returns from the different Encampments have all been received, and they exhibit an aggregate of 1,029 Royal Purple members. I regret exceedingly to notice the return from Menotomy Encampment at West Cambridge. The Patriarchal Branch of our Order in that locality does not seem to flourish with that vigor that characterizes the growth of the other Encampments in the State. Menotomy Encampment, No. 3, one of the oldest among us, has gone backward in membership during the past six months. If there are any local causes that will effectually prevent her growth, I would respectfully suggest the propriety of removing that Encampment to a more favorable location. I would also recommend the adoption of a law authorizing the appointment of District D. Grand Patriarchs and the districting the State, which will materially assist the Grand Patriarch in the discharge of his duties, which, under the present arrangement, are exceedingly onerous. I would also in this connexion suggest the propriety of the adoption of a law, directing the expenses of installing the officers of the different Encampments to be paid out of the funds of the Grand Encampment, confining the

number of installing officers to one, in addition to the D. D. Grand Patriarch. I think the present and prospective receipts into the treasury will warrant this expenditure.

I would also recommend a repeal, or some modification of the direction of the Grand Encampment, adopted at the Special Session in April last, whereby Subordinate Encampments are prohibited from initiating brothers whose place of residence is nearer any other Encampment. As the law now stands, many brothers are deprived entirely of the privileges of the Patriarchal Degrees, in consequence of the great inconvenience the enforcement of this rule subjects them to. Brothers residing in Haverhill, for instance, whose business frequently calls them to Boston, and who desire to join an Encampment in the city, cannot do so without the consent of the Encampment at Newburyport. It seems to me that the distance, in point of time and the additional expense and inconvenience, should be duly considered. The Grand Encampment will take such action upon the subject as in their wisdom they may deem expedient. I would also recommend a repeal of the by-law fixing the time of meeting at seven and eight o'clock. It is desirable, in order to accommodate the members residing out of the city, that the session of the Grand Encampment should close on the same evening. It would be better, I think, to call the meeting at nine or ten o'clock in the forenoon, which will give us ample time to transact the business of the session, and prevent the evils that are the natural concomitants of hasty legislation. I would also recommend the appointment of a committee to prepare a suitable form for a charter for Subordinate Encampments. Some amendments and improvements, I think, might be made to the Constitution of this body, but perpetual alterations in the settled policy of an institution are very objectionable; and I leave it for the Grand Encampment to determine whether or not it is expedient to appoint a committee to revise the By-Laws and Constitution, which are the present guide to our government. It has suggested itself to my mind that an alteration of the character of the Grand Encampment from what it now is to a representative body, would be an improvement. Under our present Constitution, we recognize no representatives from Subordinate Encampments, which in effect deprives them of the power of instructing any of their past officers to sustain or vote for any measure before the Grand Encampment, in

which they may be personally interested. Has not this feature the shadow, if not the substance, of despotism?

In closing this communication, Patriarchs, allow me to make a few suggestions in relation to the revised work of the Encampment. The latest advices inform us that it will probably be received in the course of a few weeks. Before delivering it to the Subordinate Encampments, I would suggest the propriety of adopting certain rules and regulations to govern the working of the different degrees which shall be explicit and imperative. It must be apparent, I think, to every one, that there is a great want of uniformity in working the Encampment Degrees. My own observations have convinced me of the absolute necessity of a radical change in this particular. It is the end and aim of the different degrees to impress upon the minds of those receiving them, the nature and importance of our Fellowship in sowing the seeds of Friendship and Love in the community, and of gathering together in one fold men of the most discordant opinion. All appearance of levity should be studiously avoided, and the feelings of the most sensitive should be regarded and cared for. As the brethren advance in the Order, they expect to see a higher state of perfection; and the Patriarchal branch, if carried out in the spirit designed by its framers, will increase their interest and love for the principles of the institution. It should be the imperative duty of the D. D. Grand Patriarchs to visit each Encampment under his jurisdiction at least once in three months, to see and inquire into their condition and manner of conferring the work. The distribution of the revised work will afford a good opportunity for prescribing the precise manner in which the work shall be performed; and perhaps it would be advisable to appoint a special committee to visit every Encampment under this jurisdiction, and assist in putting the work into operation. In some such way only, can it be brought to that state of unity that is so desirable. It is natural to suppose, that, where conflicting instructions are imparted, the greatest irregularities must necessarily exist. This evil should be studiously avoided. Brethren, we cannot be too particular in regulating the machinery by which our Institution is kept in motion, and is made to accomplish so much that is good and commendable. The last Report of that able and efficient officer, Grand Secretary Ridgely, of the Grand Lodge of the United States, presents our Order, throughout the entire jurisdiction, in a most happy and flourishing condition. And it is only by a watchful vigilance

in the several States, that this high state of prosperity can be sustained. The Order is yet, comparatively, in its infancy, and let us seek rather to strengthen and perpetuate it by admitting to our Brotherhood those only whose membership will add to its character and its usefulness, leaving it to the mellowing hand of time to develop the ever-living principles upon which our Institution is founded.

Respectfully submitted in Friendship, Love, and Truth,

WILLIAM ELLISON, *Grand Patriarch.*

Boston, Feb. 3, 1846.

The following communication, received from Wachusett Encampment, was read, and on motion referred to the following committee, namely, Patriarchs White, Newmarch, and Justin Jones.

To the Grand Patriarch, Officers, and Members of the Grand Encampment of Patriarchs of Massachusetts.

SIR AND PATRIARCHS:—The members of Wachusett Encampment, No. 10, have heard that Massasoit Encampment has elected and conferred the Encampment Degrees on some brothers residing at Greenfield, in this State, and that Tri-mount Encampment has elected and conferred the same degrees on J. D. Hawks, of Northampton; and they regret that those Encampments have done this in defiance of an order of the Grand Encampment, recorded page 11th of Proceedings, April 30th, 1845, and not since rescinded, which reads as follows, viz:—
“The Grand Encampment of Massachusetts hereby directs all Subordinate Encampments, separately and singly, not to initiate any brother of the I. O. of O. F. into your Encampment whose residence is nearer any other Encampment under the jurisdiction of the Grand Encampment of this State than your own, unless by the written consent of such Encampment, with its seal attached.”

The Massasoit and Tri-mount Encampments must have been aware of the fact, that the residence of the brothers residing at Greenfield and Northampton was “nearer Wachusett Encampment under your jurisdiction” than it was to Boston, and that therefore they were expressly forbidden to initiate them without the “written consent” of Wachusett Encampment, “with its seal attached.” The aforesaid consent was not asked for by either of those Encampments, and yet we are in-

formed that they have elected those brothers and conferred the degrees upon them.

The members of Wachusett Encampment take this opportunity of complaining to your honorable body of the unlawful and unnecessary action of the said Massasoit and Tri-mount Encampments in the premises, and pray that they may be required to refund to this Encampment the fees of initiation, and conferring the degrees of the Patriarchal Order on those brothers ; and that they may otherwise be dealt with, as the laws of the Order and the harmony and future welfare of the Patriarchal Branch requires, and in such manner as shall secure the individual Encampments in their proper rights and privileges, and be a warning to each not to violate the requirements of the Grand Encampment. Trusting our appeal will meet with consideration, and that your honorable body will protect the rights of the individual Encampments, we submit the above, in the belief that in your wisdom you will direct the said Encampments to pay over the said fees to our Encampment, and prevent any further violation of those laws by which we ought all to be governed.

At a meeting of Wachusett Encampment, No. 10, held on Thursday evening, January 29th, the following resolutions were adopted :—

Resolved, That the rights of Wachusett Encampment and of the Patriarchal Branch of the Order under your jurisdiction, require the action of this Encampment as above under existing circumstances.

Resolved, That our Representatives in the Grand Encampment be, and are hereby instructed to use their influence to obtain the required redress.

Therefore would refer the subject to this Grand Encampment.

Respectfully yours,
HEZEKIAH PRINCE,
CHARLES A. SMITH.

The Report was accepted, and the subject indefinitely postponed.

The Committee to whom was referred that part of the

Grand Patriarch's Communication relating to Districting the State, reported the following resolution :—

Resolved, That the whole subject of Districting the State be referred to the Elective Officers of the R. W. Grand Encampment.

HEZEKIAH PRINCE.

Boston, Feb. 4, 1846.

The Committee to whom was referred so much of the R. W. Grand Patriarch's Communication as relates to the subject of Initiations into Subordinate Encampments of Brothers of the Order residing at a distance, would respectfully report :—That they have duly considered the subject, but for want of time are unable to go into a full statement of their reasons for offering the following Resolution. They are, however, unanimously of opinion that the law in question should be re-

pealed at once, and offer for the adoption of the R. W. Grand Encampment the following Resolution :—

Resolved, That the several Subordinate Encampments under this jurisdiction be, and they are hereby authorized to admit into and confer the Encampment Degrees upon any and all members of the Order in this State, otherwise duly qualified, without reference to their place of residence ; and that all laws inconsistent with this Resolution be, and the same are hereby repealed.

W. H. JONES,
C. C. HAYDEN.

The Report was accepted and the Resolution rejected.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to the alteration of the By-Laws, so as to alter the time of meeting of this Grand Encampment, recommend "that the time of meetings of this body be changed to 3 o'clock, P. M.," which recommendation was adopted.

The Committee on Charters asked for further time, which was granted.

The Committee on the Revision of the Constitution and By-Laws asked for further time, which was granted.

The majority of the Committee to whom was referred so much of the Grand Patriarch's Communication as relates to changing the Grand Encampment to a Representative Body, submitted the following Report, which was accepted, and the Committee discharged.

The majority of the Committee to whom was referred that portion of the Communication of the Grand Patriarch which relates to the alteration of the Constitution of this Grand Encampment, so as to make it a Representative Body, would respectfully submit the following Report :—

The Grand Encampment, by a provision of its Constitution, has now the power of rejecting, by a majority ballot, any Past Officer who presents himself for a seat in this body, duly qualified, and with a recommendation from the Encampment to which he may belong.

That, in the opinion of your Committee, the *only* competent judges of those who are best qualified to make laws by which Subordinate Encampments are to be governed, are the members of such Encampments.

By the power now vested in the Grand Encampment, this body has the right, if it be its pleasure, of depriving any Subordinate Encampment of the power of increasing their number of Past Officers in this body, and also the power of depriving any new Encampment of a voice in this body, from whence they derived their charter, and to which they obligated, under penalty of forfeiture of the same, to pay a certain per centage of their proceeds to the Grand Encampment ; and likewise obligated to obey any law which said Encampment may have the power to pass for their future government.

On the great republican principle, that "all power of government is derived from the people," so all power of the Grand Encampment is derived from the Subordinate Encampments ; and therefore they should have a right to say who shall be entitled to seats in this body.

With these views, your Committee, or a majority thereof, have come to the decision that that part of the Constitution which refers to the subject, should be disposed of as recommended by the Grand Patriarch.

All of which the Committee would respectfully submit in Friendship, Love and Truth.

N. Y. CULBERTSON,
JUSTIN JONES.

It was moved to refer the subject-matter contained in the above Report to the Committee on the Revision of the Constitution and By-Laws.

An amendment was offered by G. J. W. Beard to instruct said Committee to incorporate the recommendation of the Committee into the Constitution of the Grand Encampment.

The amendment prevailed, and the motion as amended was adopted.

The Committee to whom was referred petitions for new Encampments, submitted the following Report :—

Boston, Feb. 4, 1846.

The Committee to whom was referred the examination of Petitions for Subordinate Encampments, respectfully beg leave to report that they have attended to their duty, and hereby submit the following :—

They recommend that the Petition from Patriarchs in Springfield, together with all papers accompanying the same, be returned, on account of informalities. The informalities consist in there being only six petitioners, with two Cards, and without date to the Petition.

The Petition from Patriarchs of Chelsea is informal, being without Cards ; but is accompanied by a document which fully satisfies your Committee that they will conform to the requirements of this Grand Encampment in the granting of charters. We therefore leave it in the hands of your Right Worthy Body for further action.

They recommend that a charter be granted to the Petitioners for an Encampment in Taunton.

On the Petition from Patriarchs of Northampton, your Committee recommend that a charter be granted.

CHARLES H. WHITE,
ROBERT L. ROBBINS,
C. C. HAYDEN,
J. NEWMARCH.

Since the above Report was made out, a Petition from Patriarchs of North Stoughton for an Encampment, was referred to the same Committee ; and on investigation your Committee recommend to this Grand Encampment that it is inexpedient to grant a charter for said proposed Encampment.

CHARLES H. WHITE,
ROBERT L. ROBBINS,

J. NEWMARCH.

To the R. W. Grand Encampment of Massachusetts, I. O. O. F.

PATRIARCHS:—In obedience to the Constitution of this body, we are again assembled together to review the present condition of the Patriarchal department and to provide for its future welfare. A retrospection of the past, brings with it the most brilliant hopes for the fu-

ture. The permanency of our Institution, I trust, is firmly established. As a benevolent association, and as a means to cultivate and diffuse the social virtues throughout the community, it stands out in bold relief among the many philanthropic institutions that distinguish the character of the present age : and it is only by a watchful vigilance in the several subordinate departments of our Order, that this high state of prosperity and usefulness can be sustained.

In offering this communication, Patriarchs, it affords me great pleasure, to be able to congratulate you upon the continued prosperity of the Order throughout this jurisdiction. From the Annual Report of the Grand Scribe — which has been prepared with an activity and fidelity worthy of commendation — it appears that during the past year the number of initiations is 536 ; admitted by card, 66 ; expulsions, only 1 ; number of deaths, 4 ; whole number of contributing members, 1268 ; number of Patriarchs relieved, 161 ; amount paid for relief, \$2210 37. From this statement, which cannot but be highly gratifying to us all, we see that the progress of the Patriarchal Order is still onward.

Since the last meeting of this body, two Encampments have been instituted and their officers installed — one at Taunton, known as Naomi Encampment, No. 14, and one at Northampton, known and hailed as Mount Holyoke Encampment, No. 15 : The returns from these new Encampments exhibit an activity and zeal in the cause of Odd Fellowship, worthy of the highest praise.

I am happy to inform you that the revised work of the Patriarchal department has been put in operation since the Semi-annual Meeting in February. That there has been a great and manifest improvement in the forms, ceremonies, lectures, charges and language, must be apparent to all. An essential modification has been made, and the new work abounds in the most beautiful lessons of morality and philanthropy, accompanied with truthful and forcible illustrations, intending to elucidate and perpetuate the great principles of the Institution.

In the communication I had the honor to submit to this body in February last, I took the liberty of recommending a repeal, or some modification, of a resolution of the Grand Encampment, prohibiting Subordinates from initiating brothers whose place of residence was nearer any other Encampment. The subject was referred to a Committee, who reported a resolution recommending a repeal of this prohibitory

law. The report of the Committee was accepted, but the resolution was rejected. Several applications have been made to me during the recess, for dispensations to permit Encampments to initiate Brothers without regard to their place of residence. In consequence of the expression of the Grand Encampment on the question, I have declined granting dispensations. I feel more convinced of the necessity of repealing this resolution, as I believe it to be contrary to the genius of our Association to compel Brethren to join an Encampment, whose meetings it is almost impossible for them to attend, or whose feelings and preferences are in favor of some other Encampment under the same jurisdiction. I would again, with all due deference and respect, recommend the subject of this repeal to the consideration of the Grand Encampment. I would also recommend that some provision be made for the safe keeping of the books of charges and lectures, and the papers and documents belonging to this body. The books and papers, by the kindness of the Grand Officers of the Grand Lodge of this State, have been and are now kept in the safe belonging to that department. It has been convenient so to keep them in consequence of the offices of Grand Scribe and Grand Secretary being united in one person. Should a change take place in this particular, it might become necessary for the Grand Encampment to procure a room and furniture for its exclusive use. I would recommend that the Grand Officers be authorised to make proper arrangements to meet any alteration that might take place.

The Report of the Grand Tseasurer exhibits the financial affairs of the Grand Encampment in a healthy condition. The Reports of the Grand Scribe, and Treasurer, will apprise you of the receipts and disbursements of the Grand Encampment for the past year. Several petitions for new Encampments have been received and will be presented to you in the course of the session. In granting charters for subordinate encampments, it seems to me that the greatest care and discretion should be exercised; the wants of the Order, the condition of the subordinate Lodges, and the experience and standing of its members should be taken into consideration. The organization of an Encampment differs essentially from the formation of a subordinate Lodge, and its applicants for membership are confined to those only who have attained the highest degree. It is pleasant to contemplate the rapid increase of our Order, and to view the field of peace and

harmony extending itself over a wider circumference ; but it is also essential that its growth should be strengthened by the mellowing hand of time, and that none should be admitted to the higher degrees in the Order who have not exhibited an attachment to its principles and a determination to exercise their individual exertions for the general welfare. It would certainly be a source of regret to us all to have a single link broken in the chain that binds us together.

In closing this, my last official communication, Patriarchs, I cannot refrain from expressing to you my deep and sincere acknowledgements for the continued evidence of your regard, and my sense of the obligations I am under for the many tokens of esteem and confidence it has been my happiness to receive, not only during the time I have held the high office with which you have honored me, but in all my relations with the Order generally. To the D. D. G. Patriarchs, I would return my sincere thanks for their valuable co-operation in assisting me to discharge the respective duties of my office.

Respectfully submitted, in Friendship, Love and Truth,

WILLIAM ELLISON, *Grand Patriarch.*

EVENING SESSION.

8½ o'clock, P. M.

The Grand Encampment assembled pursuant to adjournment.

The Committee on the petition from Lowell, submitted the

following Report, which was accepted, and Resolution, which was adopted :

The Committee to whom was referred the Petition from Patriarchs of Lowell, praying for an Encampment in that city, beg leave respectfully to report, to wit :—

They have examined the petition, and find the names of ten Patriarchs attached thereto ; also, the names of fifty-eight scarlet members appended to the petition, praying that the same may be favorably received, that they may attach themselves thereto.

Your Committee would further represent that no Cards accompany the petition, but are assured by the petitioners that they are prepared to comply with all requirements when called upon. They would therefore recommend the following resolution :

Resolved, That when the Patriarchs, petitioning for an Encampment to be located in the city of Lowell, comply with all constitutional requirements, the Officers of this Grand Encampment be instructed to grant said petition and carry it into effect.

H. PRINCE,
ROB'T L. ROBBINS.

The Committee on the Petition from the City of Cambridge, submitted the following report :

To the Grand Patriarch, Officers and Members of the Right Worthy Grand Encampment.

The Committee upon the petition for an Encampment at Cambridgeport, respectfully report :

That the petition presented is in due form. That it is accompanied with the cards of seven members of the R. P. Degree, as petitioners ; and with a pledge of fifteen members of the R. P. Degree, independent of the petitioners ; together with forty members of the Scarlet Degree, that “ they will become members of said Encampment at the earliest possible period.”

The members thus disposed toward a new Encampment in Cambridge, are mainly from the New-England, Friendship, and Mount Auburn Lodges ; and they have been heard, as well as some of the members of Monotomy Encampment, by your Committee.

Your Committee were desirous of making some satisfactory arrange-

ment between the Monotomy Encampment and the one petitioned for ; but from statements before your Committee, they believe such arrangement entirely impossible.

In the three Lodges named there are about four hundred members ; and out of this number but very few have united with Monotomy Encampment, and no disposition seems to exist for further union.

Under these facts, to wit, that the Monotomy Encampment cannot be materially injured, but that the brethren of the Lodges in the City of Cambridge may be greatly accommodated, by the granting of said petition, your Committee recommend that it be granted.

Respectfully submitted,

RAYMOND COLE,
IRA ALLEN.

Encampment Hall, Aug. 5, 1846.

That they have considered the subject referred to them, and find that all said petitioners have regular cards of clearance, and that the location proposed is sixteen or seventeen miles from any Encampment. Your Committee recommend the following Resolution :

That the prayer of the petitioners be granted.

Respectfully submitted,

For the Committee,

That it appears by that Petition, that the Lodge in Nantucket consists of one hundred and nine members, of whom about seventy have attained the Scarlet Degree ; that there is no Encampment within sixty miles. That they consider it advisable to grant their request, provided that fifty scarlet members deposit, each, the amount of his initiation fee with Robert C. Brown, within thirty days from this date.

In consideration of the high standing of the petitioners, and also the large number and high standing of the Brothers who have obligated themselves to become members, — the favorable location for an

Encampment, and the increasing prosperity of the town, your Committee would recommend that the prayer of the petitioners be granted.

That the petitioners reside from forty to sixty miles from any Encampment within the jurisdiction of this Grand Encampment.

That in addition to the petitioners, sixty-two Brothers of the Scarlet Degree have pledged themselves to unite with Grey-Lock Encampment, if a charter is granted.

Your Committee are unanimously of opinion that a charter should be granted upon said Petition.

SAMUEL WELLS,
DANIEL C. THURSTON.

Patriarch Beard submitted the following Report in relation to matters of grievance between Tri-Mount Encampment and Patriarchs Guild and Pollard, which was accepted : —

*To the Grand Encampment of the Commonwealth of Massachusetts,
I. O. of O. F.*

Your Committee appointed to hear and report upon the alleged grievances of Massasoit Encampment and Tri-mount Encampment and Patriarchs Pollard and Guild, have attended to their duty — having first duly notified the parties, and all of the parties were represented before them.

Your Committee are of opinion that said Tri-mount Encampment were in fault in adopting the Report of their Committee on Leakage, inasmuch as said Report is, in form, somewhat uncourteous. A definite accusation is contained in it ; whereas the Committee should have reported only the facts stated in the last part thereof, without an accusation. And, on the other hand, your Committee are of opinion that the Resolutions of Massasoit Encampment are obnoxious in spirit and substance, being uncourteous and unbrotherly. Your Committee would therefore recommend, that all the proceedings of both Encampments in relation to the above named subjects, be expunged from their records, and that the Report of the Committee on Leakage, of Tri-mount Encampment, be so amended, that it shall be a mere statement of what Brother Mitchell stated to the Committee, without containing any direct accusation on their part against Patriarchs Guild and Pollard.

And your Committee would further recommend, that said Report, after being so amended, be sent by said Tri-mount Encampment to said Massasoit Encampment, without placing said Report, in full, on record.

And your Committee would further recommend, that said Massasoit Encampment, upon the receipt of said Report, request said Tri-mount Encampment to appoint, with them, a Joint Committee to investigate the matters therein contained, and that such a Committee be appointed and that the matter be so investigated.

And your Committee would beg leave to express the hope, that the course herein recommended shall be pursued by the parties, and thereby a more brotherly state of feeling grow up between the two Encampments; that henceforth they may be governed and actuated by no other than the holy principles of Friendship, Love and Truth.

ITHAMER W. BEARD.
B. H. DAVIS,
N. Y. CULBERTSON.

On motion, it was

Voted, To adopt all the recommendations of the Committee, with the exception of the following :—

“And your Committee would further recommend, that said Massasoit Encampment, upon the receipt of said Report, request said Tri-mount Encampment to appoint, with them, a Joint Committee to investigate the matters therein contained, and that such a Committee be appointed and that the matter be so investigated.”

The Committee to whom was referred the first division of the M. W. Grand Patriarch's Communication, submitted the following Report :—

To the R. W. Grand Encampment.

The Committee to whom was referred so much of the Grand Patriarch's Report as refers to the Initiation of Brothers whose residence is nearer any other Encampment, would respectfully report :

That they adopt the language of the Grand Patriarch :—“ We feel convinced of the necessity of repealing this resolution, as we believe it contrary to the genius of our Association to compel brethren to join an Encampment whose meetings it is almost impossible for them to attend, or whose feelings and preferences are in favor of some other Encampment under the same jurisdiction ;” and would offer the following resolution :

Resolved, That the vote passed by this Grand Encampment, pro-

hibiting Encampments to initiate brothers whose residence is nearer any other Encampment, be, and is hereby repealed.

Respectfully submitted,

JOHN R. MULLIN,

W. T. DAVIS.

Grand Lodge of the United States, be instructed to use all the efforts in their power to procure an alteration in the Regulations of the Order, so that the requirements for eligibility for the V. G.'s chair in the subordinate Lodges shall be : that the candidate shall have been exalted to the R. P. Degree, and the candidates for C. P. and H. P. in the subordinate Encampments shall be a P. G. of some subordinate Lodge under the same jurisdiction.

Patriarch Case submitted the following resolution, which was, on motion, indefinitely postponed : —

Resolved, That this Grand Encampment direct the Massasoit and Tri-Mount Encampments to pay to the order of Wachusett Encampment, the fees (after deducting the percentage paid Grand Camp) received by said Camps for the Patriarchal Degrees conferred on brothers residing at Greenfield, Northampton and Springfield, after the institution of said Wachusett Encampment.

The following resolution was offered, and referred to the Committee on Constitution and By-Laws : —

Resolved, That it shall be the duty of every Encampment, before electing to membership any brother out of the town in which it is located, to ascertain whether the candidate

resides nearer any other Encampment than its own; and if such is the case, they shall, before electing such brother to membership, obtain evidence from the Encampment, under the seal thereof, nearest his place of residence, that he is a suitable person to become connected with the Patriarchal branch of the Order.

ADJOURNED ANNUAL SESSION
OF THE
GRAND ENCAMPMENT OF MASSACHUSETTS,
HELD AT THE CITY OF BOSTON, SEPT. 30, 1846.

OASIS HALL, 9 o'clock, A. M.

The R. W. Grand Encampment assembled pursuant to adjournment. Present,—

ITHAMAR W. BEARD,	<i>Grand Patriarch.</i>
B. H. DAVIS,	<i>Grand High Priest.</i>
SAMUEL WELLS,	<i>Grand Senior Warden.</i>
W. H. JONES,	<i>Grand Scribe.</i>
GEORGE NORTON,	<i>Grand Junior Warden.</i>
WILLIAM ELLISON,	<i>Grand Representative.</i>

And a representation from the Encampments under this jurisdiction.

Grand Encampment opened in due form.

Prayer by the M. E. High Priest.

Voted, That the reading of the proceedings of the last session be dispensed with.

The Grand Patriarch appointed Patriarch J. B. Frost, jr., Grand Sentinel, who, after having been duly qualified, entered upon the duties of his office.

On motion of Patriarch McClellan, the Rules of Order were suspended for the purpose of allowing him to offer a resolution ; when the following was submitted and unanimously adopted :—

Resolved, That the thanks of this Grand Encampment be presented to Past Grand Patriarch William Ellison, for the faithful and impartial manner in which he has presided over this Grand Encampment the past year.

The Committee to whom was referred so much of the Grand Patriarch's communication as relates to the subject, submitted the following :

To the R. W. Grand Encampment of Massachusetts, I. O. of O. F. :

The undersigned, a Committee to whom was referred so much of the Grand Patriarch's communication as relates to procuring an office and providing for the safe keeping of the books and other property of the Grand Encampment, respectfully submit the following resolution :

Resolved, That the Grand Officers be instructed and authorized to hire a suitable room for an office; and purchase a Safe and such furniture as they may deem expedient, for the use of this Grand Encampment.

ITHAMAR W. BEARD,
WM. H. JONES,
SAMUEL WELLS.

On motion, the report was accepted and the resolution adopted.

The Committee on Charter asked for further time to report, which was granted.

The Committee on the petition for an Encampment at N. Stoughton asked for further time, which was granted.

The Committee appointed at the Special Session, in February, 1846, to amend and revise the Constitution and By-

Laws for this Grand Encampment, gave notice that they were ready to report.

On motion, To read and act upon the Constitution and By-Laws, doubts were expressed as to the constitutional right of this Grand Encampment to act upon them at this session. The Grand Patriarch having been called upon to decide the question gave his opinion, as follows :—

“That inasmuch as the notice required by the Constitution had been given to the Subordinate Encampments, that the Grand Encampment intended at this meeting to *revise* the Constitution, it was constitutional to proceed without other notice, as a notice of an intention to revise was in effect a notice of an intention ‘to annul’ within the meaning of the Constitution.”

It was then

Voted, That the proposed amendments to the Constitution and By-Laws be read by the Committee.

Voted to suspend the reading for the purpose of appointing a time to ballot for Past Officers of Subordinates and admit those elected, and instruct them in the G. E. Degree.

Voted, That the time be fixed at 12 M.

P. G. Patriarch Ellison, from the Committee on Constitution and By-Laws, submitted their Report, which was accepted.

On motion, it was

Voted, That each article and section of the Constitution and By-Laws be acted upon separately.

Whereupon the Grand Encampment proceeded to the consideration of the proposed amendments, which were adopted with the exception of Section 1 of Article 5, and Section 3 and 4 of Article 6, and the form of certificate, which were postponed for consideration until the afternoon session.

The Committee to whom was referred the petition from N. Stoughton submitted the following Report, which was accepted.

To the Right Worthy Grand Encampment :

The Committee to whom was referred the petition of Elisha Page and eight others, for a charter for an Encampment at Stoughton, respectfully report : That your Committee have examined the petition and cards of the petitioners, and find them to be correct. On inquiry and a reference to the Report of the Proceedings of the Grand Lodge, your Committee learn that in Stoughton, and in towns varying from two to seven miles from Stoughton, there are six Lodges, containing 309 members, 182 of whom have attained to the Scarlet Degree; that the nearest Encampment to Stoughton is 17 miles distant, and that said petition is accompanied by the pledge of 37 members of the Scarlet Degree, independent of the petitioners, to unite with said Encampment, should a charter be granted. These facts your Committee respectfully report, and submit the action on the said petition to this Grand Encampment.

RAYMOND COLE,
JOHN McCLELLAN.

Voted, That action on the petition be postponed until the afternoon.

The M. W. Grand Patriarch appointed Patriarchs Cole, Mullin, and Norton the Committee on Finance.

Voted, That the Grand Encampment adjourn at 12½ o'clock, to meet at 2 o'clock, P. M.

On motion, it was

Voted, That the first business of the afternoon session shall be to receive instruction in the work of the Order, from Grand Representative Ellison.

The Committee on the Constitution and By-Laws, to whom was referred the following resolution, reported " that it is inexpedient to legislate upon the subject."

Resolved, That it shall be the duty of every Encampment, before electing to membership any brother out of the town in which it is located, to ascertain whether the candidate resides nearer any other Encampment than its own; and if such is the case, they shall, before electing such brother to membership, obtain evidence from the Encampment, under the seal thereof, nearest his place of residence, that he is a suitable person to become connected with the Patriarchal branch of the Order.

On motion, the Report was accepted and adopted.

The following resolution, offered by Patriarch Welch, was, on motion, laid upon the table until the afternoon.

Resolved, That the travelling and other necessary expenses of all the elective officers attending the session of this Grand Encampment, whose residence is more than five miles from the City of Boston, be paid by this Grand Encampment.

Patriarch McLeish submitted an amendment to the Constitution of this Grand Encampment which was ordered to lie on the table until the afternoon session.

The hour having arrived for balloting for candidates for membership in this Grand Encampment, P. C. P. Augustus L. Barrett and P. H. P. Joseph H. Waitt, of Middlesex Encampment, No. 9, were ballotted for, admitted, and instructed in the G. E. Degree.

At 12½ o'clock the Grand Encampment adjourned.

After a quorum shall have assembled, the following shall be the order of business, viz :

First. The Grand Patriarch shall request the brethren to clothe themselves in proper regalia, and direct the Grand officers and members to take their respective stations.

Second. The G. J. W. will report on the safe condition of the Grand Encampment.

Third. The Grand Patriarch will call up the Grand Encampment while the G. H. P. performs the duties of his office.

Fourth. Proclamation of the opening of the Grand Encampment.

Fifth. The Minutes of the last session read, and if no objection be made, they shall stand approved without vote.

Sixth. New members admitted and instructed.

Seventh. Reports of Committees by seniority.

Eighth. Unfinished business acted on by priority.

Ninth. New business.

Tenth. Closing (or adjournment,) in form.

The order of business may, at any time, for an occasion, be changed or dispensed with, by a special two-third vote of the Grand Encampment.

II. OF DECORUM.

The utmost decorum shall be observed during the Sessions of the Grand Encampment. And no one shall leave without permission of the M. W. Grand Patriarch, nor enter without the consent of the R. W. Grand Senior Warden.

Every officer and member shall be designated in debate, or otherwise, by his proper office or title, according to his standing in the order.

No member shall be permitted to vote or speak, unless clothed in regalia appropriate to his rank and station.

III. OF THE CHAIR.

The Grand Patriarch, while presiding, shall state every question coming before the Grand Encampment, and immediately before putting it to vote, shall ask : “ *Is the Grand Encampment ready for the question ?* ” Should no member rise to speak, and a majority indicate their readiness, he shall rise to take the question; and after he has risen no member shall be permitted to speak upon it. He shall declare the votes and decisions of the Grand Encampment on all subjects. His decisions on questions of order shall be without debate, unless, entertaining doubts on the point, he invite it. And he shall have the privilege of speaking from the Chair on such questions only. When an appeal has been taken from its decision, the question shall be put thus : “ *Will the Grand Encampment stand by the Chair in its decision ?* ”

IV. OF DEBATE.

When a member intends to speak on a question, or to offer a motion, he shall rise in his place, and respectfully address the Chair. While speaking, he shall confine himself to the question under debate, avoiding all personality and indecorous language, as well as any reflection upon the Grand Encampment or its members.

Should two or more members rise to speak at the same time, the Chair shall decide which shall be entitled to the floor.

No member shall interrupt another while speaking, unless to call him to order for words spoken.

If a member while speaking shall be called to order, at the request of the Chair, he shall take his seat until the question of order is determined, when, if permitted, he may again proceed.

No member shall speak more than once on the same question, until all the members wishing to speak, shall have had an opportunity to do so; nor more than twice without permission from the Chair. But no member shall have the privilege of speaking more than once on a question of order, after appeal from the decision of the Chair.

V. OF QUESTIONS AND VOTES.

When any communication, petition, or memorial is presented, before it is read, or any vote taken on it, a brief statement of its contents shall be made by the introducer or

the Chair. And after it has been read, a brief notice of the purport shall be entered on the journal.

No motion shall be subject to action until seconded and stated by the Chair; and at the desire of any member, it shall be reduced to writing.

When a blank is to be filled, the question shall be taken first upon the highest sum or number, and the longest or latest time proposed.

Any member may call for a division of a question, when the sense will admit of it.

When a question is before the Grand Encampment, no motion shall be received, except to adjourn, the previous question, to lie on the table, to postpone the same, to refer, or to amend; and the same shall have precedence in the order herein arranged; the three first of which shall be decided without debate.

After any question, except one of indefinite postponement has been decided, any two members who voted in the majority, may at the same or next succeeding session move for a reconsideration thereof.

The previous question may be called for by two members, if seconded by a majority, and shall be put in this form,—*“ Shall the main question be now put ? ”*—if carried, all amendments, not already adopted, shall be precluded, and the main question taken without further debate.

When one-fifth of the members rise in favor of taking a question by Ayes and Nays, they shall be ordered to be so recorded.

Every member present shall vote on any question before the Grand Encampment, unless he is personally interested in the result, or has been excused by the Grand Encampment, or is otherwise incapacitated.

W. H. JONES, *Grand Scribe.*

The M. W. Grand Patriarch submitted his Semi-Annual Communication, which on motion was referred to Patriarchs Prince, Hayden and Barr, for the purpose of dividing the subjects therein contained, so that they may be separately considered by this Grand Encampment.

To the Right Worthy Grand Encampment of Massachusetts, I.O.O.F.

It becomes my duty on this occasion to make to you my Semi-Annual Report. You will perceive upon an examination of the Semi-Annual Reports of Subordinates that the number of members of this branch of our Order has not increased with that rapidity, taking into consideration the present number of Encampments under this jurisdiction, as during former terms; but you will allow me to suggest, that, in my apprehension this is by no means an evidence of a less prosper-

ous condition of this branch of the Order, assuming as we do, to be a higher branch of the Order, to be Patriarchs, our standard of moral qualifications should be proportionably exalted. Since our annual meeting, ten new Encampments have been instituted, viz:—

Wanackmamack, No. 16, at Nanctucket, Oct. 22.

Lowell, No. 17, at Lowell, Sept. 3.

Wompatuck, No. 18, at Hingham, Sept. 7.

Howard, No. 19, at North Attleboro', Sept. 4.

Quinshepaug, No. 20, at Milford, Sept. 3.

Grey Lock, No. 21, at Pittsfield, Sept. 28.

Charles River, No. 22, at Cambridge, Sept. 1.

Samaritan, No. 23, at Chelsea, Sept. 3.

Mount Hebron, No. 24, at North Stoughton, Oct. 22.

Agawam, No. 25, at Springfield, Jan. 6, 1847.

All these new Encampments were instituted with the most flattering prospects, and some of them which I have visited, I may be permitted to say, are models for the correctness and solemnity with which the work is done. Two of them in particular I may be allowed to name, viz., No. 22, at Cambridge, and No. 23, at Chelsea; others may be equally as well managed, but I possess no knowledge in relation to some of them, or indeed in relation to most of them. No. 17, at Lowell, is in a prosperous condition, and I am happy to be able to say what I feared would not be found true, No. 4 and 17 are on the most friendly terms, and neither of them seem to have forgotten "*The Golden Rule*."

The work so far as I have been able to learn has not been so uniform in the old Encampments as it ought to be, and it is to be hoped that D. D. G. Patriarchs will compare with each other and with our worthy Grand Representatives, who are in every respect competent to give instructions, that this evil may be remedied. I think, however, that perhaps more frequent meetings of the Grand Officers, than our business engagements and the remoteness of our several residences has enabled us to hold, might tend to remedy the evil. But few questions of rules and practice have come up for our consideration during the term.

Questions arose in No. 15 —

1st. Whether where a mistake is supposed to have happened in a balloting for a candidate, a second balloting can be had?

2nd. Whether a candidate who has been rejected, but no cause assigned for his rejection, can be immediately repropounded.

On which we ruled as follows, and now submit our ruling to you.

1st. That where a mistake is supposed to have happened in a balloting for a candidate, for the purpose of ascertaining if such is the case, a second balloting may be had, or perhaps it would be better expressed to say that the same balloting may be gone through with again, to ascertain if there is a mistake, but no ballot vote when fairly put and decided, can be reconsidered, except a vote electing a candidate, and something against his character is made known after the balloting.

2nd. That if no cause is assigned by the Patriarch who casts the black ball for his ballot, the brother rejected could be at once repropounded again. Provided, the rejection be upon a favorable report of the Investigating Committee.

In relation to the financial affairs of this Grand Encampment, I may be permitted to say a word. At our last meeting it will be recollected that the per centage to be paid by Subordinates was reduced to five per cent. It will appear obvious to all upon an examination of our Reports, that this per centage will not be sufficient to meet our current expenses.

We may, perhaps, save some expenses which we have heretofore incurred. The office of D. D. G. Patriarch might be abolished, and some past officer in each Encampment be deputed to instal the officers of that Encampment, and thus an expense might be saved. But, whether such a change is expedient or not, is a question I propose to submit to your discretion—without suggesting any opinion.

At the last meeting of the Grand Lodge of the United States, Jewels were established for the officers of Grand Encampments. No measures have been taken to procure any jewels for our use. To this subject I would call your attention.

Another subject which is engrossing the attention of the Supreme Legislature of Subordinates of this State, is the fact that our dues do not bear a proper proportion to the benefits; such at least is the case if we refer to tables which have been prepared with care by Health Insurance Companies. I would call your attention to this subject.

Respectfully submitted,

ITHAMAR W. BEARD, *Grand Patriarch.*

A Communication received from J. L. Ridgley, Esq., Grand Secretary of the R. W. Grand Lodge of the United States, inviting the attention of State Grand Encampments to resolutions adopted by the R. W. To the R W. Grand Encampment of the State of Massachusetts.

The Special Committee to whom was referred that portion of the Grand Patriarch's Report which relates to Jewels for the Grand Encampment, Report :—

That having duly considered the matter they recommend that a set of appropriate Jewels as required by the Grand Lodge of the United States, be procured for this Grand Encampment.

T. INGRAHAM,
F. WILLIAMS,
J. B. FROST, JR.

On motion, Patriarchs W. H. Jones, Parmenter, and Ellison, were appointed a Committee to procure the Jewels.

On motion of Patriarch Ayres, it was

Voted, That a Committee of three be appointed to consider so much of the Grand Patriarch's communication, as relates to the expenses of D. D. Grand Patriarchs.

The Grand Patriarch appointed Patriarchs Strong, M'Leish and Ayres.

On motion to reconsider the vote fixing the hour of adjournment at 12½ o'clock, M., it was decided in the affirmative.

On motion, at 11¾ o'clock, the Grand Encampment adjourned.

AFTERNOON SESSION.

2 o'clock, P. M.

The Grand Encampment met pursuant to adjournment.

Grand Senior Warden, Samuel Wells, was present and took his seat.

The following Petitions, presented from Menotomy Encampment, No. 3, and Patriarchs of Middlesex Encampment, No. 9, were read.

To the R. W. Grand Encampment of Massachusetts, I. O. of O. F.

At a special session of Menotomy Encampment, No. 3, I. O. of O. F., Friday Evening, January 29, 1847; called for the purpose of considering the expediency of petitioning the R. W. Grand Encampment for leave to remove Menotomy Encampment to Medford, the following vote was passed unanimously :—

“*Voted*, That we do petition the R. W. Grand Encampment for leave to remove this Encampment from West Cambridge, and locate the same at Medford; and that our Representatives be instructed to favor the removal.”

ADDISON HILL, *Scribe.*

West Cambridge, Feb'y 2d, 1847.

WE, the subscribers, Patriarchs of Middlesex Encampment, would most respectfully petition your Honorable Body to remove Monotomy Encampment to Medford, if the consent of the said Encampment can be obtained; we think such an arrangement would be a benefit to the Encampment, as we have no doubt that from forty to fifty of the brothers of Harmony Lodge might be induced to join, which, in addition to the members already belonging to the Encampment, would make quite a respectable body, so far as numbers are concerned. We hereby pledge ourselves to join Monotomy Encampment if removed to Medford.

[*Signed*].—Samuel S. Green, Jr., John H. Haskell, George Pierce, Amos Hutchings, Thomas H. Floyd, Abraham B. Carr, Alfred Ells,

Daniel Whitaker, J. M. Woodbridge, Jr., Samuel Clark, Albert Delano, Elisha Stetson, Nath. Tay, John S. Emerson, Jr.

A motion was made, that the prayer of the petitioners be granted.

A motion was made that the Petitions be referred to a Committee of three, which was decided in the affirmative.

The Grand Patriarch appointed Patriarchs Hills, Stearns, and Culbertson.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to dues and benefits, submitted the following Report, which was accepted and adopted.

To the R. W. Grand Encampment of Massachusetts, I. O. O. F.

The Committee to whom was referred so much of the Grand Patriarch's Communication as refers to the subject of the dues of the Subordinate Encampments, as not bearing a proper proportion to their benefits, have attended to their duty, and would beg leave to report :—

That this Grand Encampment recommend to its Subordinates the propriety of making some alteration in their system of dues and benefits, if necessary, so as to keep their expenditures at all times, except in very extreme cases, within their receipts ; and thus preserve their usefulness, and render them able in future time to fulfil all their financial engagements, when the applications for membership, which have heretofore been the principal source of revenue, shall in a great degree cease. Your Committee do not recognize the right of this Grand Encampment to legislate upon the dues and benefits of its Subordinates, believing that, to be a subject over which the Subordinate Encampments have the exclusive and entire control. A recommendation from this Grand Encampment calling the attention of the Subordinates to the subject, would, in the opinion of your Committee, be received by them with the respect and attention that the subject demands, and would accomplish the object so much to be desired.

In regard to the per centage due from the Subordinate Encampments, your Committee believe that the alteration made at our last Session has operated unfavorably to this body. They would therefore offer an

amendment to Section 5, Article 6, of the Constitution of this body, fixing the dues of Subordinates at 10 per cent as heretofore.

All of which is respectfully submitted.

WM. ELLISON, }
THOS. BARR. } *Committee.*

Boston, Feb. 3, 1847.

The following Representatives, having presented correct certificates, were admitted and instructed in the G. E. Degree, viz :—

P. H. P. Addison Hill, of Menotomy Encampment, No. 3.

P. H. P. Wm. Saunders, Jr., of Naumkeag Encampment, No. 13.

Patriarch Ayers submitted the following Resolution, which was adopted :—

Resolved, That inasmuch as the D. D. G. Patriarchs of the several Districts are the organs of the Grand Patriarch, they are fully competent to decide all questions arising in their respective Districts when submitted to them for an opinion ; subject, however, to the opinion of the Board of Grand Officers, or an appeal to the Grand Encampment.

Voted, That 3 o'clock, P. M. be the hour assigned for admitting and instructing Representatives.

The Committee of Finance submitted the following Report, which was accepted.

Oasis Hall, Feb. 3, 1847.

To the R. W. Grand Encampment.

The Committee on Finance ask leave to make the following Report:

Your Committee have examined the accounts of the Grand Scribe and Grand Treasurer, and find them to be correct.

The Grand Scribe has on hand,	.	.	.	\$ 28,96
The Grand Treasurer has on hand,	.	.	.	239,40
				<hr/> \$268,36

The specific receipts and disbursements will more fully appear by the reports of the Grand Scribe and Treasurer.

Respectfully submitted,

RAYMOND COLE,
JOHN R. MULLIN.

Moved, by Patriarch Frost, That any Subordinate Encampment failing to make its report as prescribed by Article VI, Sections 3 and 4, of the Constitution of this Grand Encampment, shall be fined a sum equal to the amount of dues from said Encampment. An amendment was offered by G. H. P. Davis, viz : " and the officers shall not be installed until the report is placed in the hands of the installing officer." The amendment and motion were withdrawn ; whereupon Patriarch Ayers submitted the following Resolution, which was adopted.

Resolved, That each Encampment within this jurisdiction shall prepare and deliver to the D. D. Grand Patriarchs of the District to which it may be attached, a full report of the work of the term, previous to its officers being installed for the succeeding one ; such report to be transmitted by the D. D. Grand Patriarch to the Grand Scribe within fourteen days from the date of such installation, and in case he shall fail so to do he shall be fined five dollars.

P. H. P. Samuel Prince, Representative of Massasoit Encampment, No. 1, presented his Certificate, and was admitted and instructed in the G. E. Degree.

The Committee appointed on so much of the Grand Patriarch's Communication as related to D. D. G. Patriarchs, submitted the following Report, which was accepted and adopted.

To the R. W. Grand Encampment of Massachusetts.

The Committee appointed to consider so much of the Grand Patriarch's Report as relates to D. D. Grand Patrarchs, have attended to their duty and beg leave to Report:—

That in their opinion it is not only expedient, but desirable, and would save much expense to the Grand Encampment and be beneficial to the Subordinate Encampments, that the Grand Patriarch appoint a D. D. G. Patriarch for each Encampment within this jurisdiction. Such appointment to be made from among the qualified past officers in each Encampment, where practicable; whose duty it shall be to instal the officers of the Encampment under his charge, and see that the work is performed uniformly.

All of which is respectfully submitted.

C. D. STRONG,
DAVID AYERS,
JOHN McLEISH.

Patriarch Robbins from the Committee to whom was referred so much of the Grand Patriarch's Communication as related to balloting for candidates for membership in Subordinates, submitted a Report, which was accepted.

A motion was made that the Report be adopted.

On motion to recommit the Report to the same Committee, it was decided in the affirmative.

P. H. P. A. C. Mayhew, of Quinshepaug Encampment, No. 20, and P. H. P. George Ashworth, of Lowell Encampment, No. 17, were admitted and instructed in the G. E. Degree, and took their seats as Representatives.

Patriarch Barr called the attention of the Grand Encampment to the Report of the Committee and recommendation adopted by the Grand Encampment at its Annual Session, in relation to matters of grievance between Tri-Mount Encampment and Patriarchs Guild and Pollard, (see pages 19 and 20, Journal of Proceedings, Aug. Ses. 1846,) and submitted inquiries relating thereto.

A motion was made that the further consideration of the

subject be indefinitely postponed, which was decided in the negative.

Moved by Patriarch Barr, that the Grand Scribe be directed to notify Massasoit and Tri-Mount Encampments to comply with the recommendations reported by the Committee and adopted at the last Annual Session in relation to matters of grievance between Tri-Mount Encampment and Patriarchs Guild and Pollard, provided they have not already attended to the subject.

A motion was made to refer the subject to a Committee of three, to report at the next session of the Grand Encampment, which was decided in the negative.

The question recurring upon the motion of Patriarch Barr, it was decided in the affirmative.

Patriarch Robbins from the Committee to whom the subject was recommitted, submitted the following amended Report, which was accepted and adopted.

To the R. W. Grand Encampment of Massachusetts.

Your Committee to whom was referred so much of the Grand Patriarch's Report as had reference to a Subordinate Encampment ordering a new ballot immediately after a declaration from the chair of the rejection of a candidate, upon the supposition that said rejection occurred through mistake. Also, upon the rejection of a candidate, no cause being assigned, why said candidate cannot be again proposed, immediately thereafter, to the same or another Encampment, beg leave respectfully to Report :—

That having examined the Constitution they find reference to the first inquiry in Article II., Clause 2, Subordinate Constitution, and believe its true construction would not admit of a second ballot, after the declaration from the chair announcing the result of a ballot for membership. The language there made use of is, "if one ball appear against him, (meaning the candidate), he *shall* be rejected, and so declared. Except when there is good reason to believe that through

some inadvertency a mistake has occurred, when the chair shall order the ballot to be taken again, and on the second ballot being declared, it shall be final.

With reference to the second inquiry, your Committee can find no laws in the Encampment Constitution denying a brother the privilege of being immediately proposed again, either to the same or any other Encampment, whether cause be assigned or not.

ROBERT L. ROBBINS,
JESSE PATTEE.

The Committee to whom was referred the petition from Menotomy Encampment, No. 3, and Patriarchs of Middlesex Encampment, No. 9, at Malden, submitted the following Report :—

To the R. W. Grand Encampment of Massachusetts, I. O. O. F.

The Committee to whom was referred the petition of Menotomy Encampment, No. 3, to be removed from its present location at West Cambridge to Medford; also the petition of Patriarch S. S. Green, Jr., and thirteen others of Middlesex Encampment, No. 9, at Malden, in aid of the first named,—would respectfully Report :—

That they have heard the petitioners, and given the subject that consideration which it seemed to demand. Menotomy Encampment at West Cambridge is in a depressed condition. Fourteen members of Middlesex Encampment, residing at Medford, express their willingness to take hold of Menotomy Encampment should it be removed; and they are of opinion that quite a large number of the members of the Subordinate Lodge at Medford would also become members thereof. These, with other facts presented to the Committee, leave no room to doubt but that the proposed removal would be greatly beneficial to Menotomy Encampment, or in fact that it would be its salvation.

The Committee therefore recommend that the petition of Menotomy Encampment be complied with, and that the Grand Officers be instructed to carry into effect the removal of said Menotomy Encampment, No. 3, from West Cambridge to Medford.

Respectfully submitted,

T. K. HILLS,
N. Y. CULBERTSON.

On motion, the Report was accepted and recommendation adopted.

On motion, the sum of three dollars was voted to Patriarch Frost, for his services as Grand Sentinel.

Voted, That hereafter Representatives shall be admitted and instructed only at the hour of 11 A. M., except when the Grand Encampment holds a session in the afternoon, when they shall be admitted and instructed at 3 o'clock, P. M.

On motion of Patriarch Lord, That the Grand Scribe be directed to give notice to the Subordinate Encampments under this jurisdiction, of all special votes passed by the Grand Lodge of the United States, relating to the Patriarchal branch of the Order, immediately after the sessions thereof, it was decided in the negative.

On motion, at quarter past 4 o'clock, P. M., the Grand Encampment adjourned *sine die*.

Prayer by the Grand High Priest.

On motion of Patriarch White, it was

Voted, That the reading of the Records of the February Session be dispensed with, and that they be approved.

On motion, Patriarchs White, Williams and Strong, were appointed a Committee to examine certificates of Representatives.

P. G. Patriarch Ellison from the Committee to whom was referred at the February Session, the Communication of James L. Ridgely, Grand Secretary of the Grand Lodge of the United States, submitted the following Report which was accepted.

To the R. W. Grand Encampment and Grand Lodge of Massachusetts, I. O. of O. F.

The Committee appointed at the last session of this body, upon a Communication received from J. L. Ridgely, Esq., Grand Corresponding Secretary of the Grand Lodge of the United States, inviting the attention of State Grand Encampments and Grand Lodges to Resolutions adopted by the R. W. Grand Lodge of the United States, at its Annual Session in 1846, in relation to the expediency of the establishment by the Order, of a General System of Education, &c., have attended to the duty assigned them, and would respectfully submit the following Report:—

Your Committee have read with much pleasure and a deep interest the series of letters by Grand Corresponding Secretary Ridgely, on the subject of the establishment by the Order of a Central Federal Institution of Learning: They are aware that the magnitude of the enterprise will have a tendency to increase the doubts of the doubtful, and confirm the fears of the wavering; but a little reflection and a philosophic retrospect of the past will show us that all great enterprizes have been formed in the chrysalis, by the indomitable energy and never-tiring zeal of some heroic spirit, whose pioneering footprints are ever in advance of the civilization of the age. In the world of science, what gigantic results have sprung from the speculative projects of those mighty minds, that have left the world an imperishable heirloom of their wisdom, in the splendid realization of theories that were immortal in their conception. Turning from the world of matter to the world of mind, we find the elements of that mighty principle, which not only tends to assimilate man to his Maker, but will form a bond of union among men. Purge society of its abuses, extend the empire of love, and thus preserve and perpetuate the harmony of the world. The advancement of education,—the diffusion of intelligence, will elevate our national character, preserve the public morals, and promote the happiness and the freedom of the human race. Such has been its bright career, if we trace back the world's history to that night of thick darkness in which it was enveloped, when, in the early history of Spain, the influence of a corrupt priesthood obtained a supremacy in the national councils, until the enlightenment of education exposed to view the movements of the machinery by which the imagination of

our race was so powerfully affected in a rude and superstitious age. The minds of men were almost wholly engrossed by ambition, voluptuousness, and avarice, until the "genius of education appeared as a messenger from heaven, bearing the torch of knowledge to dispel the gloom that obscured the forms of nature and of truth." We are all familiar with the temptations that beset the uneducated and ignorant. The sudden burst of a vindictive passion, where the calm energy of reason is left unguided by education, may sometimes occasion important changes in the fate of nations. Number, if you can, the priceless blessings that have enured to the world by the spreading of Christianity, in the elevation of the human race, the inculcation of every virtue, the development of mind, the triumphs of art, the subduing of the passions, the dethronement of sin, and the overcoming evil with good.

These are some of the fruits of education. In our own day and generation, and in our own land, it has given to the masses that mental culture which has built up for us the noble structure of a republican government, and surrounded us with institutions of science and learning that will ever be the great palladium of our liberties. To educate and enlighten the mind is to free it from the yoke of error. Such, is the splendid aggregate in which our Association is called upon to form an integral part; for it is to the establishment of public institutions of learning, that the world is indebted for preserving the wisdom of past ages for the use of those to come. Our own age is not so much distinguished for uncommon displays of genius, as by its general intellectual improvement and the enthusiasm enkindled for liberal studies. It is the peculiar mission of our Institution to enlarge the circle of human sympathies, and to lead on the spirit of enterprise, in its philanthropic efforts to erect a structure in the hearts of men that will endure forever.

We have thus seen that the fruit of education, in passing through past ages, has erected and left memorials of its greatness more enduring than the pyramids, and more eternal than the stars. We have also seen that Odd Fellowship is pre-eminently calculated to foster, to cherish, and to strengthen all noble efforts to fraternize the world.

The question that first naturally presents itself to our minds, in considering this subject, is, Has the Order the means to carry out this project, without embarrassing its finances or impairing its usefulness. Your Committee have directed their attention to this point of inquiry, and find from the Annual Reports of the Grand Corresponding Secretary, the gross revenues of the Order, from 1840 to 1846, to exceed two million dollars; while the relief expenditures, for the same period, amounts to five hundred and thirty-nine thousand, six hundred and twenty-two dollars. From this balance is to be deducted the current expenses of the Lodges, which will not exceed twenty-five per cent., leaving a million of dollars surplus as the aggregate means of the Order, which is invested in the public securities of the country. The estimated expense of carrying out this project, as illustrated by Grand Corresponding Secretary Ridgely, affixing an extravagant sum by way of hypothesis, would be for the cost of a college building, with a suitable site, and providing it with a library, philosophical apparatus, and cabinet of minerals, about one hundred and fifty thousand

dollars. The annual outlay for the boarding, clothing, and educating three hundred pupils and the endowment of twelve professorships, will reach the sum of thirty thousand dollars.

These are large sums, adds the Grand Secretary, but to the reflecting mind capable of appreciating the already vast resources of our Order, they will appear comparatively insignificant. To provide the ways and means for the accomplishment of this scheme, the following plan is suggested; and your Committee would beg leave to state that they are presenting the plan and details assumed by the Grand Secretary, with some slight alterations. Let the twenty-seven Grand Lodges contribute each \$500; one thousand Subordinate Lodges \$100 each; one hundred Subordinate Encampments \$150 each; Grand Encampments \$200 each; the Grand Lodge of the United States \$20,000;—making an aggregate of \$150,000. These appropriations could be made gradual, by periodical installments. For the general support of the Institution, the Grand Corresponding Secretary makes the following suggestion. The estimated number of contributing members to the Order is one hundred thousand. If each of these brethren will add one-half of one per cent. per week, or twenty-six cents per year to his present assessment, the sum of \$26,000 per annum will thus be collected, to be applied to the support and thorough education of three hundred of the children of their deceased brethren, which will be constantly increasing, and thus enlarging the ability to augment the number of pupils.

The form of government of the Institution, as suggested by the Grand Secretary should be modelled upon that of the Order, founded by the munificence of the Lodges in the several States. The control of its government should be placed in their hands, or as nearly so as practicable;—the Institution to be placed under the immediate government of twenty-five visitors, consisting of one member from each State, to be chosen by the Grand Lodges in the same manner as the Grand Representatives are chosen. It should be the duty of this Board to assemble, at least once a year, at the University, at the charge and expense of the State Grand Lodges and Grand Encampments, to enact rules and regulations for its discipline, elect its president, and all other necessary officers, appoint professors, and have a general supervision of the moral and intellectual training of the students; and during the recess, confide the general care of its affairs to the President and a Sub-Committee, subject to such directions as it may deem proper to prescribe. The Grand Lodge of the United States to exercise a general supervisory authority over the Institution, by the appointment of Committees to investigate its affairs from time to time, and by legislation, if it should be found necessary. The plan of admission, as suggested, is as follows:—

1st. All male orphan children, of proper age, of deceased Odd Fellows, shall of preference be admitted, upon the official certificate of the Grand Master or Visiter of the State from which the applicant may hail.

2d. The sons of Contributing Odd Fellows shall in like manner be admitted, upon the certificate of the Grand Master or Visiter from the State in which they reside, in conformity to a ratio of membership

to be fixed, by which equal privileges as to numbers shall be apportioned to all the States.

The course of study to comprehend commercial, mechanical, and agricultural instruction, as well as classical and scientific pursuits.

We have thus presented to our view the synopsis of a plan for the establishment of a Federal Institution of Learning.

Your Committee, before taking leave of the subject, will notice and remark upon some of the objections that have been raised against the adoption of this philanthropic scheme. In the first place, the constitutional right of the Grand Lodge of the United States to establish an institution of learning, with the consent and co-operation of its Subordinate Lodges, is self-evident in the injunction upon its own seal,—“We command you to educate the orphan.” It is urged as an objection to the enterprize, that its benefits will be limited and exclusive,—that it will embrace the principle of taxation of the many for the benefit of the few,—that it cannot educate *all* the orphans who are entitled to look to the Order for encouragement and support. The most liberal estimate as to the capacity of such an institution, (say the objectors of a Grand Lodge in a sister State,) would not entitle that State to the admission of more than ten pupils; and, they ask, In what consistency should we stand before the world, proclaiming that by our precepts many are called to our charities, yet by our practice few are chosen?

It is not for a moment to be supposed that our present endeavors, limited as they are, to educate and provide for the orphan, will be abandoned. The object of this Institution is to *increase* our usefulness, and not to transfer it from one sphere of action to another. It is to instruct and confer advantages upon the orphan and the destitute, that are not common to the mass of men, and enable them to tread the higher paths of literature and science, that we ask for a favorable consideration of this subject. The heavenly mission of Charity is to raise the down-trodden and unfortunate. It is our duty to do good to the extent of our ability, and not to fold our arms in cold indifference, and close the portals of our affections because we cannot dry up the ocean of tears that fall from the lids of the afflicted. The divine parable of the widow and her mite should triumph over selfish considerations. Our Order itself is founded upon the principle of taxing the many for the benefit of the few. If every one of its members should demand an equal share of its benefits, under any circumstances, where would be the safety-valve of the Institution? Our Association would become a thing of shreds and patches. And does the Grand Lodge of a sister State object to this project, because only *ten* of her orphans will receive that mental aliment that nature craves? In Massachu-

setts, the cause of education has been, for a series of years, the especial object of our government. We have been favored beyond some of our younger and sister States, in the growth and nurture of that noble sentiment,—the principle of education, which has scattered with profuse liberality its blessings and its benefits, even beyond the confines of our own Commonwealth. With us this noble sentiment has opened the door of poverty, and has assisted the indigent in climbing the steep ascent of science. With us, the tree of knowledge is made to bear its rich fruits by a continual watering of the parent stem. If we should suffer the “rank grass to grow around the very portals of our halls of learning,” we should be false to ourselves, false to our race, and false to our destiny. Narrow and sordid must be our views, if they are bounded by State lines, when, by an expansion of sympathy, we can aid, however feebly, in giving freedom to the mind.

Again, we are told that seminaries of learning soon become a prey to the conflicts of sectarian professors, and either end in exclusiveness or self-destruction ;— that professorships become bones of contention, objects of electioneering and strife, and a source of dissension and difficulty. Such (our brethren of a sister State add) has been the experience, and such is the history of all governments, political, beneficent, or religious. That charity that hopeth all things, and endureth all things, will draw the veil over these sweeping denunciations, that would blot from the records of the world's history its most brilliant page. We know that in the soul of every human being lie dormant the germs of every greatness; that by surrounding man with the means of mental culture, we improve his social condition, and give to his aspirations a confidence in that “divinity that shapes our ends.”

In conclusion, your Committee would recommend that the subject be submitted to the consideration of the Subordinate Encampments and Subordinate Lodges; for without their co-operation the plan could not be matured, not only on account of its intrinsic importance, but out of respect to its distinguished mover, whose pure purposes, exalted views, and cultivated mind have been devoted to the advancement of the ever-living principles of the Institution, and the centralization of those benevolent feelings in the hearts of its members, that are alike the constituent elements of its greatness and its perpetuity. The Committee would close this lengthy communication with the following extract from one of Bro. Ridgely's letters :—“If the Order approve and honor this scheme, the end is consummated, and we shall have erected a monument in the hearts and the affections of thousands of widows and orphans, which shall in all time consecrate Odd Fellowship as a system of pure and unmixed beneficence.”

The Committee would recommend the adoption of the following Resolution :—

Resolved, That the Grand Encampment and Grand Lodge of Massachusetts, I. O. O. F., approve of the proposition submitted by the R. W. Grand Lodge of the United States, in regard to the establishment, by the Order, of a National Seminary of Learning, regarding it as a measure which, in its adoption, would have a tendency to extend and

increase the benevolent purposes of the Institution, strengthen its bond of union and perpetuate the principles of our social organization.

All which is respectfully submitted in Friendship, Love, and Truth,

Joint Committee of Grand Encampment and Grand Lodge of Mass.

Voted, To adopt the Resolution.

The M. W. Grand Patriarch submitted his Annual Communication, which, on motion, was referred to P. G. H. P. Thompson, P. G. P. Ellison and Patriarch Alvord, for the purpose of dividing the subjects therein contained, so that they may be separately considered by this Grand Encampment.

To the R. W. Grand Encampment of Massachusetts, I. O. O. F.

PATRIARCHS :—By the Constitution of this Right Worthy Body, it now becomes my duty to make to you, my Report of the state of the Order under this jurisdiction. Allow me to congratulate you on the extremely prosperous state of this branch of our Order. It is evidently both increasing in numbers and improving in character. With a very few important exceptions, harmony prevails throughout this jurisdiction.

In the early part of the term I received from Grey Lock Encampment, No. 21, located at Pittsfield, a petition for a Dispensation to hold their meetings at North Adams, representing that a majority of the Patriarchs of that Encampment are residents of North Adams, to whom it is extremely inconvenient to attend the meetings of the Encampment at Pittsfield. Entertaining strong doubts of my power to grant such a Dispensation, I chose rather to refuse to act than to incur the danger of exercising a power not delegated to me, and therefore declined granting the Dispensation.

I have since received a number of communications from that Encampment, from which I infer that anything but harmony prevails among its members; of the merits of the case, for want of information, I am

unable to speak. I would suggest that a committee be appointed to investigate the matter, and report what ought to be done.

A short time since I received a communication from Nahant Encampment, located at Lynn, for a Dispensation to hold their meetings at East Boston, representing this as a dernier resort to save that Encampment in existence. This application I felt bound to treat as I had a previous one from Grey Lock Encampment. Nahant Encampment will undoubtedly ask for a change of location. You will allow me to express the decided opinion, that while such a change will make it a good and useful Encampment, a refusal to alter the location on our part is equivalent to sentence of death to the Encampment.

I am compelled again to call your attention to our financial affairs. The amount received from Subordinates is obviously insufficient to pay our expenses, even when everything shall be managed with the most rigid economy.

Our expenses are—

For rent, - - - - -	\$100,00 per annum,
Grand Scribe's Salary, - - - -	100,00 " "
Blanks, about - - - - -	50,00 " "
Grand Representatives tax, - - -	80,00 " "
Expenses of Grand Representatives,	100,00 " "
Printing Proceedings, about - -	100,00 " "
Incidentals, - - - - -	20,00 " "
Making in all, - . - - -	<u>\$550,00</u> " "

Our income, you will perceive, has been but about \$150,00 the past term, being but little more than one half what it should be to meet our expenses.

I am informed by the Grand Scribe that we are possessed of no proper case for the books and papers of this Body. It is extremely important that our papers be kept in good order. If we do not provide the means to do so, we but poorly encourage our Worthy Grand Scribe in the neatness and order for which he is so remarkable.

In making this my last official Report to this Grand Encampment, it is with extreme regret I am compelled to confess, that I have not paid that attention to the arduous duties of the honorable office to which your kind partiality has raised me which its importance demands,

I cannot deny that I feel highly gratified with the honors of the office, but had I known that my business engagements would be such as they have been, I should have felt compelled, very reluctantly it is true, to have declined accepting its honors, I can but hope you will be so fortunate as to select one for my successor, both better qualified to perform the duties of the office and better able to attend to them.

ITHAMAR W. BEARD, *Grand Patriarch.*

The Committee to whom was referred the Grand Patriarch's Communication for division, &c., submitted the following Report, which was accepted and adopted.

During the balloting for candidates for Grand Officers, the following Communication from Wachusett Encampment was received, and on motion referred to Patriarchs, Burlingame, Bassett, and F. Williams.

WACHUSETT ENCAMPMENT, Worcester, Aug. 2d, 1847.

To the Grand Patriarch, the Officers and Members of the Right Worthy Grand Encampment, I. O. of O. F. of Massachusetts.

SIRS, AND BROTHERS,—It has come to the knowledge of the members of this Encampment, that during the existence of a Law of your Body, forbidding Encampments under your jurisdiction to receive propositions for, elect, initiate, or exalt, any Brother or Brothers, whose residence was nearer any other Encampment, without the consent of that nearest Encampment had and obtained. Massasoit and Tri-Mount Encampments, of the City of Boston, did receive propositions; and did elect, initiate, and exalt certain Brothers,—to wit:—D. W. Alvord, W. T. Davis, A. F. Stone, C. R. Hawkes, and Samuel Wells; and for aught we know, others residing in the towns of Springfield, Greenfield, &c., at a great distance from Boston, and much nearer to this Encampment, and without the permission of this body:—thereby violating the known Law of your Honorable Body, and taking from this Encampment its rights and privileges; and receiving, and withholding the funds for exaltation, which should have been received by it.

Wachusett Encampment complains of the injustice of said Massasoit and Tri-Mount Encampment, in so doing; and charges them with the violation of a wholesome Law of the Grand Camp; which they were solemnly bound to obey:—and which, by electing and exalting the said Brothers, they have disregarded.

We make known our grievances, and present these charges to your body, in hopes that your desire for the supremacy of the Laws by which your Subordinates should be governed, and your wishes for the just and true to prevail, to the promotion of good will and prosperity under your jurisdiction, will cause a careful inquiry to be instituted in the premises. And while you shall reprove for violation of known Laws, you will cause the aforesaid Encampments to so far remove the odium of their transgression as to refund the money,—by them unlawfully obtained from the aforesaid Brothers,—to this Encampment, to

which, in reality it belongs :—as it was our privilege, and ours alone, to receive the propositions, to elect and exalt the Brothers.

Respectfully and Faithfully, in behalf, and by order of Wachusett Encampment.

The following petition from Middlesex Encampment, No. 9, was read, and on motion, referred to Patriarchs Parmenter, Kittredge, and McCoy.

MIDDLESEX ENCAMPMENT, I. O. of O. F., No. 9.

Malden, July 29th, 1847.

To the Right Worthy Grand Encampment of Massachusetts :

WE, the undersigned, members of Middlesex Encampment, No. 9, respectfully petition your Honorable Body, that, whereas, at your last Session a petition was presented in behalf of Menotomy Encampment, No. 3, for the purpose of changing the location of that Encampment to Medford, without the knowledge of this Encampment ;—and whereas the granting of said petition without a hearing from this Encampment (we believing from representations from some of the signers of said petition that the same would not be presented,) is greatly to the injury of this Encampment ; inasmuch as the same will take from our Encampment some twenty-five of its members, greatly reducing our numbers, and depriving us of all hope of any further increase from Harmony Lodge, No. 68 ;—your petitioners would therefore respectfully ask a reconsideration of the vote whereby said petition of Menotomy Encampment, No. 3, was granted.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to Nahant Encampment, submitted the following Report :—

To the R. W. Grand Encampment.

The Committee to whom was referred so much of the Grand Patriarchs Communication as relates to Nahant Encampment, also the petition of said Encampment, to remove the same from Lynn to East Boston, have attended to the duty assigned them and beg leave to Report :—

That they have heard the Petitioners, and given the subject that attention which its importance demands.

It appears from the return of Nahant Encampment that they number at the present time, forty-five members, and from representations made by the Petitioners, there is but little ground to hope that their present number of members will be materially augmented, were it possible that the Encampment should continue to exist where it is at present located. Your Committee, are however, clearly of the opinion that the Encampment cannot be sustained in Lynn, but feel confident that by its removal to East Boston the condition of the Encampment will not only be greatly improved, but effectually relieved from its present embarrassed situation.

In the consideration of the subject submitted to your Committee for their examination, some facts have been elicited in relation to Nahant Encampment that we deem important to submit to the Grand Encampment for their consideration. It appears that on the last regular meeting in June, Nahant Encampment adjourned from Lynn to East Boston, where adjourned meetings have since been held, Brothers admitted to membership and initiated, and have therefore virtually removed said Encampment from its original location to East Boston, and as your Committee conceive, in direct violation of the Rules and Regulations of the Order.

It has been offered as an excuse for these proceedings, that P. H. P. Bassett visited Lowell, waited upon the G. Patriarch and solicited a dispensation for the removal of the Encampment from Lynn to East Boston, and although this request was refused, the G. Patriarch gave it as his *individual* opinion that the Encampment might legally adjourn its meetings to East Boston, and further if he was a member of said Encampment, he would vote so to adjourn.

Your Committee cannot close this Report, without giving it as their decided opinion, that the adjournment of the meetings of Nahant Encampment, from Lynn to East Boston is illegal, and that they could

with equal propriety have been adjourned to a neighboring State as to the place where now held.

Your Committee are also of the opinion, that the present Officers of said Encampment have been illegally installed, and that the Brothers initiated at the adjourned meetings held at East Boston, have been illegally admitted, and are not at the present time qualified members of the Patriarchal branch of the Order. In view of all the facts and circumstances in the case, your Committee beg leave to submit the subjoined Resolutions.

Resolved, That the membership of such Brothers as have been initiated into Nahant Encampment at the adjourned meetings held at East Boston, be confirmed by this Grand Encampment.

✓ *Resolved*, That the Prayer of the Petitioners be granted and that the Board of Grand Officers be authorized to take all necessary measures to remove Nahant Encampment from Lynn to East Boston.

Respectfully submitted,

DAVID AYERS,
JOHN P. PATTEE,
W. A. HERSEY.

Voted, To accept the Report and adopt the Resolutions.

The Certificate of P. H. P. N. B. Favor of Monomake Encampment, No. 4, was accepted, whereupon he was instructed in the ante-room in the Grand Encampment degree, by the Grand High Priest, and was admitted and took his seat as Representative in this Grand Encampment.

The Committee to whom was referred the petition from Wachusett Encampment, submitted the following Report :—

To the R. W. Grand Encampment of I. O. of O. F. of Mass.

Your Committee on the Petition of Wachusett Encampment, having attended to the duties assigned them, Report :—

That on investigating the facts in the several cases wherein it is alleged that Tri-Mount and Massasoit Encampments, wrongfully and illegally, elected, initiated, and exalted certain persons, it appears that said Encampments acted under dispensations from the Grand Patriarch. Your Committee are of the opinion that they should consequently be

exonerated from all censure for said acts ; and would recommend that the petitioners have leave to withdraw their petition.

Which is respectfully submitted, on behalf of the Committee,

WM. BASSETT,
FRANKLIN WILLIAMS.

Boston, Aug. 4th, 1847.

A motion was made to accept and adopt the Report. The question being put ; " Will the Grand Encampment accept and adopt the Report ? " The Yeas and Nays were required and appeared as follows :

YEAS :—W. E. P. Haskell, C. H. White, D. Hall, C. D. Strong, R. Wheeler, J. Newmarch, A. N. Lewis, D. W. Alvord, C. A. Stewart, C. R. Parsons, C. P. Hussey, G. B. Davis, I. Allen, W. T. Davis, H. Williams, J. B. Frost, Jr., G. Tyler, N. A. Thompson, J. McClellan, C. A. Smith, D. Ayers, J. F. Locke, J. S. Wells, W. Ellison, H. Prince,—25.

NAYS :—R. C. Brown, C. C. Hewes, Wm. Tozer, N. B. Favor, J. C. Scott, A. H. Keith, A. Case, A. J. Morton, J. St. C. Wilson, A. B. Ingalls, G. T. Barney, J. McLeish, Joseph Wells, F. M. Kittredge, A. J. Hersey, N. Y. Culbertson, H. Lord, L. Wyman, Jr., B. H. Davis, A. L. Barrett,—20.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to Grey Lock Encampment, submitted the following Report, which was accepted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred so much of the Grand Patriarch's Report, as relates to Grey Lock Encampment, and also the petition of D. J. Lewis, and others, requesting the removal of said Encampment from Pittsfield to North Adams, have attended to their duty and beg leave to Report :

That such a state of feeling seems to exist between the members of this Encampment, as would seem to call for the interposition of this

Grand Encampment, and it farther appears to your Committee, that if a judicious course of action were taken in the premises, the whole matter may be amicably adjusted, to the satisfaction of all the parties interested. Your Committee therefore recommend, that this Grand Encampment delegate a Committee of one member of this Grand Encampment, to visit Grey Lock Encampment, and endeavor to settle the controversy now existing on equitable terms.

All of which is submitted,

WENDELL T. DAVIS,
E. W. HOWE,
C. H. WHITE.

Voted, To lay the Report on the table until after the Installation of the Grand Officers.

The Committee on the petition from Middlesex Encampment, reported as follows :

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the petition of Middlesex Encampment, respectfully report :

That by the alleged fault, of an individual, the members of Middlesex Encampment were prevented from presenting their objections to the petition in favor of the removal of Monotony Encampment to Medford. This removal has not yet been made. Your Committee are in the unfortunate position, of being well satisfied that the facts presented to them require a thorough examination, but they are not sufficiently authenticated to authorize definitive action by the Committee. The prosperity of two Encampments seems to be involved in the investigation, which for that reason should be thoroughly made. Your Committee therefore recommend that the whole subject be referred to the Board of Grand Officers, who at the earliest day shall hear the parties, and shall finally determine the whole matter.

Respectfully submitted,

WM. E. PARMENTER,
A. D. MCCOY,
F. M. KITTREDGE.

Voted, To accept the Report, and adopt the recommendation.

P. G. Patriarch Wm. Ellison then installed the Officers Elect into their respective Chairs, viz :

The Report of the Committee upon Grey Lock Encampment was then taken from the table. A motion was made to adopt the Report. Patriarch Strong moved to amend by striking out of the Report all after the word “recommend,” and insert the following :—“That a Committee of one from this Grand Encampment be appointed to visit Grey Lock Encampment, and endeavor to settle the controversy now existing on equitable terms, and report his doings to the Board of Grand Officers, and if he shall not be successful, that they shall have full power to act and dispose of the whole matter as they may think proper.”

On motion, the amendment was adopted.

Voted, To adopt the Report as amended.

Voted, That G. H. P. Albert Case, be the Committee.

The Committee on the state of the Finances submitted the following Report, which was accepted and adopted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the subject of the Finances of the Grand Encampment Report :—

That the fact is well sustained, that the income of the Grand Encampment is insufficient for its ordinary expenditure. Your Committee cannot at this time, readily perceive any particular mode of relief other than to increase the per centage of Subordinates. They recom-

mend therefore the adoption of the amendment proposed at the last Session, viz :—that Art. 6, Sec. 5th, of the Constitution be amended by fixing the dues at ten per cent.

Respectfully submitted,

WM. E. PARMENTER,
J. NEWMARCH.

On motion,

SEMI-ANNUAL SESSION .

OF THE

GRAND ENCAMPMENT OF MASSACHUSETTS.

I. O. OF O. F.

OASIS HALL, *February 2d*, 1848,
9½ o'clock, *A. M.*

The R. W. Grand Encampment assembled at its Semi-Annual Session. Present,—

SAMUEL WELLS,	<i>M. W. Grand Patriarch.</i>
ALBERT CASE,	<i>M. E. Grand High Priest.</i>
WENDELL T. DAVIS,	<i>R. W. Grand Senior Warden.</i>
WM. H. JONES,	<i>R. W. Grand Scribe.</i>
JOHN MCCLELLAN,	<i>R. W. Grand Junior Warden.</i>
WM. ELLISON,	<i>R. W. Grand Representative.</i>
JOHN F. LOCKE,	<i>W. Grand Sentinel.</i>

And a large representation from the Encampments within the jurisdiction.

Grand Encampment opened in due form.

On motion of Grand Rep. Ellison it was

Voted, That the reading of the Proceedings of the August Session 1847, be dispensed with, and the Records approved.

The M. W. Grand Patriarch appointed P. G. Patriarch Prince, Patriarchs Barr and B. H. Davis, a committee to

examine the returns of Subordinate Encampments and certificates of Representatives.

The Committee appointed at the August Session, 1847, to draft a form of Charter for the Subordinate Encampments, in lieu of the dispensation granted by the Grand Lodge of the United States, reported that they had ascertained from the Grand Secretary of the G. L. U. S. that Grand Encampments had no authority to adopt any form of charter other than the form authorized by the G. L. U. S., and submitted the letter of the R. W. G. Secretary of the G. L. U. S. as authority. Report accepted.

Grand Rep. Ellison submitted the following Report, which was accepted.

To the R. W. Grand Encampment of Massachusetts,

The undersigned, Representatives to the R. W. Grand Lodge of the U. S., would beg leave to offer for the consideration of this Body a synopsis of such of the proceedings of the legislative head of the order, at its last session, as seems to affect particularly the Patriarchal department of our association. The Annual Communication of the G. Lodge of the U. S. commenced at Baltimore, on Monday the 20th of Sept. last, and continued in session until the following Saturday evening. On the 2d day of the session, the Committee on the state of the Order reported that the Grand Encampment Degree could only be conferred during the session of a Grand Encampment, and that it should be regularly given in the Hall in which the Grand Encampment is assembled; but by special permission, and to prevent the cessation of other business, it may be given in some contiguous room. The Report and Resolutions were adopted by the Grand Lodge of the U. S. thereby refusing to sanction the practice, said to prevail, in some jurisdictions, which empowers D. D. G. P.'s with authority to confer the Grand Encampment Degree. The same committee reported "upon a Resolution to enquire into the expediency of abolishing the use of prayer in Subordinate Encampments," That under the law as it now stands, it is discretionary with the Encampment to use prayer or not, at the opening and closing; but in the conferring of the Degrees, the

prayers are an integral part of the work, and cannot be abandoned without destroying its symmetry. The same committee reported that the Constitution of Grand Lodges and Grand Encampments and *all amendments* thereto, must be submitted to the Grand Lodge of the U. S. for examination; if approved, they of course, become the organic law; if error be found, the error must be corrected; but in the interval between the adoption of the constitution or amendments, and its confirmation by the Grand Lodge of U. S., it is binding upon the body by which it has been adopted. The same committee also reported upon a question proposed by the Grand Encampment of South Carolina, that a member of an Encampment who withdraws from his Lodge, loses his membership in his Encampment, if he does not renew his membership in a subordinate Lodge within one month from the date of his card, but upon renewing his membership in a Subordinate Lodge within the limited time his membership in the Encampment is *ipso facto* renewed, and if the Patriarch desire to withdraw he must pursue the usual course, and also that where a Patriarch loses his membership in an Encampment, it shall be the duty of the proper officers of said Encampment to furnish said Patriarch with a regular withdrawal card, provided said Patriarch was in good standing and complied with the regulations of said Encampment touching said cards. The same committee also reported that under the 30th By-law of the Grand Lodge of U. S. it is competent for an individual who is a member of a Lodge in one State to attach himself to the nearest Encampment in another, provided there be no Encampment in the immediate neighborhood of his Lodge. On the first day of the session the following Resolution was submitted and referred to the Committee on the state of the Order: "Resolved, that the Committee on the state of the Order be directed to consider the expediency of restoring the three months term for Subordinates." On the following Wednesday the committee to whom was referred the subject reported a Resolution, that it was inexpedient to legislate in reference to the term of Subordinate Lodges. With the Resolution the committee submitted a very able Report, presenting conclusive arguments against the proposition so hastily made for a repeal. The question was taken by Yeas and Nays and the undersigned feeling that they were sent not only to represent Massachusetts, but to act in the national council for the best interests of the whole Order, recorded their votes in the affirmative. It was a source of regret to your Representatives that

they could not consistently carry out the views of their immediate constituents ; but seeing before them a divided duty they acted according to the dictates of their best judgment and the light thrown upon the subject while under discussion, and the views of those whose opinions are entitled to a high consideration. The resolution was adopted, 33 to 29. Your Representatives would beg leave to add that subsequent events throughout the Order have strengthened and sustained the wisdom of the Grand Lodge of the U. S. in adhering for another year at least to the six month term. Rep. Morris of Penn. submitted a resolution that it be recommended to the different State Grand Lodges and Grand Encampments to appoint one or more competent Brothers whose duty it shall be to visit each Subordinate Lodge and Subordinate Encampment in his district annually, for the purpose of giving instruction in the work as adopted by the G. L. of U. S. at the last session, so as to insure uniformity and sameness throughout the jurisdiction of this Grand Lodge. The special Committee to whom was referred the proceedings of State Grand Lodges and Grand Encampments on the subject of the establishment by the Order of a National Seminary of Learning, reported that " inasmuch as a majority of the State Grand Lodges and Encampments have reported adverse to the proposition, the committee would recommend that the further consideration of the subject by the Grand Lodge be for the present dismissed." Article 2nd, Sect. 1st, and Article 3rd, Sect. 3rd of the Constitution of the Grand Encampment of Massachusetts, was so altered as to entitle all Past Presiding Officers of Subordinate Encampments to the privileges of seats in their State Grand Encampments, and of voting for Grand Officers. The Grand Lodge of U. S. interpreted its 30th By-Law, as prohibiting the initiation of persons in any part or place of their own, as well as other States, distant from their permanent residences, while Lodges and Encampments are located in their immediate neighborhood. The Grand Lodge of the U. S. amended the 25th By-Law, by adopting a Regalia and Jewels for Officers and Past Officers of the Grand Lodge of U. S. and for Grand Representatives.

The Committee on the state of the Order submitted a Report, which was adopted, that the J. W. may preside in an Encampment, in the absence of the C. P. and S. W. if the local laws do not prohibit it.—Also, that in the absence of the H.P. if no past H.P. be present, there is nothing in the charge Books or Laws to prevent any R. P. member

from performing all the duties of that officer. The Grand Lodge also amended the By-Laws so as to make P. H. P.'s competent petitioners for a charter for a Grand Encampment.

The most important work of the session was the adoption by the Grand Lodge of the report of the Committee on the digest of the Laws of the Order. After weeks of unremitting exertion and toil on the part of the committee, this valuable work has been presented to the Order in a concise and admirably arranged form. This work will prove most acceptable to the Order and will contribute largely to the preservation of the harmony and unity of our system of legislation. The task of reconciling conflicting decisions, of examining all the printed proceedings of the Grand Lodge of the U. S. since its organization, and of wading through such masses of laws and decisions so as to present the fraternity with a reference book, without the objectionable feature of prolixity, could only have been accomplished by the distinguished members of the Order to whom the work was committed. Massachusetts may well share in the honor of that work, by the valuable assistance of a member of that committee, our present able and worthy Grand Master, Wm. E. Parmenter.

From the very able Report of the Grand Cor. Sec'y, it will be seen that the progress of the Order is still onward. The increase of Lodges the last year has been 100 over the increase of the preceeding year—its membership has also increased—its relief expenditures for the past fiscal year amounts to \$302,243,41 cts. The Grand Secretary's Report also presents the Order throughout the jurisdiction, with the exception perhaps of two or three of the North Eastern States, as in a highly flourishing condition. In our own State there seems to be a lack of interest in the concerns of the Order, which detracts from the brilliant reputation Massachusetts has always enjoyed. It is to be hoped, however, as it is expected that this stagnation is rather the result of the unhealthy excitement through which the Order has passed with us, and that it is now consolidating itself into a permanent and healthy tranquility; and while our association is passing through this transition state, it is essential that its members should feel sufficient interest in its welfare to be present as often as possible at its stated meetings. The past history of our institution has been a brilliant record of successful efforts to soften the asperities of our nature, to exalt and purify the human character and to inculcate those virtues which enable men to grapple with, and eradicate, the errors of society. We live in

an age clouded by falsehood, through which the light of truth can hardly penetrate. It is the peculiar mission of philanthropic institutions to dispel this gloom and reveal to the world the broad sunlight of truth. We are bound, therefore, by the ties of a common humanity, not to permit our Institution to be mildewed by the cold breath of indifference and neglect.

Hoping that the interests of this department of our Order have not suffered while committed to the undersigned,

We remain in F. L. and T.

WILLIAM ELLISON, } *Representatives*
RAYMOND COLE, } *G. L. U. S.*

The M. W. Grand Patriarch submitted his Semi-Annual Communication, which, on motion, was referred to Patriarchs E. M. P. Wells, H. Lord, and Hewes, for the purpose of dividing the subjects therein contained, in such manner that they may be separately considered by this Grand Encampment, and of appointing Committees upon its several divisions.

To the R. W. Grand Encampment of Massachusetts, I. O. of O. F.

OFFICERS AND PATRIARCHS:—In the kind providence of Almighty God we are again permitted to assemble for the promotion of the principles of benevolence and charity. To visit the sick,—relieve the distressed,—bury the dead, and educate the orphan, are with us, solemn duties; and unless our practice be found in conformity with them, our professions will be but as sounding brass or a tinkling cymbal.

By our works, then, are we to be judged. We fearlessly proffer this test of our sincerity and truthfulness to a gainsaying world. In the cheerful performance of our labors, we feel a conscious rectitude of purpose which opposition cannot shake, and against which unbelief will excite more of our pity than contempt.

We claim not to occupy the same field with the church; each has its appropriate sphere of labor. The peculiarities of sect and controversial theology can never come within our camp; neither can we enter the lists with the partisan for political strife, and debate can never be suffered to mar our happiness or disturb our peace.

Our mission is one of charity and good will to all mankind, and in this form Odd Fellowship becomes one of the best handmaids to

religion, and one of the strongest arms for virtuous action in the government under which we live.

At the close of our last session, a meeting of the Grand Officers was called to hear and determine the matters of grievance submitted to them, between Menotomy Encampment, No. 3, and Middlesex Encampment, No. 9. After a patient hearing, the Grand Officers concluded to suspend, for a season, the removal of Menotomy Encampment to Medford, and recommended the union of these Encampments at some convenient locality, as the most ready way of healing their present difficulties, and prompting the best good of the Order.

Unfortunately, neither the Grand Officers nor individual members of these Encampments, favoring such an arrangement, have been able to accomplish it. The original question coming again before the Grand Officers, at a subsequent meeting, they have concluded no longer to suspend the former action of the Grand Encampment in this matter, and have approved the removal of Menotomy Encampment to Medford. The doings of the Grand Officers, the action of Menotomy Encampment on the subject, and the correspondence, are annexed to this Report, and marked A. B. C.

At our last session, this Right Worthy Body commissioned our R. W. G. H. P. Case to visit Grey Lock Encampment, and endeavor to settle some matters of discontent existing between the members of that Encampment, and report his doings to the Grand Officers for their further action thereon. This officer performed this delicate duty in a manner highly satisfactory to the Grand Officers, and upon his report and knowledge obtained from other sources, the Grand Officers determined that, as at present advised, no further action was needed on their part in the matter.

Before and since the visit of your Commission to this Encampment, complaint had been made to the Grand Patriarch, that some of its officers had been remiss in their attendance upon its meetings, to the injury of the Encampment. On inquiry, however, it seemed to be more a case of misunderstanding and of accident, than of any laches on the part of the officers; and the Encampment having themselves applied such a remedy as they deemed appropriate, no action, except a letter from the Grand Patriarch, seemed to be needed. The report of the Commission, with other papers pertaining to this subject, are annexed, and marked D. E.

In consequence of decisions made by the Grand Lodge of the United

States, at their session in September last, it will become necessary to amend Article II, Section 1, and Article III, Section 3, of the Constitution of this Grand Encampment; and also Article 2, Section 2, Clause 3, of the Constitution of the Subordinate Encampments under this jurisdiction.

Money is said, in a pre-eminent sense, to form the si ewes of war. Experience also teaches us that peace requires its sustaining power; and heaven-born charity often sinks faint and disheartened without its aid. While, therefore, we would secure the greatest good, we must not forgot that this cannot always be attained without sacrifice as well as effort, and whatever burden necessity lays upon us should be borne without murmuring, that our benevolent labors be not hindered, or our usefulness marred.

The resources of the Grand Encampment have heretofore been drawn principally from the fees for charters granted to Subordinates. This source of income can no longer be relied upon, and the per centage on the term dues are insufficient to pay the ordinary expenses of this body. At our last session, we were compelled to borrow money for the payment of these expenses. Whether they shall be met by an increase of the per centage on term dues, by a tax on the Subordinates, or by a capitation tax upon each Patriarch, is for this body to determine. The Finance Committee will report the condition of the Treasury, and recommend measures for placing it in a condition to meet its annual expenses.

Six of the Subordinates have neglected to return their reports to the office of the Grand Scribe in season to be made up in his Semi-Annual Exhibit. By reference to the Constitution, it will be found the duty of the Subordinate Encampments to return their reports to the Grand Scribe, *at least fifteen days* previous to the Semi-Annual and Annual Sessions of the Grand Encampment. A want of punctuality, in this particular, is a cause of no little perplexity to the Grand Scribe, and may need some further provision for the enforcement of the rule. It is also made the duty of the Grand Patriarch, at this session, to make report of the state of the Order under this jurisdiction. This can be but imperfectly done in consequence of the absence of so many of the returns. So far as can be ascertained without the proper documents, it appears that the Patriarchal Order continues prosperous. The laws and usages are carefully observed; harmony reigns in our body, and rest is found in our tent.

SAMUEL WELLS, *Grand Patriarch.*

The Grand Scribe submitted his Report, which was accepted and ordered on file.

A Petition was presented for an Encampment, to be located in the town of Greenfield, to be known and hailed as Green River Encampment, No. 27, which, on motion, was laid on the table until the Representatives were admitted and instructed.

A Petition was presented for an Encampment, to be located in the town of North Adams, to be known and hailed as Wells Encampment, No. 28, which, on motion, was laid on the table until the Representatives were admitted and instructed.

The following Petition from Wachusett Encampment, No. 10, was read, and laid on the table until after the admission and instruction of Representatives.

Worcester, Jan. 26, 1848.

To the Grand Patriarch, Officers, and Members of the Grand Encampment of Patriarchs of Massachusetts.

SIR AND PATRIARCHS :—The members of Wachusett Encampment, No. 10, I. O. of O. F., located at Worcester, would respectfully represent, that they have repeatedly petitioned your honorable body to interfere in the matter of grievance between said Wachusett Encampment and Tri-Mount and Massasoit Encampments, located at Boston

The grievance having arisen from the fact that said Tri-Mount and

Massasoit Encampments did, contrary to the then existing laws of your honorable body, elect and confer the Encampment Degrees on Brothers residing in Northampton and Greenfield, whose places of residence was nearer Wachusett Encampment than of Tri-Mount and Massasoit Encampments; and we would further represent, that our petitions heretofore laid before your honorable body, have, in our opinion, been disposed of contrary to your own laws and the principles of our Order. Therefore we do respectfully ask you once more, and for the last time, to do us justice, by directing said Tri-Mount and Massasoit Encampments to pay over to said Wachusett Encampment the amount of fees received of said Brothers from Northampton and Greenfield.

Yours in F. L. and T.,

WM. A. AYERS, C. P.,
ERASTUS N. TUCKER, H. P.,
CHARLES F. WILSON, Scribe.

Voted, That the above be signed by the C. P., H. P., and Scribe, and forwarded to the Grand Encampment.

That as action has already been had upon the subject by this Grand Encampment, no further action is deemed necessary by your committee.

Respectfully submitted,

H. PRINCE,
ABNER W. POLLARD.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to returns, submitted the following Report, which was accepted, and Resolution adopted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred that portion of the Grand Patriarch's Report relating to "the neglect of several Encampments in not making their returns to the Grand Encampment," would respectfully report :—

That the Encampments in question, having before them in Article 6, Sections 3d and 4th, their duty fully defined, are inexcusable in not having made their regular returns to this Grand Encampment, and for such neglect require the *censure* of this Grand Encampment.

Your Committee would also offer the following Resolution, viz :—

Resolved, That each Subordinate Encampment failing to make its returns to the Grand Scribe, at least fifteen days before the meeting of the Grand Encampment, shall be liable to a fine of five dollars for such neglect.

February 2, 1848.

A Petition was presented for an Encampment, to be

located in the town of Lawrence, which, on motion, was referred to Reps. Parmenter, Tozer, and Bryant.

The Committee to whom was referred the Petition of Wachusett Encampment, No. 10, submitted a Report, which, on motion, was recommitted to the same Committee.

That they have heard the parties interested, and find that from the number and character of the petitioners, and from the assurances that, if the charter is granted, they will be abundantly able to sustain themselves, and that there also exist the best feeling and understanding between the Mount Holyoke Encampment and the petitioners,—your Committee, taking all these circumstances into consideration, would respectfully report that the prayer of the petitioners be granted.

WILLIAM ELLISON,
JAMES M. COOK,
WM. H. WARNER.

Voted, To accept the Report and grant the charter.

The Committee to whom was referred the Appeal of Patriarch Gordon, submitted the following Report, which was accepted and the recommendation adopted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the Appeal of Patriarch Gordon, beg leave to report :—

That they are of opinion that he should have presented the subject of his grievance, with the documents, to the Encampment of which he

is a member, prior to presenting them to this Right Worthy Body; and that it is his duty now to do so. But should he not obtain redress from his Encampment, we would recommend that he present the papers to the Grand Officers, for their final decision.

J. McLEISH,
LOUIS DENNIS,
WM. H. WARNER.

The Committee to whom was recommitted the Report on Wachusett Encampment, submitted the following amended Report, which was accepted.

To the R. W. Grand Encampment of Massachusetts.

Patriarchs :—Your Committee, to whom was referred the Petition of Wachusett Encampment, No. 10, beg leave to report :—

That, in their opinion, it is the duty of Tri-Mount and Massasoit Encampments to pay over to said Wachusett Encampment the amount received by them of the Brothers initiated into these Encampments from Northampton and Greenfield, as at that time the law of this Grand Encampment required that Brothers should unite with the Encampment nearest their place of residence. And furthermore, your Committee are of the opinion that if we, as a body, countenance and support Subordinates in the violation of well known laws, we open the way for insubordination on their part, and thus produce a rupture that will be beyond our power to cure.

Therefore your Committee would respectfully recommend that Tri-Mount and Massasoit Encampments be directed by this Grand Encampment, to pay over to Wachusett Encampment, the amount received by them of the individuals from Northampton and Greenfield, for initiation and exaltation, deducting the amount of per centage to the Grand Encampment.

T. INGRAHAM,
B. H. DAVIS,
THOMAS BARR.

On motion to adopt the recommendation, the previous question was moved and seconded by a majority of the Grand Encampment. The main question was then put as follows :—“ Will the Grand Encampment adopt the recom-

mentation of the Committee ?"—which was decided in the affirmative,—Yeas 30; Nays 19.

On motion, at half past one o'clock, P. M., the Grand Encampment adjourned to meet at 2½ o'clock, P. M.

AFTERNOON SESSION.

2½ o'clock.

The R. W. Grand Encampment assembled pursuant to adjournment.

Present,—The Grand Officers and a due Representation.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to the alteration in the Constitutions of the Grand and Subordinate Encampments, submitted the following Report, which was accepted and adopted

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to the alterations of the Constitution of the Grand Encampment of Massachusetts, and the Constitution of Subordinate Encampments, would respectfully report :—

That the Grand Scribe be requested to transmit to the Subordinate Encampments under this jurisdiction, a copy of so much of the proceedings of the Grand Lodge of the United States, at its last session, as relates to the alterations of the Constitutions of the Grand and Subordinate Encampments of the State of Massachusetts.

Respectfully submitted in F. L. and T.,

WILLIAM ELLISON, *for the Committee.*

The following Communication from Patriarchs of Middlesex Encampment was read, and, on motion, referred to Reps. D. Ayers, Cook, and Low.

To the R. W. Grand Encampment of Massachusetts.

We, the undersigned, members of Middlesex Encampment, beg leave to state that the decision of the Grand Officers, relative to the union

of Menotomy and Middlesex Encampments, is not, in their opinion, such a decision as will result in the best good of the parties interested. It is well known that the whole trouble originated in the Menotomy Encampment. They felt that unless they made an extra exertion relative to an addition to their body, they could not sustain themselves. Accordingly, they propose to the members of Harmony Lodge that they withdraw from Middlesex Encampment, and they (Menotomy Encampment) would unite with them at Medford. The Medford members, of course, would acquiesce in an arrangement of this kind, if this could be brought about. They *have withdrawn*, and left Middlesex Encampment, which Encampment never would have come into existence, had it not been that these members agreed solemnly to sustain Middlesex Encampment. We, in short, considered it an unjust *infraction of our rights and privileges*; it is building up one Encampment upon the ruins of another; and it is wholly and totally opposed to the sublime principles of justice and right upon which is reared our temple. We therefore respectfully pray that this decision may be reconsidered and entirely abrogated.

WM. H. RICHARDSON, JR.
JOHN McLEISH.

The Committee to whom was referred the Petition for an Encampment to be located in Lawrence, submitted the following Report and recommendation, which were accepted and adopted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the Petition of seven Patriarchs, for a charter of an Encampment, to be located in the town of Lawrence, report :—

That they cannot satisfy themselves, from the statements submitted in support of the Petition, that the grant of a charter is at present advisable. They therefore recommend that the petitioners have leave to withdraw.

Respectfully submitted,
WM. E. PARMENTER,
WM. TOZER,
M. B. BRYANT.

The Committee to whom was referred the Petition for an Encampment, to be located at North Adams, reported as follows :—

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the application of Patriarch M. B. Bryant and six others, for a charter for an Encampment, to be located at North Adams, and hailed as Wells Encampment, No. 28, have given the subject their attention, and report as follows :—

The Patriarchs at North Adams belong to Grey Lock, at Pittsfield, twenty miles from their residence. There are several Lodges in the vicinity of Grey Lock Encampment, which, your Committee believe, will sustain that Encampment, while the prospect of another Encampment being well sustained at North Adams, if instituted, is very good. They therefore recommend the adoption of the following Resolution:—

Resolved, That a charter be granted on the application of M. B. Bryant and others, for Wells Encampment, No. 28, to be located at North Adams, as soon as the applicants shall comply with the requisitions of the Grand Encampment.

Respectfully submitted,

ALBERT CASE,
A. H. BULLEN,
JOHN F. COMSTOCK.

Voted, To accept the Report and grant the charter.

A motion was made to reconsider the vote whereby the Report of the Committee on the Petition for an Encampment, to be located at Lawrence, was accepted and adopted, —which was carried.

On motion, the Report was accepted and laid on the table until the next regular session.

Grand Representative Ellison then instructed the Grand Encampment in the work of the Patriarchal branch of the Order.

The Committee to whom was referred the Communication of Patriarchs of Middlesex Encampment, submitted the following Report :—

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the Communication of Patriarchs McLeish and Richardson, of Middlesex Encampment, respectfully report :—

That at the last session of this Grand Encampment, the whole subject was referred to the Board of Grand Officers for final adjustment. Your Committee would, therefore recommend, that, inasmuch as the parties have had a hearing before the Board of Grand Officers, and the said Board having determined on the removal of Menotomy Encampment from West Cambridge to Medford, no further action be had in the premises.

Respectfully submitted,

DAVID AYERS,
JAMES M. COOK,
JOHN LOW.

Patriarchs Culbertson and Cook moved the reconsideration of the vote by which Tri-Mount and Massasoit Encampments were ordered to pay Wachusett Encampment, No. 10, the fees for initiating and exalting Patriarchs from Greenfield and Northampton. Motion withdrawn.

Patriarch Culbertson gave notice that on the next meeting

of the Grand Encampment, he should move the reconsideration of the above vote.

On motion, at 5 o'clock, P. M., the Grand Encampment adjourned *sine die*.

WM. H. JONES, *Grand Scribe*.

SPECIAL NOTICE.

In accordance with the votes passed at this session, in relation to Returns and the duties of D. D. Grand Patriarchs, (see page 19,) and alterations in the Constitutions of the Grand and Subordinate Encampments, (see page 22,) the Grand Scribe submits the following :—

*Laws of the Grand Encampment of Massachusetts relating to Returns
and the duties of D. D. Grand Patriarchs.*

“**SEC. 3. Returns of Subordinates.**—The Subordinates shall, at the end of each term, report to the Grand Scribe, at least fifteen days previous to the Semi-Annual and Annual Sessions of this Grand Encampment, the names of the Patriarch initiated,—admitted by card,—reinstated,—and of those exalted to the R. P. Degree,—the number on whom Degrees have been conferred,—the names of Patriarchs withdrawn by card,—deceased,—suspended or expelled,—the names of brothers rejected,—the result of the election of officers,—and the amount of all moneys due the Grand Encampment.

“**SEC. 4. Annual Returns of Subordinates.**—Each Subordinate shall, in addition, report at least fifteen days previous to the Annual Session, a complete list of its members, (arranged according to rank in the Encampment,) and also of its work, and the number of Patriarchs relieved, and amount paid for relief.”—*Constitution of Grand Encampment of Massachusetts, Article 6, pp. 9, 10.*

Extract from the Report of the Committee on Constitutions, adopted by the R. W. Grand Lodge of the United States, at its Annual Session in 1847.

“Your Committee would, therefore, recommend the alteration of the Constitution of the Grand Encampment of Massachusetts, Article 2, Section 1 and Article 3, Section 3, in such manner as to entitle all Past Presiding Officers of Subordinate Encampments to the privileges of seats and voting for Grand Officers.

"They would further report, that, by Article 2, Section 2, Clause 2 of the Constitution of Subordinate Encampments in the State of Massachusetts, it is left optional with such bodies whether benefits shall be paid to the members. In the opinion of your Committee, the right of a member of the Order to draw benefits is vested, and not optional with the Encampments, further than to deprive him thereof for improper conduct, or for violating their financial laws. They would, therefore, recommend that such alteration be made as will render the benefits imperative."

The following Resolution was adopted at the Session of the R. W. Grand Encampment, held February 3, 1847.

Resolved, That each Encampment within this jurisdiction shall prepare and deliver to the D. D. Grand Patriarchs of the District to which it may be attached, a full report of the work of the term, previous to its officers being installed for the succeeding one; such report to be transmitted by the D. D. Grand Patriarch to the Grand Scribe within fourteen days from the date of such installation, and in case he shall fail so to do he shall be fined five dollars."

The following Resolution was adopted at the present session, (see page 19.)

Resolved, That each Subordinate Encampment failing to make its returns to the Grand Scribe, at least fifteen days before the meeting of the Grand Encampment, shall be liable to a fine of five dollars for such neglect.

On motion of Rep. Frost, it was

Voted, That the M. W. Grand Patriarch submit his Annual Communication.

Grand Patriarch's Communication.

To the R. W. Grand Encampment of Massachusetts, I. O. O. F.

With devout ascriptions of praise and thanksgiving to Almighty God, for the mercy and kindness with which he has crowned another year of our brotherhood; for the peace, prosperity, and happiness which we have enjoyed under our tents; and for the success which has followed our labors in the diffusion of the principles of Odd Fellowship, we would now enter upon another year with new courage, fired with a new zeal, and nerved with a stronger arm.

The Patriarchal branch of the Order in this Commonwealth, as appears from the returns of the Subordinates, embraces *one thousand seven hundred and seventy-seven Contributing Members*. During the past year only one member has been expelled. The suspensions have been few, and mostly for non-payment of dues. It is a remarkable fact, that, in this large number of members, only ten deaths have occurred, being about 1 out of 180.

The question of the removal of Menotomy Encampment from West Cambridge to Medford, which, at our last session, was again referred to the Grand Officers for a rehearing and final action thereon, has been carefully considered by that body, and after hearing all parties interested the Grand Officers determined that Menotomy Encampment should be removed to Medford, and it was accordingly removed. The proceedings of the Grand Officers, and their final decree in the premises, are annexed to this Report, and marked A. B.

On the first day of April last, the Grand Patriarch received a letter, under the seal of Wompatuck Encampment, No. 18, dated March 28th, communicating a Resolution of that Encampment touching the matter of the tax imposed upon the Subordinates by the Grand Encampment, at its session in February last past. This Resolution is couched in the following terms, to wit:

“Resolved, That we, as members of Wompatuck Encampment, stand ready to pay this tax whenever the Clause in the Constitution of

the Grand Encampment of the United States, or the Grand Encampment of Massachusetts, shall be shown to us, which gives the power to levy such a tax."

It will be observed by every one, that the condition precedent to the payment of the tax contained in this Resolution, required the Grand Officers or the Grand Encampment to argue the question of its own jurisdiction before, and to the satisfaction of one of its own Subordinates, as a tribunal and final umpire.

After a careful consideration of the circumstances, the Grand Patriarch addressed a letter to Wompatuck Encampment, stating the pecuniary condition of the Grand Encampment; its ordinary resources and expenditures, and its claims upon its Subordinates for support, with a suggestion, that, if that Encampment were dissatisfied, and wished to contest the right of this Body to impose a tax upon them, they could pay the amount levied upon them under protest, and carry the question up by appeal for the decision of the Grand Lodge of the United States.

The only answer received to this Communication of the Grand Patriarch is a verbal one, made by some of the members of that Encampment to one of the Grand Officers, that they had received the letter of the Grand Patriarch, but they wanted "constitutional reasons and not advice."

On the fifth of May, by direction, the Grand Scribe addressed a letter to that Encampment, requesting them to notify the Grand Officer whether they would pay the tax imposed or not. To this letter, an answer was received under the seal of Wompatuck Encampment, dated May 10th, offensive in its terms and contemptuous in its bearing towards your Body and your Grand Officers, and virtually refusing to pay the tax, except upon the condition before mentioned.

The correspondence and statements relative to this subject, were submitted to a meeting of the Grand Officers, holden on the 22d day of May last, who, after examining the same, unanimously advised the Grand Patriarch to suspend that Encampment for their insubordination aforesaid.

On the 22d day of May last, accompanied by P. G. P. Ellison and our Grand Junior Warden McClellan, the Grand Patriarch went to Hingham and into Wompatuck Encampment; and for their insubordination and contemptuous bearing towards this Body, and your Grand

Officers, suspended the same for and during the pleasure of the Grand Patriarch and of the Grand Encampment; and ordered the Chief Patriarch then present to deliver up the work-books of said Encampment to our W. D. D. G. P. Hersey, of that District, and enjoining upon said Encampment not to hold any sessions or do any work, as an Encampment, for and during the term of such suspension.

This act of your Presiding Officer was a painful and most unwelcome duty,—one which he strove earnestly, but unavailingly, to avoid. Had Wompatuck Encampment paid the tax under protest, and in the form of an amicable suit, carried the question to the proper appellate jurisdiction, the Grand Lodge of the United States; or had they asked the advice of the Grand Officers, or requested them to point out the authority under which the Grand Encampment acted in the matter, without appending the offensive and contemptuous condition precedent which forms a part of their Resolution, no collision could have taken place between this Body, or its Officers and themselves. These Patriarchs have evidently mistaken their rights, and stand in a false position. The Grand Patriarch is the executor of your wishes; he is bound by his obligation to enforce every law of your Body, nor can any Subordinate, except in a legal and proper manner, refuse obedience with impunity.

The Grand Patriarch would respectfully recommend, that, while you see to it that the authority of your Body be fully vindicated, that a course, mild and conciliatory as their present unfortunate position will justify, be adopted towards Wompatuck Encampment. The correspondence, &c., with the doings of the Grand Officers relative to this matter, are annexed to this Report.

Hitherto Visitation and Withdrawal Cards have been furnished by this Body for its Subordinates, at the cost price paid for them in Baltimore. The Grand Lodge of this State derive a revenue from the sale of these cards to its Subordinates at an advanced price. Whether the Grand Encampment will adopt a similar course, is submitted for your consideration.

To many of the members of this Body, it is probably unknown that the Grand Encampment possesses no banner, to be used in processions and other occasions which may call us before the public. The Grand Lodge has its appropriate banner, and many of our Subordinates make a beautiful display of this emblem of their identity. Whenever the

Grand Encampment is in the possession of funds which can be spared for that purpose, it is recommended that such an appropriation be made as will secure for this Body a good banner.

The Finance Committee will present you their Report, from which it will appear that the Grand Encampment is free from debt, and that there remains in the treasury a small fund to meet future contingencies.

Four only of the D. D. G. P.'s have made report of their doings, to wit, from Districts 11, 13, 20, and 23, from which it appears, that in these Districts the Order is in a flourishing condition, and that they maintain a steady adherence to the landmarks and work of the Order.

Since our last session, two new Encampments, then chartered by this Body, have been instituted. viz. : Green River, No. 27, at Greenfield, and Wells, No. 28, at North Adams, both of which are in a highly prosperous condition.

Permit me, in this my final report, to render to you my most heartfelt thanks for that spirit of kindness with which you have uniformly both borne and forborne with me as your Presiding Officer, for your advice and aid in the performance of my duties.

I return to you the trust committed to my hands unimpaired. Our beloved Order is increasing in its numbers, in the respect of the community, and, may we not hope, in its labors of love and mercy.

SAMUEL WELLS, *Grand Patriarch*.

Voted, That the M. W. Grand Patriarch's Communication be referred to a Committee of three, for the purpose of dividing the subjects therein contained, so that they may be separately considered by this Grand Encampment; and that the Committee have authority to appoint Committees upon its several divisions.

The Grand Patriarch appointed P. G. P. Prince, Reps. C. A. Smith and H. Williams.

The Protest from the Middlesex Encampment was then taken from the table, and Rep. Prescott was allowed to read so much thereof as he considered contained constitutional objections to the action of the Board of Grand Officers, in the removal of Menotomy Encampment to Medford.

A motion was made by Rep. Joseph Wells to reconsider the vote passed at the last February Session, whereby Massachusetts and Tri-Mount Encampments were directed to pay Wachusett Encampment the fees for initiating and exalting Patriarchs from Northampton and Greenfield.

Voted, To lay the motion on the table until the next session of the Grand Encampment.

Past Grand Patriarch Wm. Ellison then installed the Officers elect, viz. :—

WM. E. PARMENTER,	Grand Patriarch.
HARGREAVES LORD,	Grand High Priest.
WM. H. WARNER,	Grand Senior Warden.
WM. H. JONES,	Grand Scribe.
JOSEPH NEWMARCH,	Grand Treasurer.
P. K. HILLS,	Grand Junior Warden.

The M. W. Grand Patriarch appointed Dexter Bowker Grand Sentinel, who was duly installed into office.

The M. W. Grand Patriarch appointed Reps. Horace Williams, David Ayers, and W. H. Parker, Committee on Finance.

The Committee to whom was referred so much of the Grand Patriarch's Communication as relates to Wompatuck Encampment, submitted the following Report :—

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred so much of the Grand Patriarch's Report as relates to Wompatuck Encampment, respectfully report:—

That they find the circumstances of this case to be as stated by the M. W. Grand Patriarch. At the last session of the Grand Encampment, it was ordered "that a tax be laid upon each Encampment equal to twenty cents on each and every member." To the payment of this tax Wompatuck Encampment demurred, not in terms of absolute refusal, but in such manner as to amount to such refusal. The Encampment required of the Grand Officers an explanation of the laws authorizing the imposition of such tax as a condition precedent to its payment. Upon the remonstrance of the Grand Patriarch against this position of the Encampment, and upon his courteous and full instruction of the method to be pursued to remedy any illegality, the Encampment still persisted in its offensive course; and to a Communication,

sent by direction of the Grand Patriarch, by the Grand Scribe, a disrespectful response, reiterating its former determination, was returned by the Encampment. The Grand Patriarch then proceeded, with the advice of the Board of Grand Officers, to suspend Wompatuck Encampment from its rights and privileges as an Encampment.

Your Committee have taken occasion to refer to the laws by which the Grand Encampment is authorized to require the payment of dues by its Subordinates. They find that by Div. IV, Art. I, Sec. 7 of the Digest of Laws of the Order, that the Grand Encampment has authority to require the payment of dues to defray its expenses. This law sufficiently empowers the Grand Encampment to impose its taxation upon its Subordinates, in such measure as it shall find necessary for its support. There cannot be a question as to the legality of the order passed at the February session.

But your Committee are not aware that the legality of the order of the Grand Encampment is at all essential in the determination of this question, and it is only alluded to as showing that the ground of the objection, made by the Wompatuck Encampment, is untenable. It certainly is not the duty of the Executive of this Body to discuss with Subordinates the legality or propriety of the laws and instructions of the Grand Encampment. The supreme authority of the Order has carefully guarded against the abuse of power, by ample and liberal provisions for appeal and remedy, and neither the Officers of this Grand Encampment, nor the Subordinates under its government, have a right to refuse obedience to its enactments until they are pronounced unconstitutional by the Grand Lodge of the United States.

In refusing to pay the tax imposed by the Grand Encampment, Wompatuck Encampment has been guilty of insubordination; and the Grand Patriarch, in the exercise of his high prerogative, in suspending the Encampment, has, in the opinion of your Committee, most properly and necessarily vindicated the authority and laws of this R. W. Body.

Your Committee feel bound to recommend the confirmation of the doings of the Grand Patriarch, with a provision which will allow the reinstatement of the Encampment, by an act on the part of its members, acknowledging the incorrectness of their conduct. They, therefore, recommend the adoption of the following Resolutions:—

WM. E. PARMENTER,
B. H. DAVIS,
LOUIS DENNIS.

1. *Resolved*, That this Grand Encampment hereby approves and sanctions the doings of the Grand Patriarch, in the suspension of Wompatuck Encampment, and declares that the said Encampment is suspended during the pleasure of the Grand Encampment, provided that the said Encampment, by payment of its dues to the Grand Encampment, and the expenses of the Grand Officers, in their visit for the purpose of the suspension, within three weeks from the time of notice given by the Grand Scribe, shall be reinstated in its full rights.

2. *Resolved*, That the Grand Scribe be instructed to communicate the foregoing Resolution to Wompatuck Encampment; and in case of its non-compliance, to take proper measures to secure the books and property of the Encampment.

On motion, the Report was accepted and Resolutions adopted.

The Committee appointed on that part of the Grand Patriarch's Communication which relates to Travelling and Clearance Cards, submitted the following Report, which was accepted and recommendation adopted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred that part of the Grand Patriarch's Communication referring to the price of Visiting and Withdrawal Cards, would respectfully recommend that the price of those cards be increased to ten cents each, from and after this session.

Respectfully submitted,

WM. E. PARMENTER,
WILLIAM ELLISON.

Boston, August 2, 1848.

P. G. P. Case submitted the following Resolution, which was adopted.

Resolved, That the thanks of this Grand Encampment be, and are hereby unanimously tendered to Past Grand Patriarch Samuel Wells, for the ability and urbanity with which he has presided over its deliberations, and watched and guarded the interests of the Encampment branch of our beloved Order, during the official year just closed.

A motion was made by G. H. P. Lord, that the Representatives of this Grand Encampment to the R. W. Grand

Lodge of the United States, be instructed to use their influence to procure the restoration of the three months' term;— which was decided in the negative.

The following was submitted by Rep. Prescott :—

I. O. O. F.,

OASIS HALL, Boston, Mass., Aug. 2, 1848.

The undersigned, being a minority of the Grand Encampment of Massachusetts, respectfully appeal to the Grand Lodge of the United States, from the action of the said Grand Encampment of Massachusetts, in the following particulars :—

1st. At the August Session, 1847, and the February Session, 1848, the said Grand Encampment referred the Petition of Menotomy Encampment and others, for leave to remove the location of the said Menotomy Encampment from West Cambridge to Medford,—being out of the vicinity that had before that time been tributary to the said Menotomy Encampment, and within the vicinity that had been tributary to Middlesex Encampment,—to the Grand Officers of the said Grand Encampment for final adjudication.

We appeal from this decision, on the ground that the removal involved the *alteration of a charter*,—a legislative act, which the Grand Encampment could not confer upon any other body the power to perform, since such reference would be a delegation of “*its legislative functions.*”

2d. At the final hearing of the case, in May, 1848, the Grand Officers refused to allow an exception to their competency, taken for the purpose of contesting the same before the Grand Encampment of Massachusetts, and “ordered and decreed” the removal aforesaid, which was immediately made. The Grand Encampment sustained the Grand Officers in the aforesaid decision.

We appeal from that decision, on the ground that it is a dangerous assumption of power by the Grand Officers, because it leaves no means of redress to Subordinates and individuals, however gross may be the injuries inflicted by the Grand Officers; thus constituting them “*an independent portion of the governing power,*” and annihilating the right of appeal to that body to which they are accountable, and through which to the Grand Lodge of the United States.

3d. During the said hearing, testimony was admitted that was en-

tirely irrelevant to the case, and which could not be legally or justly allowed, and to which exception was taken at the time.

We appeal from the decision rendered, on the ground that it was influenced by, and in part based upon, the aforesaid extraneous evidence.

4th. During but a small part of the hearing was there more than a quorum of the Grand Officers present; and during a large part of the time there was less than a quorum; and one of the Grand Officers present had prejudged the case, and "*declined hearing any further evidence.*"

We appeal from the decision, on the ground that the absence of a quorum, at any time during the trial, or that the prejudice of one of the judges in the case, whose presence was necessary to form a quorum, were either of them fatal to the decision, because it did not secure to the remonstrants in this case "*a fair and impartial trial.*"

5th. At the session of the Grand Encampment, in August, 1848, Middlesex Encampment asked leave to put in a Protest against the aforesaid action of that body and its Board of Grand Officers. Leave was granted, but the reading was arrested and sustained for alleged personalities.

We appeal from that decision, on the ground that it was a forced construction, as the clause objected to was not uncourteous towards the Grand Encampment, and did not employ language improper to convey a knowledge of the ground of complaint.

AUGUSTUS L. BARRETT,
WM. C. PRESCOTT,
WM. H. RICHARDSON, JR.,
F. J. TAY,
CHARLES LEWIS.

On motion, it was voted to pay the O. Sentinel four dollars for his services.

On motion, at 8 o'clock, P. M., the Grand Encampment adjourned *sine die*.

Attest :

WM. H. JONES, *Grand Scribe*.

The Finance Committee submitted the following Report, which was accepted and referred to a committee of three, to take into consideration the subject matter contained therein. P. G. P. Ellison, P. G. P. Wells, and Rep. Parker.

Report of the Finance Committee.

To the R. W. Grand Encampment of Massachusetts :

The Committee of Finance respectfully report,—That they have examined the books of the Grand Scribe and Grand Treasurer, and find them correct.

The GRAND SCRIBE had in his hands, Aug. 1, 1848,	\$89.40
He has received from Subordinate Encampments,	189.60
	<hr/> \$279.00

The GRAND SCRIBE has paid to the GRAND	
TREASURER, - - - - -	\$200.00
His own salary for six months, - - - - -	50.00
Incidental expenses of office, - - - - -	2.70
Cash in hands of GRAND SCRIBE, - - - - -	26.80
	<hr/> \$279.00

The GRAND TREASURER had in his hands, Aug. 1,	\$160.69
Received from GRAND SCRIBE, - - - - -	200.00
	<hr/> \$360.69

The GRAND TREASURER has paid sundry bills,	
amounting to, - - - - -	\$305.80
Cash in hands of GRAND TREASURER, - - - - -	54.89
	<hr/> \$360.69

The assets of the Grand Encampment consist of :

Cash in the hands of the Grand Scribe, - -	\$26.80
" " " " Grand Treasurer, -	54.89
Amount due from Subordinate Encampments, -	109.25
	<hr/> \$190.44

Among the Subordinates indebted to this Grand Encampment, is Middlesex Encampment, No. 9, which is indebted in the sum of

\$17.75, being for cards, tax laid by the Grand Encampment in February last, semi-annual dues, &c., a part of which debt has been due since August, 1845. Your Committee would therefore call the attention of the Grand Encampment to the subject, for such action as your R. W. Body may deem expedient.

The financial affairs of the Grand Encampment are not in so flourishing a condition as we might wish to find them ; and in calling your attention to the subject, we have no hesitancy in saying that the present resources of the Grand Encampment are entirely inadequate to pay its current expenses.

Your Committee beg leave to submit an estimate of the expenses of the Grand Encampment for the current year :

Rent of office, - - - - -	\$100.00
Salary of Grand Scribe, - - - - -	100.00
Printing, - - - - -	100.00
Grand Lodge of the United States Representatives	
tax, - - - - -	40.00
Expenses of Grand Representatives, - -	100.00
Incidental expenses, - - - - -	75.00
Due Grand Lodge of United States for cards, -	25.00
	<hr/>
	\$540.00

To pay the expenses of the Grand Encampment,	
there is in the hands of the Grand Scribe, -	\$26.30
Cash in the Grand Treasurer's hands, - -	54.89
Amount due from Subordinates, - - - -	109.25
Estimated amount of semi-annual dues from Subor-	
dinate Encampments for the current term, -	140 00
	<hr/>
	\$330.44

leaving a deficit to be provided for, of **\$209.56**.

The Committee of Finance are of the opinion that the Grand Encampment will not receive, during the current year, as per centage on initiations in Subordinate Encampments, a greater sum than is set down in the estimate herewith presented—that estimate being based upon the returns for the last term. There is no good reason to hope that for the present term there will be a greater number of new members admitted than there has been during the past six months ; and

unless that number is trebled, there will most assuredly be a deficit to provide for.

Your Committee feel confident that the Grand Encampment cannot longer rely with safety on the per centage on initiations alone, for a revenue sufficient to defray its expenses ; some other source of revenue is absolutely necessary to its existence ; and would, therefore, recommend that the constitution be amended to the effect, that in addition to the per centage now paid by Subordinate Encampments to the Grand Encampment, they also pay fifteen cents per year on each contributing member.

Your Committee herewith submit an amendment to the Constitution to that effect.

Respectfully submitted,

HORACE WILLIAMS,
DAVID AYERS,
W. H. PARKER.

Boston, January 31, 1849.

Proposed Amendment to the Constitution of the Grand Encampment.

ART. 6. SEC. 5. Add at the end of the section, "and at the rate of fifteen cents per annum on each and every contributing member."

The Grand Patriarch submitted his Semi-Annual communication.

Grand Patriarch's Communication.

To the R. W. Grand Encampment of Massachusetts :

I extend to you my hearty congratulations upon the occasion of your semi-annual assembling, for the purpose of examining and deliberating upon the condition of the Patriarchal Order in this jurisdiction.

Since the Annual Session, in the discharge of the duties of my office, I have appointed deputies for the several districts, and have performed such other preliminary acts as were necessary for the proper prosecution of the business of the Grand Encampment for the yearly term. In all this I have profited by the efficient assistance and experience of the Grand Scribe.

I regret to make known to you that the Patriarchs of Wompatuck Encampment did not avail themselves of the condition provided at the

last session, upon which it was within their power to become reinstated as an Encampment. Your wishes were made known to them, but they declined compliance. The Encampment is therefore suspended. Owing to some misunderstanding, as I am informed, the effects of the Encampment have not been rendered into the hands of the Grand Scribe.

You will be called upon, at this session, to take measures for the improvement of the financial condition of the Grand Encampment. It is to be desired that this subject should be properly understood; and that, if practicable, the finances of this body be placed upon a certain and permanent basis. I invite your attention to the details submitted by the Finance Committee.

But few of the District Deputies have submitted to me their reports. Such as I have received disclose a highly favorable condition of your jurisdiction. I am persuaded that the state of the Subordinate Encampments generally exhibits health and soundness, although there are but few indications of great activity and increase.

I thus briefly commend to your wise and careful action, at this time, the interests of those for whom you have met to legislate.

WM. E. PARMENTER, *Grand Patriarch.*

Voted, That the communication be received and spread on the Records.

Communication from the Grand Encampment of the State of New York, containing the following resolution, was read and placed on file :

“*Resolved*, That it is hereafter necessary that all travelling and other cards shall be countersigned by the Grand Scribe [John I. Davies] of this Grand Encampment; and that all Subordinate members of Encampments now holding cards, be notified by the officers of their respective Encampments, that said cards must receive the signature of the Grand Scribe.”

A communication received from D. D. G. P. William A. Ayres, in relation to fine against Wachusett Encampment ;

the return not being sent in in season, on account of sickness of Br. Ayres ; was read, and on motion

Voted, That Wachusett Encampment be excused from paying the fine.

A Petition from ten members of Wompatuck Encampment to be reinstated, was received, and referred to a committee of three—Reps. Tozer, Livermore, and Davies.

On motion,

Voted, To take from the table the motion of Rep. Joseph Wells, submitted at the last session, "To reconsider the vote passed at the last February session, whereby Massasoit and Tri-Mount Encampments were directed to pay Wachusett Encampment the fees for initiating and exalting Patriarchs from Northampton and Greenfield," and refer the same to the next session for action thereon.

Voted, To take a recess of fifteen minutes.

Grand Encampment called to order.

Voted, That P. C. P. Gerrish, of Annawan Encampment, (without his certificate,) be admitted and instructed.

D. D. G. P. Peck stated that the reason the return of Mt. Holyoke Encampment was not sent in season, to be exempt from a fine, was on account of two of the officers elect being sick, and were not able to attend to be installed.

Voted, That Mt. Holyoke Encampment be excused from fine.

The Committee on Elections and Returns reported upon the Certificates of Representatives ; whereupon it was

Voted, To accept the Report and admit and instruct the Representatives.

The Representatives in waiting who had not been in-

structed in the G. E. degree, were then introduced and instructed therein.

The Committee to whom was referred the Financial Report, made the following, which was accepted :

To the R. W. Grand Encampment of Massachusetts, I. O. of O. F.

The Committee to whom was referred the subject matter of the Report of the Finance Committee, have attended to their duty, and ask leave to report ; That the Grand Scribe be requested to make an arrangement with the Grand Lodge of Massachusetts, so that the occupancy of the room now used by the Grand Encampment, be given up, and that a part of the front office be hired of the Grand Lodge for the use of the Grand Encampment, provided that the expense shall not exceed the sum of twenty-five dollars per annum. Your Committee would also recommend that the Grand Scribe be directed to dispose of such part of the furniture belonging to the Grand Encampment as is not absolutely required for the transaction of its business. They

would also suggest to the Grand Encampment the propriety of holding but one session a year.

The Committee would also recommend that an annual tax be levied upon each Subordinate Encampment under this jurisdiction, equal to ten cents upon each contributing member—said tax to be based upon the returns of the Subordinates made at the annual sessions.

All of which is respectfully submitted,

WILLIAM ELLISON,
SAMUEL WELLS,
W. H. PARKER.

On motion,

Voted, That the several items; rent, disposal of property, and annual tax—be taken up and acted upon separately.

The different subjects were disposed of as follows :

Voted, To adopt the recommendation in relation to rent.

Voted, To adopt the recommendation in relation to disposal of surplus property.

Voted, That the recommendation in relation to tax, lie on the table, as an amendment to the Constitution,—and the subject be re-committed to the same Committee to be reported on at the next session.

On motion,

Voted, That the Committee appointed at the last session “to inquire into the expediency of reducing the expenditures of this Right Worthy Grand Encampment,” be discharged.

Voted, That the report of the Grand Scribe be accepted and placed on file.

The subject of Funeral Regalia was presented, as laid down in Resolution of the Grand Lodge of the United States.

“*Resolved*, That the Regalia prescribed by the Order as Odd Fellows’ Regalia, may be worn instead of, or in connection with the funeral regalia prescribed by the laws of the Grand Lodge of the United States, as the respective State Grand Lodges and Grand Encampments may determine.”

The reading of the Report of Finance Committee was called for, and on motion of G. H. P. Lord, it was

Voted, That the Grand Scribe be directed to collect the amount due from Middlesex Encampment, forthwith.

Grand Representative Cole submitted the following Report of the doings of the Grand Lodge of the United States, at its last session :

To the Right Worthy Grand Encampment of Massachusetts.

THE undersigned, Representatives from this body to the Right Worthy Grand Lodge of the United States, having, as they hope, faithfully discharged the duty with which they were honored, beg to present the following summary of the proceedings of that body at its last session, as relating particularly to the Patriarchal branch of the Order.

Upon an examination of the able and satisfactory report of the Grand Corresponding Secretary, it will be perceived that there are, within the jurisdiction of the Grand Lodge of the United States, twenty three Grand Encampments, having 359 Subordinates ; and there are 29 Encampments in States where, as yet, no Grand Encampments have been established. The aggregate number of patriarchs is about 18,000.—the revenue of Subordinates for the year '47 '48, \$88,000—relief \$21,000. The representation from Grand Encampment was full—but notwithstanding, so quietly is this branch progressing in its usefulness, that very little legislation was proposed, or indeed seemed necessary for its steady and onward career.

Noting the Legislation of the G. L. U. S. as it transpired, we have, first, to mention a Report made by P. G. Sire Hopkins, from a Committee appointed at the Annual Communication in 1847, “ with instructions to prepare and report to the session of 1848, full and complete instructions in the whole work of the order.” This Report presented the *unwritten work written*,—it was carefully read repeatedly to the Representatives, and, with some slight amendments, adopted. Subsequently, Article 1 of the Constitution was amended, so that it reads after the word “ Odd-Fellowship,” page 15, bottom line, “ that the unwritten work of the Order shall in no wise be altered or

amended, except by an unanimous vote of this Grand Lodge—and the written work of the Order shall in no wise be altered or amended except with the concurrence of four fifths of the members of the Grand Lodge.” On taking the question on this amendment, there were 64 Ayes—Nays none.

The funeral regalia adopted at the last session was abolished, and the matter left to State Grand Bodies.

P. G. Sire Hopkins, from a committee upon the subject of Uniform Constitutions, reported the following :—“*Resolved*, That a Committee of three be appointed to prepare and report at the next Annual Session of this Grand Lodge, a form of Constitution for all Grand Lodges, and also a form of Constitution for all Grand Encampments.” This resolution, after having been once rejected by two votes, was reconsidered and adopted by 24 votes. Your Representatives believing that the adoption of uniform Constitutions by State Grand Bodies, will at once prevent similar strifes and contentions to those which have proved so injurious to the Order, in one of the largest jurisdictions, they recorded their votes in the affirmative of the question, with a full assurance of the approbation of the Body they had the honor to represent.

The following resolution was adopted—

“*Resolved*, That it is imperative upon all Grand and Subordinate Lodges and Encampments, to furnish the Officers of their respective Lodges and Encampments with the Jewels appertaining to their rank and station, as laid down in the work of the Order, on pages 28 and 9, as it is for members thereof to be clothed in suitable regalia.”

The Committee on the State of the Order, made the following Report, which was adopted.

“That Sec. 7, Art. 11, Division 4, of the Digest, declares the connection between a Member and his Encampment at once severed by his taking a withdrawal card from his Subordinate Lodge, and although his Membership is revived by the deposit of his card within one month, still his connection having temporarily ceased with Encampment, his office, if he held one at the time of his withdrawal, could not remain in abeyance, and is therefore vacated.”

A Resolution having been referred to the Committee on the State of the Order, relative to the doctrine of instruction, the Committee

reported the following.—*Resolved*, “That while this Grand Lodge recognizes the right of State Grand Lodges and Encampments to instruct their Grand Representatives in matters pertaining particularly to said Lodges and Encampments, it also deems the doctrine of instruction in matters of interest to the entire Order throughout this jurisdiction, as highly inexpedient.”

The same Committee, in answer to an inquiry, reported, “That in case a brother has neglected to pay his dues for such length of time as to be debarred by the rules of his own Subordinate, from drawing benefits while sick, he cannot be permitted, while he continues sick to come in and pay his dues so as to entitle him to benefits,” and this opinion was agreed to.

A most important matter to Subordinate Lodges and Encampments, which has not been heretofore provided for, has been accomplished in the passage of the following resolution.

Resolved, “That it shall be the duty of the Scribe of each Subordinate Encampment, to furnish to the Secretary of each Subordinate Lodge a list of the members of said Lodge, who are also members of such Encampment, and that it shall be the duty of each Secretary to advise each scribe, within a reasonable time, of the granting of a withdrawal card to any member of his Lodge, who is also a member of such Encampment ; and also of the suspension, expulsion or reinstatement of any such member.”

The importance of this resolution would seem to demand a strict compliance with its purpose—and to that end, your Representatives recommend that some measures be adopted by which the Scribes of Subordinate Encampments, under the jurisdiction of this Grand Body, be notified of, and required to comply with, the above resolution. Your Representatives entertain no doubt, but that a corresponding action will be had, in the Grand Lodge of our State.

A Special Committee appointed to report a plan for the classification of Representatives, in compliance with a law passed in 1847, and mode of drawing for their terms of service, made a Report to be found on page 129 printed journal, which was accepted. The ballots having been deposited in a box, in the manner prescribed in the report, were drawn by the Grand Marshal, as the names of the Grand Representatives were called by the Grand Secretary, when the following named

Representatives from Massachusetts, drew the numbers attached to their names :

From the Grand Lodge,	William E. Parmenter,	2 years,
“	E. M. P. Wells,	1 year.
From Grand Encampment,	Raymond Cole,	2 years,
“	Joseph B. Frost,	1 year.

By the law in question, it will be perceived that the term of service of a Grand Representative is two years, and that one only is to be elected in each year.

Having now concluded a Report of the Legislation of the G. L. U. S. upon matters of special interest to the Patriarchal department of the Order, your Representatives beg your indulgence for a moment to enable them to say one word upon two subjects only, of general interest.

From Circulars already distributed to the Encampments and Lodges in our State, the pecuniary position of the reputed Father of our Order, has been made known. Yet your Representatives, from their knowledge acquired in the G. L. U. S., feel that they should do injustice to the dignity of that Grand Body, as well as to their own sentiments, were they to forbear to urge a compliance with the very able Report of the Committee which had his case under consideration. This old and faithful Pioneer in our Order, labored hard to establish an Institution, of which we are proud, and through the influence of which thousands have been made glad. In the language of the Report, “his name is inseparably blended with our past history, and so long as our organization shall continue, the memory of his labors must survive.” Having lost an ample fortune by the casualties of life, and being too advanced to seek new occupations, the Grand Lodge looking upon him as the Father of Odd Fellowship, have made an appeal to his children, which they believe will be responded to in a manner, that will calm and make happy the few remaining years of one whose charity and benevolence have ever been conspicuous.

The great controversy which threw the Order into discord and disunion in the State of New-York, was a subject of great moment, and demanded and received the serious and careful examination of a Committee, whose sessions were constant during the session of the G. L. Notwithstanding the existence of much excitement on the part of

those most deeply interested, yet not an instance occurred, wherein the spirit of Odd Fellowship did not predominate over personal feelings.

All the questions in this unfortunate discussion were fairly met, and it is to be hoped, have been definitively settled.

Your Representatives cannot better close this imperfect sketch, than by quoting from the Grand Secretary's Report, the following paragraph.

"Massachusetts.—Odd Fellowship is no where more prosperous than in this Commonwealth. The able reports of the efficient Grand Secretary and Grand Scribe are made with great care and precision, and justly commend him to the regard of the brotherhood of Massachusetts."

Respectfully submitted,

RAYMOND COLE,

JOSEPH B. FROST, Jr.

Grand Representatives.

Voted, To accept the Report, and that the same be printed.

Grand Rep. Cole proceeded to instruct the Grand Encampment in the whole work of the Patriarchal branch of the Order.

The Committee appointed on the petition from members of Wompatuck Encampment, submitted the following report :

Grand Encampment of Massachusetts, I. O. of O. F.

OASIS HALL, BOSTON, }
January 31st, 1849. }

The committee to whom was submitted the petition of certain Patriarchs of Wompatuck Encampment, No. 18, and also so much of the Grand Patriarch's communication as refers to that Encampment, have attended to their duty, and respectfully report :—

That they have heard the particulars of the case from the petitioners who wish to be themselves reinstated without reinstating the whole Encampment, which, of course, cannot be granted to them. At the last session of the Grand Encampment certain conditions were submitted to Wompatuck Encampment, with which they have not seen fit

to comply. The committee therefore recommend that the petition for the reinstatement of Wompatuck Encampment be not granted. But for the purpose of giving one more opportunity to that Encampment to resume its former position in the Order, they would recommend that further time be granted to it to comply with the requirements of this Grand Encampment, and they therefore submit a resolution, and recommend its passage.

Respectfully submitted,

WILLIAM TOZER,
WENDELL T. DAVIS,
EDWARD M. LIVERMORE, } *Committee.*

Resolved, That should Wompatuck Encampment apply within one month from this date, in a *proper spirit*, to the Board of Grand Officers for a settlement of the difficulty now existing between it and the Grand Encampment, and shall pay its dues to this Grand Encampment, together with the expenses of the Grand Officers in their visit for the purpose of suspension—then the Board of Grand Officers be authorized to reinstate Wompatuck Encampment to the enjoyment of its full rights and privileges.

Voted, That the report be accepted and the resolution adopted.

The following amendment of the Constitution of this Grand Encampment, was offered by Rep. Joseph Wells :

“Resolved, That the Constitution be so amended that there shall be but one session of this body in each year, and that the February session be stricken out.”

Amendment offered by P. C. P. Wells :

“Resolved, That in case one session only be held by this R. W. Grand Encampment, in each year, the Constitution be so amended that the Grand Officers be empowered to grant dispensations and institute Subordinates within this jurisdiction, during vacation.”

P. C. P. Alfred Chaffin, of Wachusett Encampment, No. 10, (without his certificate,) was instructed in the ante-room and admitted.

2*

Grand Representative Frost laid before the Encampment the subject of the "Wilkey Fund and Annuity," upon which he made some pertinent remarks, and appealed to the Subordinate Encampments under this jurisdiction to sustain the Grand Lodge of the United States in the effort to relieve P. G. Sire Wilkey in his declining years.

On motion, at 1 o'clock, P. M., the Grand Encampment adjourned *sine die*.

The M. W. Grand Patriarch submitted his Annual Communication.

Grand Patriarch's Communication.

To the R. W. Grand Encampment of Massachusetts :

The return of the Annual Session brings us together once more to consult for the good of this branch of the Order under our government. I sincerely congratulate you upon the occasion, as it completes another year of successful operation of this jurisdiction in the Patriarchal department of the Order.

The condition of the Subordinate Encampments is not widely different from that in which you found them at the Semi-Annual Session. Without much increase, or many outward signs of activity, they are, I am persuaded, generally in healthful operation, and fulfil their important duty in the Order, with fidelity and success.

It is with great satisfaction that I announce to you that Wompatuck Encampment has complied with the terms required at the last session, as the condition of its reinstatement, and that it has been restored to its position in your jurisdiction. Its location is now at East Weymouth, and it has re-commenced its work with the fairest prospects of resuming its former standing and usefulness.

In connection with this subject I would say, that at the time of the suspension of this Encampment, its books and funds were in the hands of members who have never surrendered them. Those who now hold them have repeatedly refused to deliver them according to the directions of the Grand Officers, or to the Encampment upon its reinstatement. The individuals having possession of the property of the Encampment are not now members of the Patriarchal branch, but yet remain in good standing in the other branch of the Order. It would be well for you to inquire into the expediency of invoking the assistance of the R. W. Grand Lodge, in recovering the property and in rebuking this flagrant violation of good faith and solemn obligation. I would advise the appointment of a Committee for the consideration of the subject.

I regret to state to you that Middlesex Encampment is represented to be in a condition of decline, and of late it has ceased to hold its meetings. This information has been brought to us unofficially, but it may be well for you to adopt measures to ascertain its exact condition.

I resign into your hands the office which your kindness intrusted me, now that my official term has expired. I return my sincere thanks for the indulgence with which my imperfect efforts to discharge its duties have been honored, not only by you, but also by the subordinates under your jurisdiction.

WILLIAM E. PARMENTER, *Grand Patriarch.*

On motion, so much of the M. W. Grand Patriarch's Communication as relates to Wompatuck Encampment, No. 18, was referred to Reps. Ellison, Pollard and Haskell.

On motion, so much of the same as relates to Middlesex Encampment, No. 9, was referred to Reps. H. Prince, C. A. Smith and Dexter Bowker.

Boston, August 1, 1849.

Grand Treasurer.

The Finance Committee submitted the following Report, which was accepted.

To the R. W. Grand Encampment of Massachusetts.

The Committee of Finance having attended to their duty, respectfully Report : That they have examined the books of the Grand Scribe and Grand Treasurer, and find them correct.

The Grand Scribe had on hand, January 30, 1849, \$26.30

Amount received from Subordinate Encampments,

for Cards and Semi-Annual Dues, - - 127.00 \$153.30

The Grand Scribe has paid incidental expenses of

office, - - - - - 4.15

Two Quarter's Salary, - - - - - 50.00

Paid Grand Treasurer, - - - - - 99.15 153.30

The Grand Treasurer had on hand, Jan. 30, 1849,	\$54.89	
Amount received from the Grand Scribe, - -	99.15	\$154.04
The G. Treasurer has paid out, as per vouchers,	64.61	
Cash now in the hands of the Grand Treasurer,	89.43	154.04
There is due to this Grand Encampment from Subordinates,		32.75
Cash in the hands of the Grand Treasurer, - - -		89.48
		<u>\$122.18</u>

The amount above stated constitutes the entire means of this Grand Encampment to meet its liabilities, and it must be apparent to all, that some other source of revenue than we now have, is absolutely necessary to our existence as a Grand Encampment ; and we respectfully ask for this subject a careful and thorough examination.

At your last session, a vote was passed directing the Grand Scribe "to collect the amount due from Middlesex Encampment forthwith." Agreeably to this vote the Grand Scribe immediately sent a bill to Middlesex Encampment, and requested that it might be paid, but said Encampment paid no attention to it ; since then the Grand Scribe has again called the attention of said Encampment to the amount of their indebtedness, but with no better success. The amount due from Middlesex Encampment is \$17.75, a part of which has been standing four years, and your Committee now recommend that Middlesex Encampment, No. 9, be suspended.

Respectfully submitted,

HORACE WILLIAMS,
DAVID AYERS,
WM. H. PARKER.

The following amendments to the Constitution, offered at last session, (page 7,) was taken up for action.

The following document was received from the Representatives of Wachusett Encampment, and, by unanimous consent, permission to appeal to the Grand Lodge of the United States was granted.

Grand Patriarch's Communication.

To the R. W. G. Encampment of Massachusetts.

PATRIARCHS,—We have again assembled for the purpose of legislating for the Patriarchal Branch of our Order. I regret that I cannot present its condition so prosperous, as has been done by my predecessors.

In numerical strength, the Subordinates remain nearly in the same condition, as reported at the last Annual Session ; there being a decrease only, by suspension, expulsion, withdrawals and deaths, according to the returns forwarded to the Grand Scribe, of 43.

The Grand Scribe has reported to me that the returns from Menotomy Encampment, No. 3, Middlesex, No. 9, Wanackmamack, No. 16, have not been received for three terms, and Charles River, No. 22, for two terms. Section 6, Article 6, of the Constitution provides, that a Subordinate Encampment neglecting or refusing to make its returns for two regular terms, is liable to forfeiture of Charter. I submit the cases of these Encampments for your consideration.

Since our Annual Session I have received no communication from the Subordinates, which required an official answer, which indicates, that, although this branch of the Order may not be in a very prosperous, it is in a harmonious condition.

A communication has been received by me purporting to be from Wompatuck Encampment, No. 18, located at Hingham, requesting the Grand Officers to install their officers on the 2d of January last ; not recognizing such an Encampment as being under this jurisdiction, I declined answering it, and submit it together with the Report of the D. D. Grand Patriarch for your serious consideration.

Reports have been received only from Districts Nos. 1, 2, 11, 15, 17, 19 and 26. With the exception of Howard Encampment, No. 19, and Metacomet, No. 26, the Deputies report the several Encampments under their charge to be in a healthy condition, and Massasoit and Tri-Mount in a very prosperous condition. The D. D. of Howard reports that it has "just breath, and that is all." Of the other Encampments I can give no account, not having received their reports.

The D. D. of Metacomet Encampment reports it to be in as good condition "*as the average*," and at the same time presents a protest against the Tax laid upon its members at the last session for the support of the Grand Encampment, which protest will be laid before this R. W. Grand Body by the Grand Scribe.

The Grand Scribe will present for your consideration a communication received from the R. W. Grand Secretary of the Grand Lodge of the United States, in relation to the Wildey Fund.

Trusting that the deliberations of this day's Session may tend to increase the prosperity of our Order, I respectfully submit this my first Report.

WILLIAM H. JONES, *Grand Patriarch.*

The Grand Scribe submitted his Report, which was laid on the table until the Finance Committee shall have made their report.

Respectfully submitted,

ALFRED MUDGE,

Grand Scribe.

The Grand Scribe submitted the following Report on Returns, which was read and accepted :

To the R. W. Grand Encampment of Massachusetts.

The Grand Scribe would report the Returns, for the Term ending December 31st, as follows :

Nos. 1, 2, 4, 5, 6, 7, 10, 11, 12, 13, 15, 17, 21, 23, 24, 25, 26 and 28 correct.

No. 8 incorrect in whole number and standing of members.

Nos. 14 and 20 last returns incorrect, and not having been corrected cannot examine.

No. 18 incorrect, no signature of C. P. or H. P.

No. 19 error in standing of members.

No. 27 cannot examine, as no return was made in July last.

Nos. 3, 9, 16 and 22, not received.

The Grand Scribe would here remark that if the Scribes of the several Encampments would use a little more caution in making their Returns, in respect to degrees attained by Patriarchs suspended, withdrawn, deceased, &c., it would save much labor both to themselves and him.

Respectfully submitted,

ALFRED MUDGE,
Grand Scribe.

A Petition was received from seven Patriarchs of the R. P. Degree for an Encampment to be located in the town of Barnstable, to be known and hailed as Iyanough Encampment, No. 29, which was read and referred to Reps. Tisdale, G. Rep. Frost and W. W. Pierce.

A Communication from Grand Secretary Ridgely, of the Grand Lodge of the United States, in relation to the Wildey Fund and Annuity, was read and ordered on file.

The following Protest from Metacomet Encampment, No. 26, was read, and, on motion, referred to Reps. P. C. P. Samuel Wells, Thomas Barr and Charles A. Smith.

To the G. P., Officers, and Members of the R. W. Grand Encampment of Massachusetts.

BROTHERS :

The undersigned, Officers of Metacomet Encampment, No. 26, at Fall River, for this purpose appointed, *do Protest against the increased Tax* laid upon the Subordinate Encampments as onerous, drawing from the Treasury funds devoted to other purposes ; and upon Encampments situated like ours, (with few members and a large per cent of those in distant lands, from whom the collection of dues is very uncertain,) exceedingly burdensome, and, if some change is not devised, we fear the consequences will prove fatal to a portion of the country

Encampments. Having ever given our countenance and cordial support to this branch of our Order, and obeyed your mandates, our Treasurer is directed to pay the D. D. the amount claimed by the Grand Encampment, hoping that, at your next session, some action will be taken for the relief of this branch of our Order.

We remain yours fraternally,

THOMAS J. PICKERING, *C. P.*

EDWIN SHAW, *H. P.*

JAMES FORD, *S. W.*

JOHN B. HATHAWAY, *Treasurer.*

FALL RIVER, JANUARY 9th, 1850.

The following Communication from Grand Secretary Ridgely, of the G. L. U. S., was read, and on motion, laid on the table, until the Grand Representatives shall have made their report.

I. O. O. F.

Office of Corresponding and Recording Secretary, R. W. G. L. U. S.

[Seal.]

To the M. W. G. Patriarch of the Grand Encampment of Mass.

M. W. Sir and Brother,—In obedience to the resolutions of the R. W. Grand Lodge of the U. States, adopted at the session of 1849, the Grand Sire and Grand Secretary have made the assessment for defraying the expenses of the approaching adjourned and regular communication of the R. W. Grand Lodge of the United States. The assessment is six and one-fourth cents on each member, the basis of calculation being the returns made to the Grand Lodge of the United States for the year 1848-9.

The assessment on your Grand body therefore amounts to \$97 37½.

I am directed by the Grand Sire to communicate the above information to you, and to request that your Grand body will respond by forwarding the amount of your assessment, to this office, at the earliest practicable moment. Herewith I send a copy from the Journal of the Grand Lodge of the United States, of the proceedings above referred to.

In the Bonds of our Order, yours, &c.,

JAS. L. RIDGELY.

I. O. O. F.

R. W. Grand Lodge of the United States. }

The following, among other proceedings, was had at the September session, 1849. Test,

Resolved, That the pay of representatives to and officers of this body, (excepting those to whom stated salaries are allowed,) shall be three dollars per diem, during their attendance upon the sessions of the Grand Lodge of the United States.

Be it further resolved, That in addition to the above, the said representatives and officers shall also receive six cents for each mile travelled from their respective residences, to the place of meeting of the Grand Lodge of the United States, and back again ; the said mileage to be computed by the nearest mail route, between said points.

And be it further resolved, That the said per diem, allowance and mileage shall be paid by the Grand Treasurer, on the certificate of the Grand Secretary.

And be it further resolved, That to meet the payment of the said per diem, allowance and mileage, the Grand Sire and the Grand Secretary, shall make an annual assessment upon each State Grand Body—said assessment to be estimated pro rata upon the number of members of the Subordinate Lodges and Encampments of such State Grand Bodies respectively.

Grand Rep. Cole submitted the following Report of the doings of the Grand Lodge of the United States, at its last Session, at Baltimore; which was read, and, on motion, accepted and ordered to be printed.

To the R. W. Grand Encampment of Massachusetts.

The proceedings of the Grand Lodge of the United States necessarily published and in the possession of Grand and Subordinate Encampments some time previous to the ordinary presentation of the Report of the Grand Representatives, renders it unnecessary that a recapitulation of them should swell our journal and impose expense ; nevertheless, the subscribers, Grand Representatives from this Body to the Grand Lodge U. S., having attended its session held at Baltimore in September last, in conformity to usage submit the following brief Report of the Proceedings of that Body, relating to the Patriarchal Branch of the Order.

One of the most important acts of the Grand Lodge U. S. at its last Session, was the passage of the following Resolutions :

Resolved, That the pay of Representatives to and Officers of this body, (excepting those to whom stated salaries are allowed) shall be three dollars *per diem* during their attendance upon the sessions of the Grand Lodge of the United States.

Be it further Resolved, That in addition to the above, the said Representatives and Officers shall also receive six cents for each mile travelled from their respective residences, to the place of meeting of the Grand Lodge of the U. S., and back again, the said mileage to be computed by the nearest mail route between said points.

And be it further Resolved, That the said *per diem*, allowance and mileage shall be paid by the Grand Treasurer on the certificate of the Grand Secretary.

And be it further Resolved, That to meet the payment of the said *per diem*, allowance and mileage the Grand Sire and Grand Secretary shall make an annual assessment upon each State Grand Body, said assessment to be estimated *pro rata* upon the number of members of the Subordinate Lodges and Encampments of such State Grand Bodies respectively.

It will be perceived by a reference to the Journal, that your Representatives believing that the passage of the above resolutions would eventually prove injurious to the pecuniary interest of the Order, and in every respect unnecessary, voted in opposition to their adoption. There can be but little doubt, we think, that the next session will repeal them.

An adjourned session of the Grand Lodge U. S. is to be holden at Cincinnati, on the second Monday in September next, to revise its Constitution ; said revision to be presented to the G. L. U. S. at its next annual session to be holden at Cincinnati, on the third Monday in September.

The difficulty in the jurisdiction of New York has been adjusted by the granting of an additional State Grand Lodge, and the permission of Subordinates to elect to which they will be attached, the Northern or Southern district. Your Representatives viewing this procedure as departing from the established laws of the Order, and as a dangerous precedent, were constrained, however anxious for quietude in N. York, to vote throughout in opposition to what was termed a compromise. They anxiously hope, however, that good may grow out of the discussion and decision of the Grand Lodge in this matter.

The subsequent legislation of the Grand Lodge is to be in more parliamentary form. Instead of the present mode of adopting reports which are recognized as laws and so spread over the Journal in their different stages of disposition, as to render it nearly impossible to ascertain what the laws really are. Committees are to report by bill, when practicable, and its passage or rejection be attained after the manner of Congress : thus we shall have a code of laws easily accessible, and more certain in their meaning.

¶ It will be remembered that at the Session of the Grand Lodge U. S. of 1848, the work of the Order was established, not to be changed unless by an unanimous vote of the Grand Lodge. No such vote was passed at the last session, consequently the work remains as given by your Representatives at the last session of this Grand Body.

It being the duty of the senior Representative to write this Report, he will be excused, perchance, for acknowledging that he is greatly indebted to Grand Representative Parmenter, for the loan of his abstract. The following I copy from him.

Expunging of Record. It is not competent for an Encampment (or Lodge) to rescind from its minutes the record of the election of a member.—*G. Sire Kneass' decision, Proceedings G. L. U. S., Vol. III., pp. 268, 372, 391.*

Resignation in Writing. A member in good standing may sever his connection with the Order, by a written resignation.—*Ibid*, pp. 276, 327, 358.

Suspension. The suspension of a member terminates by its limitation, and he becomes reinstated without action on the part of his Lodge.—*Ibid*, pp. 383, 391.

Expulsion of Suspended Members. A member under suspension is still liable to discipline for unworthy conduct, and may be expelled.—*Ibid*, 278, 380, 390 : also 383, 391.

Rejection of Card. If an application for membership by deposit of card be rejected, the card must be returned to the applicant.—*Ibid*, pp. 277, 327, 357.

Price of Depositing. The price of the depositing of cards and the claims to benefits under them, are determined by the local authorities.—*Ibid*, pp. 281, 329, 358.

Final Card. An application for a final card may be withdrawn at any time previous to a vote thereon.—*Ibid*, pp. 279, 350, 389.

Privileges of Final Card. The holder of a final card may join in a funeral or other procession, with consent of the Lodge, having direction of the same. But not as a right pertaining to such card.—*Ibid*, pp. 279, 349, 381, 391.

Final Card Expired. A Lodge has no power over the holder of a final card after its limitation of twelve months.—*Ibid*, pp. 279, 354, 389.

Suspended or Expelled Lodges. No officer elected, nor member admitted, nor act performed by a Lodge during its suspension or expulsion can be recognized or legalized. By the reinstatement of a Lodge the rights, privileges and duties of the officers and members revive as if there had been no interruption.—*G. Sire Kneass decision, Ibid*, pp. 268, 372, 391.

Patriarch, Member of Suspended Lodge. If a patriarch be a member of a suspended Lodge, his membership in the Encampment ceases. But upon reinstatement of his Lodge and re-election to his Encampment, he cannot be charged for dues by the latter for the intervening time.—*G. Sire Kneass decision, Ibid*, pp. 268, 372, 391.

Contempt Defined. The refusal, or wilful neglect of a member to appear and answer to charges preferred against him constitutes contempt, within the meaning of the Digest.—*Div. 3, Art. 3, § 25. Ibid*, pp. 278, 380, 390.

Divorced Wife as Witness. Divorce from the bond of matrimony renders a woman competent to testify in the case of her husband. Otherwise if the divorce be from bed and board.—*Ibid*.

Display of Emblems. No member can use the Emblems of the Order by way of advertisement or public display not directly appertaining to the wants of the Order.—*Ibid*, pp. 279, 349, 363.

The above Report is most respectfully submitted, by your Representatives.

RAYMOND COLE, } *Grand Reps.*
JOSEPH B. FROST, Jr. } *G. L. U. S.*

The Communication of the G. L. U. S. in reference to Tax, was then taken from the table and referred to Reps. A. B. Ely, P. G. P. Samuel Wells, and John R. Mullin, to report on the same at this session.

The Committee of Finance submitted the following Report, which, on motion, was accepted.

To the R. W. Grand Encampment of Massachusetts.

Boston, February 5, 1850.

Finance Committee.

The Committee appointed on the Protest from Metacomet Encampment, No. 26, submitted the following Report, which, on motion, was accepted and adopted :

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom the Protest of Metacomet Encampment was committed, respectfully report :

That they have examined the subject of the Protest submitted to them, and find that at the last session of this R. W. Body such an amendment was made to the Constitution ; that, beside the payment by subordinates of fees on dues and degrees for the support of this Body, an annual per capita tax of fifteen cents should be paid by each Subordinate on each and every of its members in good standing. As a principle, the Committee are unanimously of opinion that a per capita tax upon its members operates more equally upon the Subordinate and its members than by any other method ; and the only matter of grievance in the protest, seems to relate to the amount of the tax imposed.

In consequence of a late law of the G. L. U. S., all Representatives to that Body are to be paid for their mileage and attendance out of its funds, and for the replenishing of its treasury for that purpose a per capita tax should be levied upon the Grand Encampments and through them upon their Subordinates, of six and a quarter cents upon each member.

Whether this arrangement of the G. L. U. S. is to be permanent is questionable, but whether it be retained or changed, the expense of this R. W. Body will be and remain about what they now are, and we do not believe that the Grand Encampment can be sustained at a less rate.

We, therefore, recommend that no further action be had upon said Protest.

A Petition of seven Patriarchs of the Royal Purple Degree, for a new Encampment to be located at Fitchburg, to be known and hailed as Roulstone Encampment, No. 30 ; read and referred to Reps. P. G. P. Samuel Wells, Butts and George.

The following Petition from Shâlôm Encampment, No. 12, (with document accompanying from District Deputy, submitted by Grand Patriarch,) was received, read, and referred to Reps. Warner, Bowker, and Newmarch.

To the Right Worthy Grand Encampment of the State of Massachusetts, I. O. of O. F.

Shalom Encampment, No. 12, presents the following, viz :—

At a regular meeting of Shalom Encampment, No. 12, held at Washington Hall, Roxbury, on Friday evening, January 4th, 1850, the following vote was unanimously passed, viz :

Voted, That a Committee of three be chosen, by nomination at large, to Petition the Grand Encampment for permission to remove Shalom Encampment, No. 12, from its present location to Friendship Hall, situated on Bowdoin Street, in Dorchester ; and, in accordance with the above vote, Patriarchs Stillman Stone, Solomon H. Willis, and William Withington were nominated, and the nomination was confirmed. It was then *Voted*, That one be added to the Committee, and Patriarch Joseph Byron was accordingly added.

Copy from Records.

Attest : **WILLIAM WITHINGTON, Scribe, pro tem.**

And in conformity with the duties assigned the above named Committee, We, Stillman Stone, S. H. Willis, William Withington, and Joseph Byron, do herein respectfully PETITION your Right Worthy Body for permission to remove Shalom Encampment, No. 12, from Roxbury to Dorchester, as per vote of the Encampment. The undersigned Committee do not deem it necessary to set forth in this Petition the reasons for the removal of the Encampment, inasmuch as they presume the situation of Shalom Encampment is well known to the Board of Grand Officers ; and they feel that they can advocate verbally before a Committee of your worthy Body, the removal of the Encampment in a manner far more satisfactory to themselves and all parties interested, than they can in this Petition.

Respectfully submitted, in F. L. and T.

[Seal.]

**STILLMAN STONE,
SOLOMAN H. WILLIS,
WILLIAM WITHINGTON,
JOSEPH BYRON.**

BOSTON, FEBRUARY 6th, 1850.

To the Grand Patriarch of the Grand Encampment, I. O. of O. F. of Massachusetts.

The District Deputy of Shalom Encampment of Roxbury, offers the following Report :

There are but few members of this Encampment who seem to take an interest in its affairs, and it has often been difficult to get a quorum; most of those who do the best to sustain it reside in Dorchester, and there is a general desire to have it removed there, where, from what I have been able to learn, I think the prospect is good for its continuance, as many members of Lodges who are not of the Patriarchal branch of our Order have expressed a wish to become so, could they have an Encampment within a reasonable distance from their residences. The Encampment is out of debt, and as there is no prospect of its going on prosperously where it now is, I would recommend to the Grand Encampment to grant the Petition which will be presented for a change of location.

Respectfully submitted,

A. W. POLLARD.

Rep. Ely, from the Committee on Tax of G. L. U. S., submitted the following Report which was read, accepted, and the Resolution adopted :

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the Communication of the Grand Lodge of the United States regarding Taxation by that Body, and the resolutions annexed, respectfully Report the following :

Resolved,—That the Communication and all matters connected therewith, be referred to G. C. P. Jones, G. Scribe Mudge, and Pats. Ellison, Mullin, and Ayers ; with full powers to communicate with other Grand Bodies, to devise such schemes and modes of action as may to them appear just and expedient, and to do all in the premises that they may deem for the best interests of this Body and of the Order in this State; and to report their doings at the next meeting of this Grand Encampment.

A. B. ELY, *in behalf of the Com.*

The Committee on Petition for a new Encampment at Fitchburg, submitted the following Report, which was read, accepted and Charter granted :

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was submitted the Petition of seven Patriarchs for a Charter for an Encampment to be located at Fitchburg, Report :

That, after hearing the petitioners, the Committee are satisfied that the wants of the Order require that the prayer of said petition be granted. They, therefore, recommend that a Charter be granted for an Encampment to be located at Fitchburg, in the County of Worcester, to be known and hailed as Roulstone Encampment, No. 30.

SAMUEL WELLS,
GEORGE BUTTS,
N. M. GEORGE,

Rep. Warner from the Committee on Petition of Shâlôm Encampment, No. 12, submitted the following Report which was read, accepted, and the request of the Petitioners granted.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the matter relating to the removal of Shalom Encampment, have attended to that duty, and are unanimous in the opinion that the wish of the Patriarchs of that Encampment be complied with, and that Shalom Encampment be removed to Dorchester.

All of which is respectfully submitted,

W. H. WARNER,
DEXTER BOWKER,
J. NEWMARCH.

February 6, 1850.

On motion, at 1 o'clock, the Grand Encampment adjourned to meet again at 2, P. M.

AFTERNOON SESSION, }
2 o'clock. }

The R. W. Grand Encampment assembled pursuant to adjournment.

P. G. Patriarch Parmenter, from the special Committee on that subject, made the following Report, which was read.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred so much of the Grand Patriarch's Report as has reference to the conduct of certain persons claiming to constitute an Encampment, Report :

That the records of this Grand Encampment will show that Wompatuck Encampment, which for a time was under suspension, was reinstated and its location changed from Hingham to East Weymouth. At the time of its reinstatement, certain members in possession of the charter, books, and property of the Encampment did not appear, nor did they surrender the books, &c., when demanded, and they still hold the same. These members were afterwards suspended for non-payment of dues, as appears by the return of Wompatuck Encampment. They have since formed a combination which they style Wompatuck Encamp-

ment, having its meetings at Hingham, and have had the insolence to notify the Grand Patriarch of their election of officers, as if they were in good standing. The Committee recommend that these persons be made subject to the discipline of the Order, and that Wompatuck Encampment be instructed to try them for insubordination, in refusing to surrender the books and property of that Encampment, and for acting in an illegal body as an Encampment.

Respectfully submitted,

WM. E. PARMENTER,
JOHN R. MULLIN,
HARGREAVES LORD.

Resolved, That Wompatuck Encampment be, and it hereby is instructed to proceed forthwith to file charges against, and to bring to trial for insubordination and unworthy conduct, those persons who retain the books and other property of that Encampment, and who form an illegal and irregular body styled an Encampment, and holding its sessions at Hingham.

Much debate ensued, the question recurring on the adoption of the Resolution, Rep. Frost moved the previous question, which being seconded by a majority of the Encampment, was put in the form following :—" Shall the main question be now put ?"—which was decided in the affirmative. The main question was then put :—" Will the Grand Encampment accept the Report and adopt the Resolution accompanying the same ?"—which was unanimously resolved in the affirmative.

Grand Rep. Frost presented the following Resolution, which was unanimously adopted :

Resolved, That a Charter be granted to Wompatuck Encampment in lieu of that which was originally granted, and which is wrongfully withheld from them.

The Committee appointed on so much of the Grand Patriarch's Communication, on that subject, made the following Report, which was read :

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the cases of Encampments, Nos. 3, 9, 16, and 22, have attended to the duty, and are ready to Report :

In relation to No. 3, they can only give such facts as have been presented to them by reliable sources. Your Committee is informed that there is no attendance of the members of this Encampment. it is in an unhealthy state, and there is no prospect of its condition improving.

What is said of No. 8, may be justly said of No. 9; your Committee will here call the notice of the Grand Encampment to this fact,—here are two Encampments within a short distance of each other, trying to sustain themselves; with their resources, it is evident, one or the other must cease to exist. It is not for your Committee to say which must die, for, in their opinion, there is no choice betwixt them, but both possess a precarious existence, and will leave it for the officers of the Grand Encampment to decide finally.

In regard to No. 22, the officers of that Encampment have not as yet been installed, two attempts have been made and failed.

Of No. 16, there was no one present from that Encampment, and your Committee received what information they have, from a Patriarch from New Bedford, he informing us that nearly if not all its members have gone to California, and there is no effort to hold a meeting of the Encampment.

Your Committee have merely presented such facts as their limited time would allow them to collect, and without any other recommendation, they would refer this Report and the cases of the Encampments, to the Board of Grand Officers of the Grand Encampment for their final decision.

All of which is most respectfully submitted,

H. PRINCE,
ELIPHALET HILLS,
WILLIAM N. NASSAU.

Grand Scribe Mudge moved for action on the Encampments severally, which was agreed to; and the following resolutions were severally passed:

Resolved, That the Charter of Menotomy Encampment, No. 3, located at Medford, be reclaimed.

Resolved, That the Charter of Middlesex Encampment, No. 9, located at Malden, be reclaimed.

Resolved, That any further action in relation to Wanackmamack Encampment, No. 16, located at Nantucket, be laid over until the August Session.

Resolved, That any further action in relation to Charles River Encampment, No. 22, Cambridge, be laid over until the August Session.

On motion of Grand Scribe Mudge, the following Resolution was agreed to:

Resolved, That the Hall Keeper receive \$3, for attendance and cleaning the Hall.

On motion, the following Resolution was agreed to :

Resolved, That the Grand Representatives to the Grand Lodge U. S., proceed to instruct this Grand Encampment in the Patriarchal Branch of the Order.

The Grand Encampment having been thoroughly instructed in the Work, at 4½ o'clock, P. M., it adjourned *sine die*.

Attest :

ALFRED MUDGE,
Grand Scribe.

Certificates of Reps. T. Ingraham and J. S. Barney, from Annawan Encampment, No. 8, were reported as incorrect, not having the C. P.'s signature thereon. On motion, it was

Resolved, That Reps. Ingraham and Barney, be admitted and instructed.

The Representatives in waiting, who had not received the Grand Encampment Degree, were then introduced and instructed therein.

On motion of G. H. Priest Wm. Tozer, it was

Resolved, That this Grand Encampment instruct again at 11 o'clock.

The M. W. Grand Patriarch submitted his Annual Communication, which was read, accepted, and referred to Patriarchs Ely, Lord, and Ingraham, for the purpose of nominating suitable Committees on such portions of it as it is necessary to bring before this Grand Body.

Grand Patriarch's Communication.

To the Officers and Members of the R. W. Grand Encampment :

PATRIARCHS,—Previous to retiring from the honorable and responsible office I now hold, it becomes my duty to give an account (as far as lies in my power,) of the condition of the Order within this jurisdiction.

I regret that I cannot congratulate you upon its rapid progress, or wide extension, during the year I have had the honor to preside over it. Two tents only have been spread, viz : Iyanough, No. 29, located at Barnstable, which was instituted March 21st, by P. C. P. Mullin, assisted by P. C. P. Nassau ; and Roulstone Encampment, No. 30, at Fitchburg, which was instituted March 27th, by P. G. Patriarch Samuel Wells, assisted by myself and a delegation from members of the Grand Encampment belonging to Bunker Hill Encampment.

The Charters of Menotomy Encampment, No. 3, and Middlesex, No. 9, have been reclaimed, but they have not been surrendered. I have understood from some of the officers of Charles River, No. 22, that it had surrendered its Charter : no official notice of the fact has been received by me, neither have the books, papers, and property of the Encampment been surrendered.

At the February Session, a Resolution was adopted instructing Wompatuck Encampment to proceed forthwith to file charges against,

and to bring to trial for insubordination and unworthy conduct, those persons who retain the books and other property of that Encampment, and who form an illegal body styled an Encampment, and holding its sessions in Hingham. It becomes my duty to inform you that Wompatuck Encampment has neglected to comply with the requisitions of this Grand Body. I cannot believe that the Encampment, composed as it is of some of the most worthy members of this branch of the Order, have neglected or refused to obey the mandate of the Grand Encampment out of disrespect to this Body, or to set its authority at defiance. There are, probably, some circumstances connected with this case which have deterred the Encampment from proceeding according to the directions of the Grand Encampment, which may be satisfactorily explained by its Representatives or D. D. G. Patriarch. I would recommend that a Committee be appointed to investigate the case.

You will perceive, by the Report of the Grand Scribe, that the number of contributing members is 41 less than reported at the Annual Session, 1849.

Eight District Deputy Grand Patriarchs only, have reported to me, I am therefore unable to give you full information with regard to the condition and prosperity of the Subordinates. From personal knowledge, I can report Massasoit and Tri-Mount Encampments to be in a very flourishing condition. Our worthy Grand High Priest reports Mt. Hebron to be in a good condition, although it has diminished in numbers. Our worthy P. G. Junior Warden who has charge of Merrimack, No. 7, does not present its condition in a favorable light. He asks, "What is to be the fate of the Patriarchal Branch of the Order in this State?" I shall refer, indirectly, to this subject, and leave the Grand Encampment to decide.

Patriarch Pollard, the D. D. of Shâlôm, No. 12, informs me that there has been but little change in its condition; there has been but a small increase in its numbers, yet I have reason to believe that, having pitched its tent upon a new soil, it will prosper.

Patriarch Butts, Deputy of Nahant, No. 11, reports the Encampment free from debts under which it had been laboring for a long time, and that it will, probably, present a petition to this body for a change of name.

Naomi, No. 14, has been unfortunate in losing its furniture, &c., by the fire which destroyed the Hall in which it met, in June last. The Deputy does not report the condition of the Encampment.

Patriarch Farnsworth, the Deputy of Monomake, represents the Encampment to be in good condition, and doing well.

I think it proper to allude to a subject which recently has received some attention within this jurisdiction, and which has been discussed, as it appears to me, without sufficient understanding of the difficulties pertaining to it. This subject is the union of the Patriarchal and Subordinate branches. The condition of the former Branch throughout the country, by no means requires that such a course should be pursued,

for its preservation ; and I am not convinced that if the scheme were practicable it would be expedient to sacrifice a prosperous and honorable department of the Order, with no better prospect than that of incumbering another branch with additional requirements. But, however this may be, such an union is impossible, except by the universal surrender of Charters of Grand and Subordinate Encampments throughout the entire jurisdiction of the Grand Lodge of the United States. No action of the supreme Body can be effectual, for this purpose ; for so long as seven members of any Encampment choose to hold its Charter, it is unreclaimable, and the union cannot therefore be consummated. It is not a for moment to be supposed that the great and successful jurisdictions in our neighborhood, are ready to surrender their authority ; and it is not then advisable to agitate the Order unnecessarily, by random discussions upon questions which it is beyond the legislative power of our Grand Bodies to determine.

Another important subject will be submitted for your consideration. I refer to the Report of the joint committee appointed by this Body and the Right Worthy Grand Lodge at the sessions in February last, in relation to the Tax levied by the Grand Lodge of the United States upon State Grand Lodges and Encampments. So far as dollars and cents are concerned, it would make but little difference with this Grand Encampment ; but as other principles are involved in the passage of this vote by the G. L. U. S., I recommend that the Report receive your careful consideration.

You will perceive by the Finance Committee's Report that the funds of the Grand Encampment are not in a very prosperous condition. The Tax levied by the Grand Lodge of the United States, (if paid,) and the expenses of the Grand Representatives to attend the adjourned and regular Sessions at Cincinnati, will require that some provision should be made to meet them. I leave it with you to devise the means.

PATRIARCHS,—The duties of Grand Patriarch, since I have had the honor of holding that office, have been trifling compared with those of my predecessors. Such as I have been called upon to perform, I have endeavored to discharge faithfully and for the interests of the Grand and Subordinate Encampments. I cannot leave this chair without expressing the gratitude I feel for the assistance which has been rendered me by my associates in office, and the kind and brotherly treatment which has been extended to me by every member of the Grand Encampment with whom I have been associated.

Respectfully submitted, in F., L. and T.

WILLIAM H. JONES, *Grand Patriarch.*

The action on Wanackmamack Encampment, No. 16, laid over from the February Session, was taken up ; and it being represented that the reason why said Encampment had

not transacted any business or made its Returns for the past year, was on account of a majority of its members being absent in California, it was

Resolved, That further action, in reference to said Encampment, be laid over until the next session of the Grand Encampment.

Action, in reference to Charles River Encampment, No. 22, laid over from February Session, was taken up ; and again laid on the table, until the next Session.

The Grand Encampment then proceeded to ballot for candidates for Grand Officers ; Reps. Ellison, Cutler, and Krogman were appointed a Committee to superintend the ballot.

The Grand Encampment took a recess of ten minutes.

The Committee, to whom was referred the M. W. Grand Patriarch's Communication, submitted the following Report, which was accepted, and nominations confirmed :

To the R. W. Grand Encampment of Massachusetts.

The Committee appointed on the M. W. Grand Patriarch's Communication, respectfully report :

That so much of the same as respects Wompatuck Encampment, No. 18, be referred to Reps. H. Lord, P. K. Hills, and J. R. Mullin.

That so much as relates to Menotomy and Middlesex Encampments, be referred to Reps. Warner, of North Adams, Gierlow, of Lowell, and Barney, of New Bedford.

That so much as relates to Reports of District Deputies, be referred to Reps. Rand, of Charlestown, Brayton, of N. Adams, and Chandler, of Springfield.

That so much as relates to the Finances of this Grand Body, be referred to Reps. Ellison, of Boston, Ingraham, of New Bedford, and Hills, of Lowell.

Respectfully submitted,

ALFRED B. ELY,
H. LORD,
T. INGRAHAM.

The Committee chosen at the last Session of this Grand Body, in reference to the Tax levied by the Grand Lodge of the United States at its last Session, submitted the following

Report; which was received and laid on the table, until after the election of the Grand Officers.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the subject matter of the Special Tax, levied by the Grand Lodge of the United States on the several State Grand Bodies, respectfully Report :

That, pursuant to agreement, the Committees of the R. W. Grand Lodge and Grand Encampment met together, and after due deliberation, adopted an address which has been sent to the several Grand Bodies under the jurisdiction of the Grand Lodge of the United States; and to the several Subordinates in this State :—a copy of which address we, herewith, present.

Respectfully submitted,

I. O. of O. F.

Boston, April 25, 1850.

To the R. W. Grand — of —, I. O. of O. F.

R. W. Sirs and Brothers,—The undersigned, Committees of the Grand Lodge and Grand Encampment, of Massachusetts, to whom was referred the subject matter of the Special Tax levied by the Grand Lodge of the United States on the several State Grand Bodies, have adopted the following as expressive of their views in relation to the action had by the Grand Lodge of the United States, and which they beg leave most respectfully to submit to your R. W. Body.

To arrive at a just and right conclusion it will be necessary, occasionally, to refer to the Constitution and Laws of the Grand Lodge of the United States, and to examine thoroughly the decisions heretofore made by that Body in considering proposed amendments to the Constitution.

The questions, then, which naturally arise are—

1st.—Was the amendment to Article XII of the Constitution adopted in the manner and form prescribed by that instrument, as heretofore interpreted by that Body?

2d.—Can the Grand Lodge of the United States, by resolution, impose a Special Tax, when the Constitution enumerates the several sources from which its revenue shall be collected?

Article XVIII of the Constitution provides that “any alteration or amendment of this Constitution must be offered to this Grand Lodge—in writing—at a stated meeting thereof, and, if seconded, it shall be entered on the minutes; at the next stated meeting the amendments

may be considered, and, if agreed to by two thirds of the votes given, shall become a part of the Constitution." The undersigned are of the opinion, that the amendment to Article XII, of the Constitution, was not legally adopted; inasmuch as the whole of the original proposition was not acted upon at once, but was divided and a direct vote had on the first sentence of the proposition only, and as an amendment to an amendment of the Constitution is not admissable, therefore, to divide the question of amendment is equally inadmissable.

In 1946, Grand Sire Sherlock decided that it was not in order to amend a proposed amendment to the Constitution, and on appeal being taken from his decision, it was sustained by the Grand Lodge; notwithstanding the amendment offered was merely to alter the phraseology, without changing the substantive proposition.—[Vol. 2, p. 259.]

At the very last Session of the Grand Lodge of the United States an amendment was offered to a proposed amendment of the Constitution, and was, by the Grand Sire, ruled out of order. Now, if it be not in order at the time of taking final action on a proposed amendment to the Constitution to amend the amendment, can it be in order to divide the question of amendment so as to adopt the first part and reject or lay on the table the remaining part of the proposed amendment? A motion to amend, by striking out, is declared to be out of order; but to divide the question of amendment so as to adopt one part and reject the remainder, which is in effect to amend by striking out, is held by the same Body to be in order.

The effect of an amendment to the amendment, and a division of the question of amendment, so that a part may be adopted and the remainder rejected, is the same. Your Committee are, therefore, clearly of the opinion, that, inasmuch as the amendment to Article XII of the Constitution was not acted upon as a whole but was divided and the first part only adopted, it was not legally passed—it not having been acted upon in a formal manner.

Article XII of the Constitution provides that "the revenue of the Grand Lodge shall be as follows:

- 1st. Fees for Grand Lodge or Grand Encampment Charters, \$30.
- 2d. Fees for Charter for Subordinate Lodges or Encampments, working under its immediate jurisdiction, \$30.
- 3d. Dues from Subordinate Lodges or Encampments holding warrants from this Lodge, 10 per centum on their receipts.
- 4th. Dues from State, District, or Territorial Grand Lodges and Grand Encampments, \$20 per annum for each vote they shall be entitled to in this Lodge."

Article XII of the Constitution is perfectly plain, there is no difficulty attending its interpretation, the various sources of revenue are there specifically enumerated. The Grand Lodge of the United States cannot levy a Special Tax, nor can they collect any revenue, whatever, from sources other than those set forth in Article XII of the Constitution; if additional revenue is needed to pay ordinary or extraordinary

expenses of the Grand Lodge of the United States, provision must be made by altering the Constitution first, it cannot be done by mere resolution,—and that the original mover in this matter of a Special Tax so viewed the matter at one time, as did also a very respectable minority of the Grand Lodge at a later period, is apparent upon the Record. This Tax was first presented by Representative Spooner, of Ohio, *as an amendment* to Article XII of the Constitution, in this form it was laid upon the table early in the session ; it was subsequently revived in the shape of Resolutions, and, when the question of their passage came up, P. G. Sire Kneas very properly raised the following question of order, —“whether the fourth Resolution is not an alteration of, or amendment to, the Constitution of this Body, and should then lie over to the next Session ; inasmuch as it provides for the raising of additional revenue by an annual assessment upon each Grand Body, when the 12th Article of the said Constitution provides for all the revenue collected by this Body.”

The Chair hereupon ruled,—“That the 12th Article having been amended at the present Communication, so as to require the payment of the expenses of Representation by the Grand Lodge, any law necessary to carry that into effect may be considered *as a law*, and not as a Constitutional amendment : the amendment having been made to the revenue Article, pre-supposes further action in the way of law.”

This remarkable decision was sustained by the Grand Lodge, by a vote of 52 to 24. It would be more creditable to that Body to say, that the amendment to the “Revenue Act,” alluded to by the Grand Sire, pre-supposed a Treasury afflicted with plethora, than it would to suppose that the members of that worthy Body really and seriously expected that the Treasury would be, for any considerable length of time, replenished by means of a Special Tax so unjustly and unconstitutionally imposed. Now we contend that this decision was—and, so long as it is maintained by the Grand Lodge, is—entirely subversive of that Article of the Constitution, which defines the method of its amendment ; this will be seen if we but trace, for a moment, its operation. The Grand Lodge receives an amendment to the Constitution, at one meeting, of an apparently unimportant character, takes it up at its next meeting and passes it by the Constitutional vote of two-thirds ; now for the afterpart, the majority wish to carry through a measure of a really important character, and, in order to do this, they have only to decide that it is rendered necessary by the passage of the *unimportant* amendment to the Constitution, and it thus becomes law, and, as such, must be obeyed.

Why has the Grand Lodge been particular in making a Constitutional provision that “The Revenue of the Grand Lodge shall be as follows,” if it can, at will, overstep the boundaries of the Constitution, and set aside every limit therein contained ; and, at pleasure, by resolution, open new channels of revenue, and levy special taxes at discretion. The proposition is self-evident, that, whenever the Constitution prescribes particular sources of revenue, it is beyond the power of the Body acting under such Constitution to collect any revenue whatever

other than from the sources specially enumerated. If the power of the Grand Lodge of the United States is unlimited and illimitable, why has a Constitution been adopted, what need is there of any Constitution at all?

If the whole intent and meaning of the Constitution can at once be changed by resolution, then, indeed, there is no call for such an instrument; and it were better that it never had been adopted. It never could have been intended, by the framers of the Constitution, to give to the Grand Lodge of the United States power to set at nought its provisions at pleasure, but, on the contrary, their evident intentions were to fix limits within which the legislation of that Body should be confined. Taxation and Representation ought always to go hand in hand, and this great republican principle should form the basis of Taxation by, and State Representation in, the Grand Lodge of the United States; but, in the case before us, this principal is wholly reversed,—the many are, indeed, onerously taxed, the benefit accrues only to the few. The Special Tax, levied by the Grand Lodge, is mainly paid by the older and larger jurisdictions comprising a vast majority of the whole Order, while the smaller jurisdiction comprising but a small minority of the Order, control the legislation of that Body and to whose mandates the majority are required to yield implicit obedience. The jurisdictions of Northern and Southern New-York, Pennsylvania, Ohio, and Massachusetts are called upon to pay more than one-half of this Special Tax, and yet are entitled to only about one-fifth of the whole number of Representatives.

We hold, therefore, that the Special Tax levied by the Grand Lodge of the United States is unconstitutional and inexpedient, that it is unjust in its application, unequal in its operation, and that the interests of the whole Order demand its immediate repeal. We would, therefore, urge upon the Grand Lodge of the United States the importance and necessity of reconsidering the whole subject at the earliest possible moment, believing that the present arrangement, if persisted in, will be of incalculable injury to the Order. And we deem it highly important to the existence of the Institution, that a determined and well-directed effort should be made on the part of the several State Grand Lodges and Grand Encampments, to the end that the Special Tax imposed at the last Session may be abolished; and the amendment to Article XII of the Constitution may be reconsidered, or declared not to have been legally adopted.

Very respectfully and fraternally yours,

P. K. HILLS,
CHARLES S. BURGESS,
Com. of Grand Lodge.

WILLIAM H. JONES,
DAVID AYRES,
JOHN R. MULLIN,

Resolved, That he be admitted and instructed.

On motion, it was

Resolved, That when we adjourn, we adjourn at half-past 12, to meet at 2, P. M.

The following Petition from Nahant Encampment, No. 11, for change of name, was read, and on motion, it was

Resolved, That the prayer of the Petitioners be granted.

EAST BOSTON, JULY 24, 1850.

To the R. W. Grand Encampment of Massachusetts.

The undersigned, Officers of *Nahant* Encampment, No. 11, located at East Boston, and under the jurisdiction of your R. W. Body, most respectfully Petition for a change in the name of said Encampment. Your Petitioners are unanimous in an opinion that it would be for the benefit and prosperity of the Encampment to have its name *Samoset* Encampment, No. 11, instead of Nahant, No. 11. By an unanimous vote of its members, at a meeting held this, Wednesday evening, July 24th, 1850, we were instructed to Petition your R. W. Body for the said change. The members of the Grand Encampment are aware that this Encampment was instituted at Lynn, by the name of Nahant, and from thence removed to East Boston, under the sanction of your R. W. Body, (some two years since,) in consequence of the Encampment having become involved, and the Lynn brothers not being able or willing to sustain it there. Your Petitioners would inform your R. W. Body, that, since the removal of said Encampment to East Boston, it has been almost wholly supported by the members residing there, who have promptly paid off all demands against the Encampment, (which were contracted while at Lynn,) and are now clear from debt, with money in the treasury; while the majority of the Lynn members have either withdrawn by card, or suffered themselves to be suspended for non-payment of dues, and the remainder do not take the least interest in the affairs of said Encampment, for they never attend the meetings, and yet the Encampment still retains the name of *Nahant*; in consequence of the same, several brothers have refused to join our Encampment under that name, and have actually joined the Encampments in the city proper; your R. W. Body must be aware that this is a great detriment to the increase of our numbers, and must prove in the end ruinous to the prosperity and welfare of the Encampment. Under those circumstances, your Petitioners would humbly pray your R. W. Body to take the same into your serious consideration, and grant us our request,

Yours in F., L. and T.

On motion, the Resolution of adjournment, at half-past 12, was reconsidered; and the Grand Encampment adjourned at 12 o'clock 10 minutes, to meet again at 2, P. M.

AFTERNOON SESSION, 2 o'clock.

The R. W. Grand Encampment met, pursuant to adjournment.

P. G. P. William Ellison, from the Committee on so much of the G. Patriarch's Communication as relates to Finance, submitted the following Report, which was read and accepted:

To the R. W. Grand Encampment of Massachusetts.

The Committee appointed upon so much of the Grand Patriarch's Semi-Annual Communication as relates to the Finances of this Body, would ask leave to Report :

That, in the opinion of your Committee, the Constitutional Tax of Fifteen cents upon each and every contributing member of the Patriarchal department, is sufficient to meet the present expenses of this Body; and they would suggest that no further action is at present necessary upon the subject.

Respectfully submitted,

**WILLIAM ELLISON,
ELIPHALET HILLS.**

Rep. H. Lord, of Monomake Encampment, No. 4, submitted excuses for fines incurred for not making returns in season; and, on his motion, to excuse said Encampment from payment of said fines, it was decided in the affirmative.

Rep. C. D. Strong, of Mt. Washington Encampment, No. 6, submitted excuses for fines incurred for not making returns in season; and, on his motion, to excuse from payment of said fines, it was decided in the affirmative.

Agawam Encampment, No. 25, was excused from payment of fine incurred in January, 1850.

P. C. P's and P. H. P's, in waiting, were admitted and instructed.

The Grand Encampment proceeded to the election of Officers for the ensuing year. The Chair appointed Reps. Wm. M. Cook, S. Newmarch, S. B. Krogman, W. M. Nassau, H. Prince, L. A. Cutler, and C. D. Strong, a Committee to superintend the ballot.

The Committee appointed on so much of the G. Patriarch's Communication as relates to Menotomy and Middlesex Encampments, submitted the following Report which was read, accepted, and adopted :

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred so much of the Grand Patriarch's Communication, as refers to Menotomy Encampment, No. 3, and Middlesex Encampment, No. 9, beg leave to Report :

That, in their opinion, the best course which could be pursued, would be to leave the whole matter in the hands of the Grand Scribe, instructing him to use all exertion in his power to obtain the property of said Encampments.

Respectfully submitted,

W. H. WARNER,
JOHN GIERLOW,
JAMES S. BARNEY.

The Committee, on so much of the Grand Patriarch's Communication as relates to reports of District Deputies, submitted the following Report which was read, accepted, and the recommendation adopted :

To the Grand Encampment of Massachusetts.

The Committee appointed on that part of the Grand Patriarch's Communication, referring to the Report of the District Deputies, would submit the following :

That the synopsis of the condition of the several Encampments, as presented by the Grand Patriarch, embrace all that is necessary, so far as the information has been received by him ; but that the remissness on the part of those Deputies who have failed to send Returns, is much to be regretted ; and the Committee would recommend that, in future, instruction should be given to the Deputies, promptly to comply with this portion of their duties.

CALEB RAND,
S. W. BRAYTON,
RUFUS CHANDLER.

The Grand Treasurer submitted his Semi-Annual Report, which was read and laid on the table.

#### *Grand Patriarch's Communication.*

*To the Officers and Members of the R. W. Grand Encampment of Massachusetts.*

**PATRIARCHS.**—I wish it was in my power, in meeting you upon this occasion, to felicitate you upon the existence of a greatly increased interest in the Patriarchal branch of the Order in this jurisdiction ; but the paucity of Reports from District Deputy Grand Patriarchs, leaves me without material from which any definite judgment can be formed of the degree of prosperity or adversity existing in the Subordinates. It is to be hoped that the silence on the part of these officers does not proceed from an inability to speak favorably of the state of things in their several Districts,—that it is not a silence ominous of evil. From the few Reports which have reached me, and from my own observation, I should infer that there had been no great change in the state of the Order, since your last session.

Since your last session, Charles River Encampment, No. 22, of Cambridge, and Wompatuck, No. 18, of East Weymouth, have surrendered their Charters. Several members of the former have taken cards from the Grand Scribe, and connected themselves with other Encampments.

It will be recollected that at the February session of 1850, Wompatuck Encampment was directed to bring to trial certain members, who, wrongfully, and in disobedience of the repeated mandates of your Right Worthy Body, retained possession of the charter, books, and property of said Encampment. This duty, Wompatuck Encampment, from inability, failed to perform ; and I submit to your consideration, whether some other measures should not be adopted to reach the recusants. Perhaps it would be better to leave them to the terrors of a guilty conscience, which will sooner or later overtake those who have so outrageously violated solemn and voluntarily assumed obligations.

At the session previous to the last, the Charter of Middlesex Encampment, No. 9, of Malden, was reclaimed. No steps have been taken for the surrender of the Charter of this Encampment, and the exertions of the Grand Scribe to obtain possession of its property, have thus far proved fruitless.

I suggest to you whether it would not be expedient to reclaim the charter of Wanackmamack Encampment, No. 16, of Nantucket, as the reasons heretofore assigned for the discontinuance of its meetings still exist. Should the Patriarchs of this Encampment return from California, and manifest a desire to resume work, arrangements could easily be made for their so doing.

The fact that within the year past four Encampments have been stricken from the roll of existence, and the rumors which from time to time reach us, that others are in a precarious condition, should bring us carefully to consider whether there are any particular causes in operation, calculated to produce the extinction of those Encampments which are dependent for their members upon a limited number of Lodges, and then, often times remotely situated from the place at which the Encampment meetings are held. Have the Encampments above alluded to ceased to exist from local and temporary causes ; or does there prevail in the smaller Encampments, as a general thing, an apathy among the members, which will, unless diminished, be destructive in its effects? If we are compelled to answer this question, in any degree in the affirmative, cannot measures be adopted which will infuse new life into the Patriarchal branch of the Order, and cause it again to " bud and blossom as the rose." I would not be considered an alarmist, but does not the state of affairs, take the most favorable view we can of them, warrant me in urging the subject of these suggestions upon your attentive consideration.

At the last session of the Grand Lodge of the United States, the special tax, which was so justly odious in this jurisdiction, was repealed. It is to be regretted that that Body could not have been induced to acknowledge the unconstitutionality of the method by which it was imposed. This Grand Encampment never assumed a position in this matter which could rightfully be construed as an intention to nullify an enactment of the Grand Lodge of the United States, but simply desired that the question should have a re-hearing in that body. That

object having been attained, it now only remains for us to pay the tax for the one year it was in operation.

A system of cash payments having been adopted by the Grand Lodge of the United States, I would recommend that a similar plan be adopted by this Grand Encampment in its dealings with Subordinates. Many advantages, which would result from this procedure, will readily suggest themselves to your minds, and render unnecessary any argument from me.

From Reports which will be made to you it will be seen that the financial affairs of your Right Worthy Body are in a prosperous condition, and in my opinion will require no legislating upon the subject at this session.

May the deliberations of your session eventuate in legislation which shall secure an increased interest among the Patriarchs, add to our numbers and usefulness, and tend to secure harmony throughout the jurisdiction.

Respectfully submitted in Friendship, Love, and Truth,

P. K. HILLS,  
*Grand Patriarch.*

Petition of Patriarch Charles D. Cole, from Middlesex Encampment, was read, and referred to Reps. Ellison, J. L. Wells, and Gerrish :

*To the R. W. Grand Encampment of Massachusetts.*

The undersigned, formerly a member of Middlesex Encampment, No. 3, of Malden, would most respectfully petition your Right Worthy Grand Body, that the Grand Scribe be instructed to furnish him with a certificate, as Middlesex Encampment is now defunct.

Yours, fraternally,

CHARLES D. COLE.

Petition from Mount Hebron Encampment, for removal, read, and referred to Reps. Lord, Krogman, and Rand :

*North Sloughton, Jan. 23, 1851.*

*To the R. W. Grand Encampment of Massachusetts.*

DEAR SIRS AND BROTHERS.—At a regular meeting of Mount Hebron Encampment, No. 24, I. O. of O. F., it was unanimously voted, "That we petition the Right Worthy Grand Encampment for leave to remove the location of this encampment to Randolph, to meet in the Lodge room of Rising Star Lodge, No. 76, I. O. of O. F."

The subscribers, believing that such a removal would greatly promote the prosperity of this Encampment, and the interest of the Patri-

archal branch of the Order in this vicinity, do most respectfully petition your Right Worthy Body to remove its location in compliance with the above Resolve, and greatly oblige

Yours in Friendship, Love, and Truth,

Grand Rep. Frost submitted the following Report of the doings of the Grand Lodge of the United States, at its last session at Cincinnati, which was read, and, on motion, accepted, and ordered to be printed :

*To the R. W. Grand Encampment of Massachusetts.*

In accordance with what seems to be established usage, your Representatives to the Grand Lodge of the United States, would submit their Report.

The printed Journal of Proceedings of that body having reached the several Subordinates, precludes the necessity of presenting anything more than a brief synopsis of the business of the session.

By reference to the Journal, it will be seen, that the Grand Lodge having perceived the general disapprobation of a very large majority of the Order to the law of 1849, for raising revenue, (as expressed by the different Grand Bodies,) have repealed it by the large and decisive vote of 63 to 9. But at the same time that body still retains the system of paying its members their expenses for attending its sessions; and in order to meet this great expense to that body, the Committee of Finance were instructed to report some plan of taxation; and we have no doubt but that you will agree with your Representatives, that the Report of the Committee, which was adopted by the Grand Lodge, is the most feasible and judicious that could have been presented; for, as the demands of the Order for supplies, books, and

other properties from the Grand Lodge, is increased or diminished by its prosperity or adversity, it seems to us to be the most equal and correct method of raising a revenue.

Another subject that seems necessary to direct to your notice, is an additional By-Law, submitted by Rep. Conley, of Georgia, and which is to be found on page 465 of the Journal. It will be seen that this law deprives individual members and Subordinate Encampments or Lodges of the privilege of an appeal from the decision of a State Grand Body to the Grand Lodge of the United States, or of submitting an enquiry as to what may be the laws or usages of the Order.

The last subject that your Representatives deem it necessary to call your attention to, is the amendment of Rep. Colfax, of Indiana, to the Constitution, as adopted on page 512 of the Journal. It will be seen that this amendment deprives Past Grand Sires of a privilege heretofore guaranteed them by that instrument, viz., that of the perpetual right to a seat, and participation in the deliberations of that body.

The vote of your Senior Representative being the only one given in the negative on that question, from the State of Massachusetts, he feels it due to himself as well as to this Grand Encampment, that he should briefly explain his reasons for so voting. He has never entertained the idea that the best interests of the Order can be secured by making the Grand Lodge of the United States a strictly representative body; on the contrary, in his opinion, the stability of our organization and the security of its advantages, depends upon the perpetuity of that body. To illustrate his idea, he will suppose a case to arise, where all of the States may refuse to send their Representatives; in this case there would be no centralizing power, and consequently no universality of action, and the result would be that the greatest advantages derived from our present organization, would be lost to us.

Another reason, and one that had perhaps equal weight in his mind, was, the fact, that the Constitution of the Grand Lodge having guaranteed the privilege to the past Grand Sires as a mark of respect for services rendered, to deprive them of it without their consent is a breach of contract by one party, implying a censure and odium upon the other. Entertaining these views, your Senior Representative could not consistently vote with the majority.

Respectfully submitted,

JOSEPH B. FROST, JR.

The Committee to whom was referred the Grand Patriarch's Communication, submitted the following Report, which, on motion, was accepted, and the recommendations adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the Grand Patriarch's Report for distribution, would beg leave to Report, that they have attended

to their duty, and would recommend that so much of the Grand Patriarch's Address as referred to Wompatuck Encampment, be referred to a Committee of three, Patriarchs H. Lord, W. L. Gerrish, and A. W. Pollard.

That so much as relates to Middlesex Encampment, No. 9, be referred to the following Committee : P. G. P. W. Ellison, J. L. Barney, and J. R. Mullin.

That so much as relates to cash payments be referred to Patriarch Tozer, S. B. Krogman, and C. Rand.

The Committee appointed on Grand Scribe's Report on Returns, submitted their Report, which was accepted and adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the Grand Scribe's Report, would recommend that so much as refers to Encampments that have not made Returns for two terms or more, be referred to a Committee of three, with full power to act, either to visit or to correspond with said Encampments, if they deem expedient to receive the charter and books of said Encampments, and report at the next session of this Grand Encampment.

JOHN R. MULLIN,  
C. P. STIMPSON,  
HARGREAVES LORD.

The Grand Patriarch appointed Reps. Ellison, Tozer, and Frost, as that Committee.

On Motion, it was

*Resolved*, That Candidates be admitted at 11 o'clock.

On motion of Past Grand Patriarch Jones, the following resolution was agreed to :

*Resolved*, That the Board of Grand Officers be and hereby are empowered to receive the Charter, books, &c., of any Encampment that may surrender the same during vacations, and to grant cards to members of the same who are in good standing.

Grand Senior Warden Mullin submitted the following Report, which was accepted, and recommendation adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred so much of the Grand Patriarch's Communication, as refers to Middlesex Encampment, No. 9, would recommend that it be referred to the Committee on Grand Scribe's Report on delinquent Encampments, as appointed by the Grand Patriarch.

JOHN R. MULLIN,  
JAMES S. BARNEY.

Past Grand Patriarch Ellison submitted the following Report, which was accepted and adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the Petition of Patriarch C. D. Cole, late a member of Middlesex Encampment, would ask leave to Report,

That the Charter of Middlesex Encampment having been reclaimed by this Right Worthy Body, and the C. P. of Middlesex Encampment having refused to deliver up its books, papers, and other properties, the Committee believe it would be improper to grant cards of clearance to any of its members, until the Constitutional requirements of this Grand Encampment have first been complied with.

Respectfully submitted,

WILLIAM ELLISON,  
J. L. WELLS,  
WM. L. GERRISH.

Rep. Trask submitted an excuse from fine against Agawam Encampment, which was referred to a Committee of three, together with all other excuses to be made at this session. The Grand Patriarch appointed P. G. P. Parmenter, Reps. Lord and J. L. Wells.

The Committee to whom was referred so much of the Grand Patriarch's Communication, as relates to Wompatuck Encampment, submitted the following Report, which was accepted, and recommendation adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the subject of former members of Wompatuck Encampment, have attended to that duty, and believe that all has been done that can be, and would therefore recommend that no further action be had at present.

Respectfully submitted,

HARGREAVES LORD,  
ABNER W. POLLARD,  
WM. L. GERRISH.

The Committee to whom the Petition of Mount Hebron Encampment was referred, submitted the following Report, which was accepted, and recommendation adopted :

*To the R. W. Grand Encampment of Massachusetts.*

Your Committee to whom was referred the Petition of Mount Hebron Encampment, to remove to Randolph, would recommend to the Grand Encampment that the Prayer of the Petitioners be granted.

HARGREAVES LORD,  
S. B. KROGMAN,  
CALEB RAND.

On motion of Rep. Strong, the following Resolution was adopted :

*Resolved*, That the Grand Scribe be directed to forward to the D. D. Grand Patriarchs, with the Term P. W., an account, if any exists on the books against the Encampment of which he is to install the officers, and before proceeding to the installation he shall require the payment of the same and the amount due the Grand Encampment upon the Return for the Term just ended, for which money and Return he shall receipt to the Encampment, and forward the same to the Grand Scribe within the time prescribed by law.

Past Grand Patriarch Parmenter submitted the following Report, which was read, accepted, and the several recommendations adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee appointed to receive and act upon excuses for fines against Encampments for delinquency in making returns, Report :

That excuses have been presented by Agawam, Naumkeag, Shalom, and Mount Washington Encampments, through their Representatives.

The Committee recommend that the cases of Agawam and Naumkeag Encampments, be referred to the Board of Grand Officers, with full powers. The evidence before the Committee is not sufficient to warrant acting on them.

The return from Shalom Encampment was ready for transmission on the evening of the installation of its officers, and was given in charge of the D. D. Grand Patriarch, who officiated, and on his direction, to be forwarded to the Grand Scribe. It remained in his hands beyond the limited time, but without fault on the part of the Encampment. The Committee recommend that the fine be remitted.

The Committee would here state that this case comes under the rule which is adopted by the Grand Scribe, of considering every return which is deposited in the post office, or entrusted to an express agent, or to any other proper person, to be forwarded to the Grand Encampment office, in season to be received in due course, as having been re-

ceived in time, although accident or delay, in which the Encampment is not in fault, has occurred to prevent its arrival. The rule appears to the Committee to be a proper one.

The Mount Washington Encampment had not installed its officers until after the time for transmitting its return had expired, for the reason that a quorum of its members had not attended its meetings on the regular installation nights and subsequently; and therefore the return could not be completed. The majority of the Committee regarded this excuse as insufficient, inasmuch as it was simply pleading one omission as an excuse for another. The Committee recommend that in this case the fine be not remitted.

Respectfully submitted,

W. E. PARMENTER,  
HARGREAVES LORD,  
J. L. WELLS.

On motion, at 2 o'clock, P. M., the Grand Encampment adjourned, *sine die*.

Attest :

ALFRED MUDGE,  
*Grand Scribe.*

Rep. Lord, from the Committee on Fines, made a partial Report, which was accepted, and recommendations adopted :

[The Report not being submitted in writing, the Grand Scribe is unable to insert.]

A recess of ten minutes was had, in order to prepare ballots for candidates to the several Grand Offices.

The Grand Encampment then proceeded to ballot for candidates for Grand Officers ; Reps. A. B. Ely, William A. Bell, and J. B. Frost, Jr., were appointed to superintend the ballot.

At the request of Grand Representatives Frost and Ely, (they being engaged in counting the ballots,) Grand Rep.

Elison, from the Grand Lodge, proceeded to instruct the Grand Encampment in the Work of the Patriarchal Branch of the Order.

The Most Worthy Grand Patriarch submitted his Annual Communication, which was read, accepted, and referred to Reps. Samuel Wells, A. B. Cutler, and S. B. Krogman, for the purpose of nominating suitable Committees on such portions of it, as it is deemed advisable to bring before this Grand Body.

### *Grand Patriarch's Communication.*

*To the Officers and Members of the R. W. Grand Encampment.*

**PATRIARCHS,**—It becomes my duty, at this your Annual Session, to submit to you a Report of the condition of the Patriarchal branch of the Order in this jurisdiction. I regret that I am unable to make this Report so full as is desirable, owing to the failure of a large majority of the District Deputy Grand Patriarchs to make the reports required of them. I regret still more, that the information which has been communicated to me is of a character which urges upon me the conviction, that this branch of the Order is not in that prosperous and flourishing condition which marked it but a few years since. I trust that your wisdom will yet devise measures which will correct all this, and that we shall again see our Subordinate Encampments putting forth that vigor which the cause in which they are engaged so richly merits.

I am happy in being able to inform you, that Wanackmamack Encampment, No. 16, at Nantucket, has, since your last session, paid up its dues and resumed work.

I have been indirectly informed, that Wachusett Encampment, No. 10, of Worcester, which has failed to make its returns for the last two or three Terms, has, in fact, suspended its meetings; mainly, if not entirely from a feeling of dissatisfaction with the decisions which have been made upon a matter which will be fresh in the recollection of many members of this Body. I suggest the propriety of making an effort to heal the wounded feelings of these Patriarchs, and thereby securing the continuance of the advantages of an Encampment in so desirable and flourishing a locality as the city of Worcester.

Most of the few reports which have been received from the District Deputies, describe an alarming apathy as existing in their several Encampments, manifested, particularly, in the thin attendance upon their meetings, and, in some cases, in the falling off of members by failure to pay dues. I felt compelled to call your attention to this state of things in my last communication, and it is, therefore, unnecessary for me at this time to enlarge upon it. In this connection, how-

ever, I submit to your consideration, whether it would not be well so to amend the constitution of Subordinate Encampments as to leave the entire regulation of their financial affairs to themselves, with the exception of Degree fees. We now fix a minimum rate of dues, while we leave it optional with them to pay benefits or not. If the course suggested should be pursued, the several Encampments could adjust their dues to their expenses, including the dues to the Grand Encampment; and could continue their existence, in many cases, on a foundation of reciprocal benefit, other than the pecuniary.

The financial condition of your Right Worthy Body is such, that no legislation will be required upon it at the present time.

It has been thought by some, that the regulation adopted at your last session, with regard to outstanding demands against Subordinates might be regarded as temporary in its character. If such is in any degree the impression, would it not be well to adopt, at this time, something which should give permanency to a system of cash payments in all the transactions of this Body with Subordinate Encampments?

During the year which I have occupied the station to which your partiality elevated me, the duties have not been arduous. No new Encampments have been brought into existence, on the contrary, several have passed from the stage of being. In view of this, we must console ourselves with the reflection, that to institutions like ours, as to individuals, periods of prosperity and of adversity are in turn allotted by the Divine Ruler. As the past has been a year of adversity, let us cheerfully hope that the one upon which we are about to enter may prove full of prosperity; let us at any rate carry through it a determination, that no exertions shall be wanting on our part to make it such.

In surrendering my trust, allow me to tender you, worthy Patriarchs of the Grand Encampment, my cordial thanks for the kind manner in which you have sustained me in the discharge of my duties. To my associates in office, I also make my acknowledgements for valuable assistance cheerfully rendered. May the legislation of this session, and of future sessions, be of such a character as shall enable my successors in office to look forth upon the field of their labors, and see among numerous tents of the faithful, no other signs than those of harmony and of universal and unexampled success.

Respectfully submitted in Friendship, Love and Truth,

PHILIP K. HILLS,  
Grand Patriarch.

On motion of Grand Scribe, it was

Resolved,—That the Grand High Priest instruct in the Ante-Room, all those who present regular Certificates, throughout the day.

The Most Worthy Grand Patriarch submitted his Annual Communication, which was read, accepted, and referred to Reps. Baker, Ayres, and James M. Cook, for the purpose of nominating suitable committees on such portions of it as it is deemed advisable to bring before this Grand Body.

Grand Patriarch's Communication.

To the R. W. Grand Encampment of Massachusetts.

PATRIARCHS,—Another year has rolled on in its course, and found us again assembled for the purpose of legislating for this, the Encampment branch of our beloved Order.

The law and custom require of me at this time to report to you the condition of the Patriarchal branch of the Order, under your jurisdic-

tion. I regret being under the necessity of reporting the same as I did at the Semi-Annual session, that the principal complaint is want of interest manifested by the Patriarchs, in failing to attend the regular meetings of the Subordinate Encampments. I believe, however, this want of interest is no more marked in the Encampment than in the Subordinate branch of the Order.

Although this is a general complaint, yet there are bright exceptions; some of the Encampments were never in a more prosperous condition than at the present time. In some that have lain dormant for several years, a spark of interest has been kindled, which I believe is destined to increase to a flame, and that said Encampments ere long will be in a more prosperous and healthy condition than they could ever have been under any other circumstances.

Agreeably to your request, the Charter, Books, and other property of Wachusett Encampment, No 10, at Worcester, were called for in May last. I appointed Patriarch Ayres as Commissioner, with full power to settle all business of the Encampment which might have remained unsettled, and to transmit the property to the office of this Grand Encampment. That duty has been faithfully discharged; the Charter, Books, and Paraphernalia of said Encampment are now in possession of this Grand Encampment.

I would recommend that the Board of Grand Officers be authorized to dispose of the property of that, and all other Encampments which may come into their possession, as it is cumbersome to the office, and not suitable to be stored in ordinary places of storage.

The D. D. G. Patriarch of Howard Encampment, at Attleborough, asked for further delay in my call upon them, that they might make one more effort to revive the interest in their Encampment; and as there is no report from the Encampment, or from the District Deputy, I think that further time is unnecessary, they having had all they can reasonably ask for. And I would recommend the recall of the Charter without further delay.

The Grand Officers, by and with the assistance of Patriarch C. D. Cole, have obtained possession of the Record Books of Middlesex Encampment, No. 9. The Work Books are supposed to be in the possession of the last installed C. P. who resides in Brooklyn, N. Y., which I think may be obtained by the Grand Scribe, who contemplates visiting New York soon. I would recommend that, on application, such of the Patriarchs as shall appear in good standing, and clear of the Books of said Encampment, may receive from this Grand Encampment a card, that they may not be deprived of the privileges of this branch of the Order.

And now, when about to surrender to you the trust which your preference has placed in my hands for the past year, allow me, Worthy Patriarchs, to tender you my cordial thanks for the kind manner in which you have sustained me in the discharge of my official duties. To my associates in office, I will also tender my especial thanks for the kind and cheerful manner in which they have assisted me in the discharge of the duties of the office of Grand Patriarch. The actual

duties of the Grand Patriarch this year, unlike many former years, have been very light.

Circumstances over which I have had no control, have prevented my visiting the Subordinates, as much as I designed to at the commencement of my official term.

I trust that, the legislation of this Session may be such as will be for the good of this branch of the Order, and pleasant to my successors in office.

Respectfully submitted, in Friendship, Love and Truth,

JOHN R. MULLIN, *Grand Patriarch*.

The following amendment to the Constitution of Subordinates, submitted by Grand Senior Warden Bell, at the last Session, was taken from the table, and *adopted*.

Amend Article II. Section 2d, Clause 1st, by striking out in the second line the words "not less," and the words "than twenty-five cents per month."

The whole Clause now reads, as amended,

Clause 1st.—The regular contributions to the Encampment fund shall be at a rate to be determined by the By-Laws ; and the Encampment shall suspend all members who neglect or refuse payment of the sum so determined, for twelve months.

Grand Junior Warden George, presented the following amendment to Constitution of Subordinates, which was *adopted*.

Amend Article II. Section 2d, Clause 3d, by striking out the words "a sum not less than twenty dollars," and insert, "such sum as may be determined."

The whole Clause now reads, as amended,

Clause 3d.—In case of the death of a Patriarch, who shall be qualified as provided in Clause 2d, there shall be allowed from the Encampment, such sum as may be determined, to defray the expense of burial; which shall be paid over without delay to the deceased brother's nearest of kin. The C. P., in the absence of competent relations, shall assist in taking charge of the funeral, and receive an account of the disbursements.

The Committee to whom was referred the Most Worthy Grand Patriarch's Communication, submitted the following Report, which was accepted, and the several nominations confirmed.

To the R. W. Grand Encampment of Massachusetts.

The Committee to whom was referred the Communication of the Grand Patriarch, respectfully Report :

1st,—That so much as relates to Howard Encampment, be referred to P. G. Patriarch Wells, Reps. Ingraham and Wilson.

2d,—That the recommendation that refers to the disposal of the furniture and property of defunct Encampments, be referred to Reps. Underwood, Hayden, and Wm. H. Cook.

3d,—That so much as relates to Members of defunct Encampments, be referred to Reps. Lyon, Wilkins, and Butts.

Respectfully submitted,

WILLIAM P. BAKER,
DAVID AYRES,
JAMES M. COOK.

Past Grand Patriarch Wells, from Mt. Holyoke Encampment, presented the following Communication, which was read, and on motion of Grand Scribe, it was ordered to be spread upon the Records.

[L. S.] MT. HOLYOKE ENCAMPMENT, No. 15, I. O. O. F. of }
MASSACHUSETTS. }

NORTHAMPTON, MASS., JULY 19, 1852.

To the R. W. Grand Encampment of Massachusetts.

Mount Holyoke Encampment, No. 15, under your jurisdiction, would respectfully represent :

That from an examination of the proceedings of the Grand Lodge of Independent Order of Odd Fellows for the United States, it is apparent that a serious movement is about to be made for the abolishment of all Grand and Subordinate Encampments, and the reduction of the whole work of the Patriarchal branch of the Order to the standing of a Degree Lodge, to be incorporated with each separate Lodge.

So far as we are informed, the following are offered as the ostensible reasons for so extraordinary a change in the policy of Odd Fellowship:

1st,—Because the maintenance of the two branches is burdensome and expensive, and all the benefits can be secured at a much less expense by a union of the two under one organization.

2d,—Because the maintenance of two branches operates to create a want of interest in the Subordinate Lodge.

We have carefully examined these positions, and endeavored to give them all the weight they could demand, and cannot permit even an attempt to accomplish a measure so fraught with evil to our beloved Order as this would be, to pass without our utmost effort to prevent it.

We speak to you, Worthy Patriarchs, as to the initiated, and

therefore omit many details which would operate as objections to such a change, but we offer the following among many reasons why no such change should be made.

1st,—As to extra expense. If the several Lodges are to confer the Encampment Degrees, each Lodge must be at the expense of furniture, fixtures, regalia, jewels, &c., which is now borne usually by members from different Lodges, and this expense must also be borne proportionately by those who may never take the Encampment Degrees. If a Degree Lodge is to be instituted for several Lodges in a vicinity, it would only occupy the position now held by the Subordinate Encampment, and thus form an argument against the change. In sparsely settled portions of our country, Degree Lodges on this latter plan could not be sustained.

2d,—It is said the meetings of the Encampment and Lodge are too frequent, and take up too much time of the members; and that the union of the two would diminish them. On this head, we observe that the business of the Patriarchal branch can never be accomplished on the same evening, after the usual proceedings of a Subordinate Lodge. Much of the furniture must be changed; many of the members must be excluded, and the services are necessarily so long as to carry the business into unseasonable hours in the night, and thus give occasion for reproach from without.

This objection could be much better met by making the meetings of Encampments quarterly, and of Lodges monthly. Nor can we see that by such a change any diminution could be made in expenses for fuel, lights, attendants, and other ordinary expenses of the Encampment, inasmuch as an increase of burden would demand an increase of pay, and, therefore, it matters little to either branch on that point, whether the sum paid go to few or many.

3d,—If this change be made, the officers of the Lodge would most naturally become the officers in the Encampment branch, but here two obstacles present, which seem insurmountable. One is, that there are no officers in a Lodge corresponding with those of an Encampment, and the whole work must be re-written to make them so. The other is, that every officer of the Lodge assisting in conferring the Encampment Degrees, must be of the R. P. Degree. Some Brothers do not choose to take this Degree; others do not feel able to meet the expense required to do so. Shall we thus forbid all the offices of the Subordinate Lodge to them?

4th,—Why the sin of a lack of interest in the concerns of a Subordinate Lodge is laid at the door of the Encampment, is to us a mystery. Are there not at least other causes (if this could be proved to be one) for coldness or indifference on the part of Brothers, in the business or meetings of Lodges? But how is the fact? All speak from an experience which has not been limited to one Lodge or one State, when we say that of all Odd Fellows most engaged in the proper business, cares, or interests of our Order, our Encampment members are the most punctual in their attendance upon the meetings of the Lodge, and the least likely to shirk its duties or its burdens. It

is natural that those who have most at stake in any cause should be most willing to do or suffer for it, and so we find it. Indeed they are almost alone in their attendance at the sick beds and the burial of Brothers, although there may be some honorable exceptions.

There is, above and beyond all the ostensible reasons given by those proposing this change, another and more powerful one, having a deadly aim at the prosperity, if not the existence, of our beloved Order. It is this,—that by abolishing all Grand and Subordinate Encampments, the representation of the Order, in the Grand Lodge of the United States, will be entirely changed. There were returned at the last meeting of the Grand Lodge of the United States, 189,512 contributing members. The Grand Lodge had 89 Grand Representatives. Of this number, Pennsylvania, New York, Ohio, Maryland, and Massachusetts furnished 24, representing 120,962 constituents, and the other States and the District of Columbia furnished 65 Representatives, representing 68,550 constituents. Should the proposed change take place, the aforesaid 120,962 constituents will have 12 Representatives, and the 68,550 constituents will have 48 Representatives, as the present Grand Lodge is constituted.

Now, why is this change sought? Is it not because the Patriarchal branch in some portions of the country has not flourished and increased in the same proportion which it has in others? And is this a cause sufficient to demand what is equivalent to the abolition of this branch, and hazarding the best interests of the Order? Should it not, even now, silence any objector on this point, that while there are 24 members who each represent 5040 constituents, there are 65 members who represent only 1054 each. There must be a point beyond which such an argument cannot be safely urged, and it appears to us that no good of the Order can reasonably demand of us the sanction or adoption of such a change.

As lovers of the Subordinate Lodges, as lovers of the peace, order, prosperity, and happiness of the Brotherhood, we solemnly protest against this proposed change of our organization, and pray that you will not only remonstrate, but instruct your R. W. Representatives in the G. L. U. S., with their utmost power to stand against a measure which promises nothing but evil, hatred, disunion, and destruction to our Order.

The Most Worthy Grand Patriarch submitted his Annual Communication, which was read, accepted, and referred to Reps. Ellison, Ingraham, and Norris, for the purpose of nominating suitable committees on such portions of it as it is deemed advisable to bring before this Grand Body.

### *Grand Patriarch's Communication.*

*To the R. W. Grand Encampment of Massachusetts.*

**PATRIARCHS:**—Agreeably to the requirements of the Constitution, the Representatives of the several Subordinate Encampments are again convened for the purpose of taking into consideration the condition and wants of the Patriarchal branch of the Order in this jurisdiction, and performing such acts, legislative and otherwise, as the exigences of the Order may at this time require.

In submitting this, my first Semi-Annual Communication, I regret to say that the condition of the Order, as a whole, has not improved during the term just closed. It is true, that some few Encampments are gradually increasing in numbers and usefulness, and at the present time their prospects appear bright and flattering, while by far the largest number remain in about the same condition as when last reported.

At your last session, it was ordered that the charter of Howard Encampment be reclaimed. In conformity with the vote of the Grand Encampment, the Grand Scribe has endeavored to have the charter and books of Howard Encampment returned, but as yet without success.

Roulstone Encampment, No. 30, has resigned its charter, and I have commissioned D. D. Fessenden to receive its effects and close its concerns.

In legislating for the Order, in its present condition, we cannot be too careful. Our legislation should be general rather than specific in its character, having in view the good and welfare of the whole; and leaving, as far as possible, the several Encampments free to act for themselves, as circumstances may to them seem to require, so long as their action does not contravene any of the general laws or principles of the Order.

With regard to the chartering of new Encampments, permit me to suggest that we may safely consult the experience of the past, and if upon a survey of the whole ground, it shall be discovered that we have heretofore been too liberal in granting charters, it is to be hoped that such discovery will prove a sufficient warning to prevent the falling again into the same error. In my judgment, no new charter should be granted, unless it is rendered absolutely certain that the interests of the Order not only require the granting of such charter, but that if granted, such Encampment can and will be well sustained.

In conclusion, I would suggest that all that is necessary to retrieve the Patriarchal branch of the Order in Massachusetts from its present condition is, for its members to make a strong and united effort in its behalf, and the work is accomplished. It remains with you to say whether it shall be done. If we do our duty to the Order,—if Odd Fellowship receives at our hands those efforts to which it is fairly entitled, we can, at the close of the present term, be able to say with truth and earnestness that the Patriarchal branch of the Order in Massachusetts is indeed prosperous.

Fraternally yours,

DAVID AYERS, *Grand Patriarch.*

The following Petition from Wells Encampment, No. 28, for change of location, was read.

*To the Grand Encampment of Massachusetts, I. O. O. F.*

*North Adams, Berkshire Co., Mass., }  
Friday, January 7, 1853. }*

Believing that Wells Encampment, No. 28, now located at North Adams, if left in its present location, must from various causes fail to sustain itself, and the charter be returned to the Grand Encampment; and believing it will be for the good of the Order in the northern part of Berkshire county, and the Patriarchal branch of the Order in the

State, that Wells Encampment should be sustained, and feeling assured that by removing the said Encampment to the South Village, in the said town of Adams, that it can and will be sustained and become a flourishing branch of the Grand Encampment,

Therefore, we the undersigned, in accordance with a unanimous vote of Wells Encampment, do respectfully ask of your Grand Body for leave to remove Wells Encampment to the South Village of Adams, in the same town of Adams.

We concur in the above opinions.

On motion of Grand High Priest, it was

*Resolved*, That the prayer of the Petitioners be granted, provided two-thirds of the members of said Encampment sign a document to request the same.

Grand Rep. Ellison presented the following Report of the doings of the Grand Lodge of the United States, which was read and accepted, and ordered to be spread upon the Records.

*To the R. W. Grand Encampment of Massachusetts, I. O. O. F.*

The undersigned, Grand Representatives from the R. W. Grand Encampment of Massachusetts to the Grand Lodge of the United States, would respectfully ask leave to present the following transcript of the proceedings of the parent Institution, at its annual communication, held in the city of Baltimore, commencing September 20, 1852. There were present Representatives from thirty-one State Grand Lodges and twenty-six State Grand Encampments.

In accordance with the provisions of a recent amendment of the Constitution, the Grand Lodge, on the second day of its session, proceeded to the election of officers for the term commencing in September, 1853, which resulted in the choice of the following distinguished and long tried faithful servants of the Order:—

M. W. Grand Sire, Wilmot G. DeSaussure, of South Carolina.

R. W. D. Grand Sire, Horace A. Manchester, of Rhode Island.

R. W. Grand Cor. and Rec. Secretary, J. L. Ridgely, of Maryland.

R. W. Grand Treasurer, Joshua Vansant, of Maryland.

All of whom bring to the discharge of the important duties of their respective offices the ability and energy that will redound to their own honor, and advance the welfare of our beloved Institution.

The Annual Reports of the Grand Sire, Grand Secretary, and Grand Treasurer were presented, and were spread upon the records. Those interested in the details of our organization will be pleased to learn of the continued activity, and usefulness of the Institution throughout its jurisdiction, adding each year to its numerical strength, and

extending its dominion and keeping pace with the advancing strides of the progressive spirit of the age. The Report of the Grand Sire informs us that Grand Lodges have been established in all the States except California, and Grand Encampments in nearly all of them.

Of the constitutional amendments, proposed at the session of 1851, only two were adopted, viz: Article 14th was amended by striking out the word "Master," and inserting after the word "R. P. Degree" and G. E. Degree, thus making all Past Grands who have received the R. P. and G. E. Degree, eligible to the office of Grand Sire and D. G. Sire. Article 11th was amended by striking out the word "third" and inserting "first," thereby changing the time of meeting of the Grand Lodge of the United States to the first Monday in September.

The Grand Lodge decided that, under the existing law, a Card could not be granted by the N. G. or Secretary, or in any other manner than by the action of the Lodge. The spirit of this rule, of course, applies also to Encampments.

It was decided, in answer to an inquiry as to the right of a Lodge, in refusing to grant a Brother a Card who proposed to visit sickly climes, responded, "That the Grand Lodge of the United States, at the session of 1851, declared that Subordinate Lodges had no right to refuse a Card to a member because of his intention to visit a more dangerous climate than that in which the Lodge is located; and that unless contracted by immoral conduct, the hazard of climate appears to be one of the risks insured against."

It was decided that a Subordinate Lodge could not grant leave of absence to a Noble Grand for a majority of the nights of his term, without working a forfeiture to the officer of the honors of the term.

A document was presented, informally, from the Order in England, urging a Union with the Order in America. It was referred to a Special Committee, who reported against the annexion, and directed the Grand Secretary to return the paper to the source from which it emanated, with a copy of the Report of the Committee; together with the action of the Grand Lodge, with information that *his* office is the appropriate channel through which to approach the Grand Lodge of the United States.

It was decided that a ballot could not, under any circumstances, be re-considered, but must stand as a final judgment,—that if fraud is charged, the ballot could be scrutinized, and if fraud is established, a new ballot should be ordered; but a reconsideration is inadmissible.

Resolutions were adopted to elect a committee of five, to whom should be referred the Constitution, By-Laws, and Rules of Order of the R. W. Grand Lodge of the United States, said Committee to sit during the recess, and to report said amendments and alterations at the Annual Communication in 1853, to be acted upon at the session of 1854. This is a highly important measure, and one which has long been needed by our whole jurisdiction; and when we mention such names as DeSaussure, Colfax, Barnard, and Griffin, as members of this Committee, it is a cause of congratulation that this important work has fallen into such able hands.

It was decided that a Brother, who is a member in good standing in a

Subordinate Lodge in one State, and at the same time is a resident in another State, is a proper candidate for initiation into an Encampment at the place of his residence.

A Committee was appointed, with leave to sit during the recess, whose duty it shall be to inquire into the true relation that should subsist between dues and benefits, and to construct a table showing, upon the established principles of life and health insurance, what amount of benefits will accrue from a given amount of dues at each year of age, from twenty-one to sixty, and report at the next session of the Grand Lodge.

The subject of abolishing Encampments and of merging Encampment Degrees in Subordinate Lodges, was brought before the Grand Lodge in various forms, but was rejected.

A proposition was made, to make the continuance of membership in the Encampment independent of the Subordinate Lodge. The subject was referred to a special committee, who reported against the proposition, which report was accepted and adopted.

A resolution was passed, forty-eight to forty-one, to hold the next annual session of the Grand Lodge of the United States in the city of Philadelphia.

The undersigned have touched only upon such legislation of the Grand Lodge of the United States, as affects the patriarchial department of our order, leaving it where it more properly belongs, to the distinguished representatives from the Grand Lodge of our jurisdiction, to give you a more elaborate analysis of the acts of the Grand Lodge of the United States as affecting not only the Subordinate Lodges and the State Grand Lodges, but the order generally. Trusting that our official acts will meet the approbation of a generous constituency,

We remain fraternally yours,

WM. ELLISON,  
JOHN R. MULLIN. }

*Boston, February 2, 1853.*

The Committee to whom was referred the Most Worthy Grand Patriarch's Communication, submitted the following Report, which was accepted.

*To the Right Worthy Grand Encampment of Mass. I. O. O. F.*

The Committee to whom was referred the semi-annual communication of the M. W. Grand Patriarch, have carefully perused the document, and most fully concur with its suggestions and sentiments.

The Committee find nothing in the document submitted to them, requiring any legislation on the part of this body. In regard to the unsuccessful attempt to reclaim the charter and books of Howard Encampment, your Committee are not possessed of the present condition of the negotiations with that Encampment, and consequently have no recommendation to suggest in regard to it.

Fraternally submitted,

*February 2, 1853.*

WILLIAM ELLISON,  
T. INGRAHAM,  
E. W. NORRIS.

A petition of seven members of the R. P. Degree, for an Encampment to be located at Lawrence, was read; and, on motion of the Grand Scribe, the Grand Encampment resolved itself into a Committee of the Whole, Chief Patriarch Ayers in the chair; when, after due deliberation, the Committee rose and reported in favor of granting a charter to the petitioners.

On motion to lay on the table, it was negatived. The question recurring on the granting the Charter, it was declared in the affirmative.

The Grand Scribe submitted the following question to the Grand Patriarch:

Are the officers clothed in proper regalia in wearing only the collar and jewel?

The Grand Patriarch decided it was necessary for each officer to appear in collar or sash, apron, and gloves, agreeably to the Digest.

A communication was read from the Grand Secretary of the Grand Lodge of the United States, to wit:

I. O. O. F.

#### R. W. GRAND LODGE OF THE UNITED STATES.

---

At the annual session of the R. W. Grand Lodge of the United States, I. O. O. F., begun and held at the city of Baltimore on the 20th day of September, 1852, the following among other proceedings were had:

*Resolved*, That a committee of five be raised, by election, to whom shall be referred the Constitution, By-Laws, and Rules of Order of this Right Worthy Grand Lodge, to report such amendments thereto as they shall deem to be required by the Order.

*Resolved*, That the said committee have leave to sit during the recess, provided such session shall not exceed one week, and the same compensation shall be allowed per diem to the members of the committee as is now allowed to Grand Representatives.

*Resolved*, That the said committee be instructed to present their report on the first day of the next communication, with power to have two hundred copies of the same printed for the use of the members of this Grand Lodge.

*Resolved*, That the report of the said committee do lie upon the table during the communication of 1853, and be considered as amendments of the Constitution, By-Laws, and Rules of Order, to be acted upon at the communication of 1854.

**Resolved,** That a copy of the resolutions offered by Rep. DeSaussure, of S. C., be forwarded to the State Grand Bodies at as early a day as possible after the adjournment of this Grand Lodge, and that they be requested to submit to this R. W. Body at its next session, through their Representatives, such amendments or suggestions in reference to the constitution of this Grand Lodge as in their judgment may be necessary to accomplish the object in view.

Test,

**JAMES L. RIDGELY,**

*Corresponding and Recording Secretary.*

On motion of Grand Scribe, Grand Reps Ellison and Mullin, and Grand Patriarch Ayers, was appointed a Committee to examine the Constitution of the Grand Lodge of the United States, and report to this Grand Encampment at its annual session.

On motion of Rep. Baker, the Grand Representatives proceeded to instruct the members of this Grand Encampment in the Work of the Patriarchal Branch of the Order.

On motion, at 12 o'clock, 30 minutes, the Grand Encampment adjourned, *sine die*.

Attest :

**ALFRED MUDGE,**

*Grand Scribe.*

On motion, it was

*Voled*,—That the nomination of Officers take place at 11 o'clock, and the election at 12 o'clock.

The Chair decided that P. C. P. Barnard Green, of the late Mt. Hebron Encampment, could not be instructed in this Grand Encampment, until he connects himself with some Subordinate, under this jurisdiction; also, that Elijah Lewis, 2d, of Iyanough Encampment, No. 29, could not be instructed, as there was no evidence presented on the Records, or otherwise, that he had passed the Chairs.

The Grand Encampment proceeded to admit and instruct eleven past officers.

On motion of Grand Scribe, it was

*Resolved*,—That the Grand High Priest instruct, in the Ante-Room, all those who present regular Certificates, throughout the day.

The Most Worthy Grand Patriarch submitted his Annual Communication, which was read, accepted, and ordered to be spread upon the Records.

### *Grand Patriarch's Communication.*

*To the R. W. Grand Encampment of Massachusetts.*

**PATRIARCHS.**—We are once more convened in Annual Session, conformably to the Requirements of the Constitution, for the purpose of entering upon the discharge of those high duties which, as Representatives of the several Subordinate Encampments, devolve upon us. Let us enter upon the discharge of this important trust in the true spirit of Odd Fellowship, striving only to promote the best interests of our Order, and with a firm resolve that all our acts shall be so directed, as to insure that it shall share largely in that general prosperity which pervades every branch of industry and enterprise throughout our common country.

It is with the greatest pleasure that I can, from information gathered from the returns of Subordinates, say that this branch of our Order has made considerable progress during the last term. Wanackmamack Encampment, which for a long time has, owing to the absence of most of its members in California, been almost wholly inoperative, again gives the most convincing evidence of life; her members are again gathered together within her tent, after a long absence, and by entering anew the field of labor, have added twenty-two to their number during the last term, and from which fact it is conclusively shown that Odd Fellowship is dear to them still. Let us hope that the progress made by the several Encampments during the term just closed, is but a beginning in the good work; that henceforth the brethren throughout the State will labor diligently and unceasingly, in the great field of Odd Fellowship, to the end that our Order may enjoy the highest degree of prosperity, and to be able to fulfil to the utmost its holy and benevolent mission.

Lawrence Encampment, No. 31, was, on the 15th of March, instituted by the M. E. G. High Priest, assisted by a large number of members of the Gr. Encampment. The affairs of the Howard Encampment, No. 18, Mt. Hebron, No. 24, and Roulstone, No. 30, have been closed, and the Charters and Books deposited with the Grand Scribe. Quinshepaug No. 20, has closed up, and surrendered its Charter and Books.

Wells, No. 28, has, with the consent of the requisite number of its members and this Grand Encampment, removed from North to South Adams, in which location there is reason to hope that it will be prospered.

It will doubtless be gratifying to you, and the whole Order, to be assured that the financial affairs of this Grand Encampment are in a sound and prosperous condition, and that further legislation on this subject is not at this time required.

In retiring from this honorable post, which has been assigned to me by a generous brotherhood, please to accept my most sincere thanks, not only for the high honor conferred, but for the generous support and assistance so cheerfully rendered by associate officers and members of the Grand Encampment.

May our institution continue to be highly prospered, and each and all its members steadily maintain its lofty principles, in all the walks of life, knowing no strife, save that which aims to excel in all those graces and virtues which dignify and adorn the character of man.

Fraternally yours,

DAVID AYERS, *Grand Patriarch.*

A communication from the R. W. Grand Lodge of Texas, asking the co-operation of this R. W. Body in securing the adoption of certain resolutions relative to sick stranger-Brothers, presented to the R. On motion of Past Grand Patriarch Mullin, the Financial Reports of the Grand Scribe and Treasurer were severally taken from the table, and ordered to be spread upon the records.

The Committee on additional Representatives' Certificates, submitted the following Report, which was accepted.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee appointed to examine the Certificates of Representatives, would report the following as correct :

MASSASOIT, No. 1.—P. C. P John H. Pitman.—P. H. P. Joshua H. Pitman.

SHALOM, No. 12.—P. H. P., B. Boegner.

GREY LOCK, No. 21.—P. C. P., H. H. Holmes.—P. H. P., W. H. Murray.

LYANOUGH, No. 29.—P. H. P's Elijah Lewis, 2d.—O. M. Hinckley.

Who were admitted and instructed.

The Most Worthy Grand Patriarch submitted his Annual Communication, which was read, accepted, and referred to Reps. Ellison, Mullin and Webster, for the purpose of nominating suitable committees on such portions of it as it is deemed advisable to bring before this Grand Body.

## Grand Patriarch's Communication.

*To the R. W. Grand Encampment of Massachusetts.*

**PATRIARCHS,**—We have assembled, agreeable to the requirements of our Constitution, in Semi-Annual Session, and it is made the duty of the G. Patriarch, at this time, to present to you such information, as he may possess, in regard to the "state of the Order."

It is generally understood, I presume, that the G. P. should obtain that information through his deputies, as it is made a part of their duties, at the close of each term, to report to the G. P. upon the general state of the Order in their jurisdiction. But, I regret to say, that the law has not been complied with, so generally, as it should have been. I have received but eight reports from twenty deputies, leaving twelve delinquents. Allow me to say in this connection, that if we wish, or expect to revive this branch of the Order, and place it upon a firm basis, we must reform in this particular. The officers, Grand and Subordinate, should be prompt in the discharge of every duty. If all would do their *duty*, what a vast amount of labor would be saved to the Grand officers, and indeed, to all officers upon whom responsibility rests, or all who feel that responsibility, and if officers fail in their duties, how easy a matter it is for other members to find good reasons for not performing theirs.

From District No. 1, Deputy E. H. Tucker, Jr., We have assurance that "Massasoit Encampment is in a prosperous condition, and that this Encampment, in connection with Tri-Mount Encampment, and some of the subordinate lodges, have leased, fitted and dedicated a spacious hall, by name of Odd Fellow's Hall, where the encampment branch of the Order will be better accommodated than it has been since the loss of Oasis Hall."

Deputy Hayden of District No. 2. says, "The Encampment Branch of the Order, in my jurisdiction, is in a prosperous condition," they being connected with the Massasoit Encampment, in the arrangement of this hall indicates their prosperity.

Deputy Hills, of No. 3. says, That Monomake Encampment, though small in numbers, we are strong in the support of this Branch of our Order, and that they are about having some addition of those who are true Odd Fellows, let us have such only and we need not fear.

Our Grand High Priest, who has had charge of District No. 4, says, I installed the officers of Bunker Hill Encampment on the 4th inst., about twenty members present. This Encampment he says, has always ranked among the first in the State; but is now suffering like many others, for want of sufficient interest among its members, to attend its meetings. The lack of *work* is probably the main cause of it.

Our Grand Treasurer Cook, from No. 5, informs us that he visited Mount Washington Encampment in December, and they could hardly raise a quorum, and was informed that they had not received a member for about five years. That evening, however, they had six propositions. Visited them again on the second Monday in January, with a large delegation, and installed their officers, and at this meeting, they had two more propositions. You will observe, therefore, that

there has been no lack of work at Mount Washington for the month of January. Brother Cook says, they have now taken a start, it is hoped that they will continue to improve.

Deputy J. T. Byron, informs us that Shâlôm Encampment is in as prosperous condition as it ever has been, and their report shows, that for the last term, they have performed as much work as any other Encampment.

Patriarch Summerhays, Deputy for District No. 13, says, that Wanackmamack Encampment is in good condition, and good feeling and harmony is the order of the day.

Deputy F. B. Fay, for No. 16, says, that in Samaritan Encampment there is a want of interest and vitality. Yet there is no neglect of duty on their part, and can only wish that there was more vigor and active life to make the sessions interesting. He also says, that a union of this Branch of the Order, with the subordinate branch, would be received with favor in his district.

In the absence of particular Reports from the remaining districts, I can only make such suggestions as my present limited information will warrant.

You will learn from the Report of your Grand Scribe, which he has submitted to you, that the number of Initiates for the last term, have been less than the preceeding term, and as this is one of the outward indications of the prosperity of the Order, would it now be well, in connection with the Reports of the District Deputies, for us to inquire into the cause of this general want of vitality, of vigor, and if there is any defect in our general laws or usages, to apply the proper corrective amendment.

A few of the officers and members, perhaps, meet night after night in the Lodge Room, often without a quorum, and no business before them. Is it strange that those few, after a short time, should lose their interest, and finally discontinue their visits?

There is, at the present time, very little interest, evidently, in the Subordinate Encampments where there is no work, and it is work that gives strength and vigor to the frame. Let us have work then, either with or without new Initiates.

I would suggest whether a change in the duties of Chief Patriarch, so as to require of him, on every evening when the Encampment is opened, and in the absence of other regular business, to rehearse, or cause to be rehearsed, not less than one degree of the work. Such a course would have the best effect in preparing the officers to perform their several parts, and certainly would be instructive to all visitors, and if it was generally understood by the members, that the evening would be spent in such a manner, the average attendance would be much larger.

I would also suggest the propriety of a change in the Constitution, for Subordinates, Article 2d, Section 1st, Clause 1st, by reducing the admission fee to about one half its present sum, or by leaving it optional with the Subordinates to adopt such a sum as they, in their judgment may think best. Not less, however, than one half the present amount. By an amendment of this kind, each Encampment

could accommodate itself to the circumstances with which it is surrounded. Many of the encampments would, undoubtedly, prefer the present amount, while others would see that their prosperity would be advanced by the change, always, of course, restricting the receiving of members to the district in which the Encampment is located.

From the fact that quite a number of the Encampments have abolished the principle of weekly benefits, and reduced their term dues, it would seem proper that the admission fee should be reduced also, and if the Grand Encampment should think it best to place this power in the hands of the subordinates, I think the best results would follow. It would create a new interest in this branch of our Order, and serve to disseminate wider our principles, which would tend to soften the prejudices and smooth the asperities of life. There is no change desired in the revenue of the Grand Encampment. The ways and means are sufficient for the present, and although this department is taxed largely, yet we are not taxed to the extent that some of the Grand Encampments in the United States find it necessary to tax their Subordinates, if that is any satisfaction to us.

There is one other subject to which I would call your attention.

The Encampments which are in arrears to the Grand Encampment, and have thereby forfeited their Charters, should be promptly called to account. I have particular reference to Samoset, No. 11, they have made no returns for two terms, and if they have failed in *their* duties, the Grand Encampment should not fail to perform *its* duties, and as great patience has already been exercised, and as, in the language of another, dead bodies unburied, serve only to injure the living, I would recommend that proper steps should be taken to bury the dead and administer upon their effects.

These matters I would now leave in your hands, trusting that you will make such alterations in your laws, and such only, as will best advance the interests of the Order and help it forward in its mission on the earth in the establishment of the principles of Charity and Brotherly Love.

Yours fraternally,

ROBERT C. BROWN, *Grand Patriarch.*

**The Report of Grand Scribe on Returns, was taken from the table, and a Committee of three was appointed to visit Encampment No. 11, and ascertain the condition of said Encampment and report to the Board of Grand Officers what action, if any, is necessary. Krogman, Wharton and Webster.**

**On motion of Grand Scribe, it was.**

**Resolved.**—That the Grand High Priest instruct in the Ante-Room, all those who present regular Certificates, throughout the day.

**P. C. P. Dean and P. H. P. Birch, of Metacomet, No. 26, appeared in the Ante-Room for instruction, without their**

credentials. The Scribe of that Encampment being present, vouched for said Brethren, and on motion it was

*Voted*,—That said Patriarchs be instructed in the work, but not admitted as Representatives.

The Committee to whom was referred the Most Worthy Grand Patriarch's Communication, submitted the following Report which was accepted and Recommendation adopted.

*To the R. W. Grand Encampment of Massachusetts, I. O. of O. F.*

The Committee appointed to Examine and Report upon the Semi-Annual Communication of the M. W. Grand Patriarch, have examined the same and would respectfully ask leave to Report,

That the recommendation of the Grand P., requiring Subordinate Encampments to rehearse the work of the Order at every Session, in the absence of regular Candidates, is worthy of consideration, and is, at the present, to some extent, practised occasionally.

With regard to the recommendation to alter the Constitution for Subordinates, so as to allow each Encampment to require such an amount for admission fee as they may deem expedient, your Committee believe that the present rate of interest, in the details of our organization, does not arise from a decrease in our numerical strength, but from a lack of interest on the part of those who are already contributing members.

With regard to the recommendation to execute the law upon delinquent Encampments, we would recommend that the Board of Grand Officers be authorised to examine and enquire into the condition of these delinquents, and to reclaim their Charters if they deem it expedient.

Respectfully submitted,

WM. ELLISON,  
J. R. MULLIN,  
EDW'D C. WEBSTER.

The Grand Scribe presented the following amendments to the Constitution of Subordinates.

Amend Article II, Clause 1st, by striking out the word "twelve," and insert the word "six," making the initiation of members one half the former price.

On motion of P. H. P. Bell, the Amendment was laid upon the table.

On motion of P. G. P. Ayers, it was

*Resolved*,—That the Grand Scribe be directed to notify the Subordinates, and request each Body to take action upon the above proposed amendment and forward to this Grand Body,

On Motion of Rep. Gunn, it was

*Resolved*,—That each Subordinate be required to make return of the number of meetings held, with and without a quorum,—number of members in arrears over one year,—and total amount of arrears,—and total amount of funds on hand, at the August Session.

Grand Representatives Ellison and Mullin, proceeded to instruct the members of this Grand Encampment in the work of the Patriarchal Branch of the Order.

On motion of Grand Representative Ellison, it was

*Resolved*,—That the affairs of the late Mount Hebron Encampment be referred to the Board of Grand Officers with full powers.

On motion at 1 o'clock, P. M., the Grand Encampment adjourned *sine die*.

Attest,

**ALFRED MUDGE,**

*Grand Scribe.*

The Most Worthy Grand Patriarch submitted his Annual Communication, which was read, accepted, and, on motion, ordered to be spread upon the records.

### *Grand Patriarch's Communication.*

*To the R. W. Grand Encampment of Massachusetts.*

**PATRIARCHS.**—We are assembled in annual session, in accordance with our Constitution, to take into consideration such subjects, and to adopt such measures as may best promote the good of the Order, and for its advancement in charity and brotherly love.

I regret that the account we have to render of the work of the term, as a whole, does not show a larger increase of membership; although there has been a large increase of members, this has been nearly counterbalanced by withdrawals, suspensions, and deaths, so that the balance of membership is but thirty-five in our favor.

From the reports of the District Deputies, or those of them that have favored us with reports, we learn that, with some few exceptions, the Subordinate Encampments appear to be in a languid, unhealthy state.

Deputy Tucker, from Encamp't No. 1, says, "It gives me pleasure to inform you that Massasoit Encampment continues in its usual, prosperous and healthy condition."

Deputy Hayden, from Encamp't No. 2, writes, "It becomes my duty, as it is my pleasure, to report Tri-Mount Encampment in a most prosperous condition. During the past term, they have conferred the work on eleven Patriarchs, making their present number 221—being about one-fifth of the numerical strength of the Encampment branch of the Order in this State. Their past officers, indeed the entire Encampment,

is deserving of great praise for the manner in which the work has been conferred, nearly every officer dispensing with the use of books. Their receipts, during the past term, have been more than seven hundred dollars, and their present fund—all of which is well invested—amounts to about five thousand dollars. It also affords me pleasure to state, that their meetings are well, very well attended, as I have at various times, during the past term, met from fifty to seventy there."

Our Most Worthy Grand High Priest, Caleb Rand, from Encampment No. 5, informs me that Bunker Hill Encampment remains about the same as last report, with the exception that two brothers have been admitted. This Encampment has a large roll of members and hundreds of dollars in its treasury, but there is a want of interest among its members to induce them to attend its meetings. He also says, We strongly desire, here, that the Encampment may be merged in the Lodge; and he thinks, if this is not done ere long, this Encampment will cease to exist.

Grand Treasurer Cook, from No. 6, reports Mount Washington Encampment as having been very prosperous the last term, having received twenty-six new members, and prospect good for further additions. This is certainly an "oasis in the desert," and it would not be surprising if the brothers of Mt. Washington wanted "rest as well as food."

Deputy Hills, from No. 7, says, "I do not find it in my power to present so favorable a report of the condition of the Patriarchal branch of the Order, as I could wish. During the past term, however, the number of our members have increased two. This circumstance, slight though it may seem, is, in these days, one of encouragement. The members who take sufficient interest in the Encampment to attend its meetings, are hopeful of a 'good time coming,' and are doing all they can to hasten it; and it can safely be said of them, that they are able and willing to keep 'watch and word' in the camp, faithfully, until that time of awakening among the dry bones of the Order generally shall arrive."

Deputy Nickerson, from No. 8, says, "Our Encampment is coming up; we have put it through the *pruning process*, and it is now in a more healthy condition; the members are more regular in their attendance and their interest has considerably increased: in fact, we are in a more healthy state than at any time since the change of the work."

From Samoset Encampment, No. 11, we have received no return for the last year, and no report from the deputy of that district. It will be recollected, that the state of this Encampment was referred to a special committee, and that committee have not reported to my knowledge. It is necessary that some steps should be taken to close up this Encampment, and pass its effects over to the Grand Encampment, unless they can be persuaded to perform their duty.

The Grand Senior Warden reports from Encampment No. 12, that Shalom Encampment is in a very healthy and prosperous condition, as their returns show this term as well as the last; and that Friendship, Harmony, and good feeling exist among them.

Deputy Kimball, from Encampment No. 13, reports a different state of things; he says, "But very little interest is taken in this branch of the Order, the whole responsibility resting upon about one-fifth part of the members, and this fifth part are about tired out passing from chair to chair, in order that they may be properly filled."

Deputy Fay, from Encamp't No. 23, is of the same class as the last, and we have the same desponding tone. He says, "My report must only be a repetition of my last report—that the Encampment, under my jurisdiction, remains in the same dormant state as heretofore; I would be glad to report otherwise, but truth forbids."

Deputy Wells, from Encamp't No. 15, says—"Although there is little for me to say relative to my particular district, yet I am permitted to report that Mount Holyoke Encampment, No. 15, is in a sound and healthy condition, and although not increasing in numbers, yet retaining under her tent enough of vigor to carry out the principles of our Order. The statistics may be gathered from our return, which has been forwarded some time since. We look with solicitude upon a movement, made in some quarters, for the abolishment of the Encampment as a distinct branch, and its incorporation with the degree Lodges. Against such a change we most solemnly protest, believing it to be not only subversive of our chartered rights, but sure to bring a blight upon the prosperity and happiness of our Order. The bone and sinew of Odd Fellowship lies in her Encampment members, strike from her what they esteem the oasis, and she will soon be laid in the tomb of the Capulets. As we stand, our hearts are strong and our courage good, therefore let no inroads be made upon us; this spirit of change has done as much injury in overbalancing every good produced by change, and I fully believe that, with our old laws and old work, we should have been stronger than we are this day."

Deputy Brayton, of Encamp't No. 28, says: "I find, in visiting Wells Encampment, that owing to deaths, suspensions, and clearances, there are not left seven members; consequently, I have taken possession of the charter and books, and hold them subject to your order, or the Grand Encampment. The property has partly been disposed of to meet the liabilities of the Encampment. It is a subject of deep regret to myself and the other members of the Encampment, that it could not be sustained, but such is the fact, enough new members could not be induced to join to keep it alive; no money would have done it, that could have been provided."

I have directed Deputy Brayton to settle the affairs of Wells Encampment, and report to the Grand Scribe, which report will not, probably, be received in time to be acted upon at this session.

Such, Patriarchs, are the reports from the Subordinate Encampments, and what remedy can we apply? There have been various expedients suggested to remedy this state of things, such as merging the Encampment in the Lodge; a reduction of the fees of initiation; doing away with the benefits: but none of them appear to meet the necessities of the patient, who appears to be in that state of collapse when some powerful application would appear to be necessary. Perhaps I had

better not attempt to prescribe for the patient, for she may have had, already, more prescriptions than have been properly administered, and too much nursing may have enfeebled her constitution, so that any further appliances may destroy her at once. But, as long as there is life, there is hope, let us not despair. Permit me, therefore, to suggest a few Homeopathic doses, which, as is suggested by some of the followers of that system, will do no harm if they do no good. It will be recollected that, in a former communication, I suggested the propriety of a change in the Constitution of Subordinates, to amend Article II, section 1st, clause 1st, by reducing the initiation fee to six dollars, or, leaving it optional with the Subordinates, to adopt such a sum as they, in their judgments, might think best. To that, a motion was made by Past Grand Patriarch Ayres, that the Grand Scribe be directed to notify the Subordinates and request them to take action upon the above question, and forward the result to this Grand Body. The Grand Scribe has performed his part of that duty; but, I regret to say, that but seven of the Encampments have responded to the call. Six of them have made an affirmative answer, and one in the negative, and twelve others that have made returns have not reported any action upon the question.

I really do not anticipate any very favorable result from this change. There appears to be something else besides this wanted to breathe new life and vigor into the present members. But as it appears to be called for by those who advocate the merging process, perhaps it would be well to adopt it, as one of those prescriptions which will do no harm, if no good. There is but one thing, in my opinion, that can save this branch of our Order, or at least the country Encampments, from certain destruction—that is, a personal, self-sacrificing devotion to its interests; a determination on the part of those who have the interest of the Order at heart, that it shall be sustained. When you can get seven Patriarchs of this opinion, the work is more than half accomplished. There must be no complaint on the part of past officers when called upon to take a lower seat, no declining to perform any duty when called upon by the worthy chief. When members see past officers showing their want of interest by non-attendance, or by declining to accept subordinate offices, they, very naturally, fall in with the same state of feeling and neglect.

Is it not within the experience of every installed officer in the Grand Encampment, that, after the presiding officer shall have been installed and taken his seat, and proceeds to appoint his subordinates, let one or two of the first appointments be declined and how soon every Patriarch in the room has such a press of business that it is impossible for them to perform the duties of any office. Let the opposite course be taken, at the outset, and there does not appear to be the same difficulty in filling the offices. And then, again, the position of the presiding officer is very unpleasant; in the first instance, he will, very naturally, think that there is some dislike to him, personally, as the cause for all this declining; he will, in a measure, lose confidence in himself, and distrust his ability to give satisfaction to the Encampment. If no other ungracious feeling arises, he keeps himself under better control than most of us. Let me repeat; if we wish to sustain this branch of our Order,

it must be done by a self-sacrificing devotion to its interests, by a willingness on the part of every member who loves the principles of the Patriarchal branch, (and who does not), to do every thing that can be done to sustain it. Do you suppose, that if this spirit had animated the thirty-one Patriarchs in Wells Encampment which were reported last January, that we should have had to appoint an administrator upon its effects? No! If there had been found but seven such members as I have portrayed—less than the number required to save a certain city of old—it would have saved Deputy Brayton the mortification expressed in his communication. The question must come to this at last, are we ready, are the country Encampments ready to abandon this branch of the Order? Who of us that have repeated, and are supposed to be conversant with its ritual, are ready and willing to abandon its principles? who willing to surrender the principles of Aaron or of the Golden Rule? As we value them, so ought to be our self-sacrifice to sustain them and inculcate them by practice as well by precept. There were those of old that set a high value upon them; an ancient legend says: “that the Peri excluded from Paradise brought many gifts to Heaven to regain it; she brought the dying sigh of a patriot, the kiss of a faithful girl imprinted upon the lips of her bridegroom, distorted by the venom of the plague; she brought many other fair gifts, but the doors of Paradise opened before her only when she brought with her the first prayer of a man, converted to charity and brotherly love, for his oppressed brother and humanity.”

Such is the mission of the Patriarch, to act in connexion with all that is good and true on earth, and hasten on that happy period when—

Mankind shall be one brotherhood,  
One human soul, that fill the earth.

Are you willing to abandon such a mission?

Patriarchs, in laying before you this my last communication, permit me to present to the Grand Encampment my hearty thanks for the honors they have conferred on me, and for the forbearance which they have uniformly manifested towards my short comings and inexperience in the duties that have devolved upon me; although my labors have not been arduous—owing to the efficiency of the Grand Scribe, to whom I am indebted, largely, for advice and counsel—yet, I think, a Grand Patriarch, to do his *whole* duty, would find his office no sinecure; he should visit each Encampment in the State at least once during his term, and, should such a course be adopted the ensuing year, his presence in the Subordinate Encampments, with his advice and counsel, would infuse new life and vigor into the body, and hasten in “that time of awakening among the dry bones of the Order,” which Patriarch Hills, and others, are patiently waiting and working for.

Fraternally yours,

ROBERT C. BROWN,  
*Grand Patriarch.*

On motion of Past Grand Patriarch Ellison, the Reports of the Grand Scribe and Grand Treasurer were taken from the table, approved, and ordered on file.

On motion, the amendment to the Constitution of Subordinates was taken from the table and discussed.

An amendment was offered by Rep. Ely, to strike out the word "six" and insert the word "three," which was seconded by Rep. Gunn.

Rep. Baker proposed to amend the same by striking out the last line of the section, (leaving it optional to admit at such price as the Encampments might elect,) it, being seconded, elicited some discussion.

Rep. Bell, seconded by Rep. Tucker, moved the previous question, which was not sustained.

On motion to adopt the amendment of Rep. Baker, it was decided in the *negative*.

On motion to adopt the amendment of Rep. Ely, it was decided in the *negative*.

On motion to adopt the original amendment, it was decided in the *affirmative*.

Rep. Ellison, from the Committee on that subject, submitted the following Report, which was accepted, and the recommendation adopted :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee, appointed upon the petition of the officers of Grey Lock Encampment, No. 21, for permission to remove, temporarily, from their present location at Pittsfield, would respectfully ask leave to report :

That the communication is unofficial in its character, not having the seal of Grey Lock Encampment affixed to it ; there is another objec-

tion to it, and that is, that the laws of the Order do not recognize movable bodies either Grand or Subordinate. The Committee would recommend that Grey Lock Encampment have permission to remove from Pittsfield to Lee, as prayed for ; but that such removal shall be permanent and not temporary ; if they desire to remove again, at any future time, they can again petition as in the present case.

Respectfully submitted,

WILLIAM ELLISON,  
EDWARD C. WEBSTER,  
H. N. GUNN.

Rep. Parmenter, from the Committee on that subject, submitted the following Report, which was accepted, and *resolution adopted*.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the petition for the reinstatement of Mount Hebron Encampment, report :

That, in their opinion, the petition should be granted, and they submit a resolution accordingly.

Respectfully submitted,

WM. E. PARMENTER,  
For the Committee.

*Resolved*, That Mt. Hebron Encampment be reinstated at Stoughton.

Your Committee would call the attention of this Grand Encampment to the fact, that setting aside entirely the amount due for fines (which has become almost an obsolete matter,) the amount actually accrued for term dues, and now justly due, exceeds the amount of receipts in the sum of \$7.76, which is totally at variance with Section 5th of Article VI of the Constitution. And, as an only means left to bring the subordinates to a performance of their duty, they would recommend a rigid enforcement of the laws of the Order, as is contained in Section 6, of Article VI of the Constitution.

All of which is respectfully submitted in F. L. and T.

On motion of Past Grand Patriarch Ellison, the Reports of the Grand Scribe and Grand Treasurer were taken from the table, approved, and ordered on file.

The Grand Scribe submitted his Report on Returns, which was accepted :

*To the R. W. Grand Encampment of Massachusetts.*

The Grand Scribe would submit the following Report on Returns, ending with December 31, 1854.

Whole number of Subordinate Encampments under this jurisdiction is 20. He has received Returns from Nos. 1, 2, 4, 5, 6, 7, 8, 12, 13, 14, 15, 16, 24, 25, 26, 29, 31, all of which are correct.

No. 21, error in number and standing of members.

Monomake, No. 4, and Wanackmamack, No. 16, were not received in season to exempt them from fine.

Samaritan, No. 23, and Green River, No. 27, have failed to make their Returns, and are fined.

Respectfully submitted,

ALFRED MUDGE,

*Grand Scribe.*

On motion of Rep. Wharton, it was voted to excuse Encampments Nos. 4 and 16 from fine.

The Grand Scribe submitted the following inquiry :  
 "Do the laws of the Order require dues to Grand Encampment from a Patriarch (who has lost membership in the Subordinate branch of the Order) on his return to his own Encampment?" Referred to Committee on State of the Order.

The Committee on Elections and Returns submitted the following Report on additional Representatives' Certificates, which was accepted, and the candidates admitted and instructed :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee on Elections and Returns report, respectfully, that they have examined the following Returns, and find them correct :

Tri-Mount, No. 2 ; Monomake, No. 4 ; Wanackmamack, No. 16 ; Mt. Hebron, No. 24 ; Metacomet, No. 26 ; and Lawrence, No. 31.

The Certificates of Massasoit, No. 1, and Shalom, No. 12, are irregular, — the first wanting the signature of the C. P., the other of the High Priest. The latter is omitted in consequence of the sickness of that officer. The absence of the Chief Patriarch of

Massasoit, should have induced the Senior Warden of that Encampment to append his name. The Committee would report all the certificates as furnishing satisfactory evidence of the election of the following Representatives, viz :

MASSASOIT, No. 1.—P. C. P. J. W. Newcomb.

TRI-MOUNT, No. 2.—P. C. P. Thos. C. Porter. P. H. P. G. N. Thompson.

MONOMAKE, No. 4.—P. C. P. J. C. Snow, J. A. Denton.

SHALOM, No. 12.—P. C. P. S. B. Hildreth.

WANACKMAMACK, No. 16.—P. C. P. E. F. Easton.

MT. HEBRON, No. 24.—P. C. P. J. T. Sumner. P. H. P. S. W. Rodgers.

METACOMET, No. 26.—P. C. P. Perry Gifford.

Petition from members of Grey Lock Encampment for its removal from Lee to Pittsfield. Referred to the Board of Grand Officers with full power to grant the same, when in form.

GREY LOCK ENCAMPMENT, No. 21, I. O. O. F.

PITTSFIELD, BERKSHIRE Co., JAN. 1855.

The undersigned, members of Grey Lock Encampment, No. 21, respectfully petition your Right Worthy Grand Body for the *return* of our Encampment from Lee, in the south part of this county, where it has lately been experimentally working—[see proceedings of Grand Encampment of Massachusetts, August 1854]—to Pittsfield, its former location.

In presenting this Petition, it is due to say, that we believe the circumstances and conditions which induced us last year, with your consent, to remove from Pittsfield to Lee do no longer exist; and, further, the recent change of and now existing position of Patriarchs in the north part of this county, makes it more desirable now and hereafter that Grey Lock Encampment should be centrally as well as permanently located at Pittsfield; affording, as it would, an equal opportunity for the late members of WELLS Encampment, in the

north, to join with us and participate with Patriarchs from Lee, the south part of this county, in the meetings of this Encampment ; a number of them have expressed a determination to do so, whenever our Encampment becomes so located. By this means, keeping within this branch of the Order some, and perhaps many, worthy and valuable Patriarchs.

The Most Worthy Grand Patriarch submitted his Semi-Annual Communication, which was read, accepted, and, on motion, referred to Reps. Phillip K. Hills, Rhodes, and Swett.

#### GRAND PATRIARCH'S COMMUNICATION.

*To the R. W. Grand Encampment of Massachusetts.*

PATRIARCHS ! By permission of the all wise ruler of the universe, we are again assembled to consider and advance, if possible, the great and ever living principles of Odd Fellowship ; and, in compliance with the constitutional requirement, I hereby present you a Report of the state of this Branch of the Order in this jurisdiction.

I have the usual complaint to make of the negligence of the District Deputies, two only have favored me with reports.

Encampments Nos. 1 and 2, from personal knowledge, I am happy to inform you, continue in their usual, healthy, and flourishing condition. I might say much about these Encampments, and the Patriarchs of which they are composed, but let it suffice to say, that here the great work is carried on with zeal and perseverance.

Encampment No. 5, reports a few less members than she did in the previous return ; but considering her financial condition and the large number of members still on her roll, who all love and practice the great principles of our Order, she must, I think, flourish.

Encampment No. 6, it gives me great pleasure to inform you, is in good condition, its meetings are well attended, and the Patriarchs are encouraged in the good work.

Encampment No. 12, I am pleased to say, was never in a more prosperous condition, its meetings are well attended, and the great principles of Friendship, Love, and Truth, are carried out in the letter and in the spirit.

District Deputy Robbins reports, Grey Lock Encampment, since its removal, has done very well indeed. We have initiated five, he says, with a fair prospect of further additions. The Patriarchs are in good spirits, and, I think, Odd Fellowship is looking up in this district.

District Deputy Danks, from Encampment No. 25, says, But little interest is taken in this branch of our Order here, which is much to be regretted. Some of the Patriarchs are desirous of surrendering their Charter, in consequence of the little interest manifested, but we hope for the best.

Having so few reports from the District Deputies, I am unable to say how far the Subordinate Encampments have availed themselves of the privilege of reducing the price of initiation and degrees to six dollars, and should judge from the returns that but few have.

Nothing has transpired since your last meeting, with regard to this branch of the Order, to call for any lengthy remarks from me. From the returns just in, it appears that we occupy about the same ground we stood upon six months since, and this of itself, if we look back at the few years last past, would seem to promise better success for the future, which is much to be desired.

Since your last communication P. G. P. WILLIAM ELLISON, a Representative of this R. W. Body to the Right Worthy Grand Lodge of the United States, has been elected to the highest office in the gift of Odd Fellowship. This is a compliment well deserved by Bro. ELLISON, and an honor—though long since due Massachusetts—that comes in a very propitious time, a time when sectional prejudices have a fast hold on the minds of men; and we are assured thereby, that the great principles of our Order predominates over all other feelings, the entire length and breadth of the jurisdiction.

I beg leave to congratulate this R. W. Grand Encampment on the election of one of her favorite sons to this important office, and the Order generally, that the choice has fallen upon one so eminently qualified to discharge its high and important duties.

Respectfully submitted in F. L. and T.

JOSEPH BYRON,  
*Grand Patriarch.*

Grand Rep. Ellison submitted the following Report of the doings of the Grand Lodge of the United States, at its last session at Baltimore, which was read, and on motion, accepted, and ordered to be printed.

*To R. W. Grand Encampment of Massachusetts.*

The undersigned, Representatives from the Grand Encampment of Massachusetts to the Grand Lodge of the United States, would respectfully ask leave to report : that they attended the annual communication held in Baltimore, in September, 1854.

The Session commenced on Monday, September 4th, and continued through the week, adjourning from Saturday until the following Monday, and closing its Session at 4 o'clock, P. M. on that day. There were present, Representatives from every State in the Union except Florida ; a vast amount of business was transacted and the Session was conducted with its usual decorum and harmony. The very able annual report of the Grand Sire presented the Order throughout its vast jurisdiction, as in a very healthy and increasing condition; increasing in its usefulness, increasing in its revenue, augmenting the amount of its annual relief expenditures, and adding largely to its numerical strength.

Among the decisions of the Grand Sire, which were confirmed by the Grand Lodge were the following :

1st. That a Grand Representative is an officer of his State Grand Body, and in a procession organized within his State, he will occupy such position as the laws of his State point out for officers.

2d. That there was no law of the Grand Lodge of the U. States regulating the time which the holder of a withdrawal card that has been rejected, must remain before he can again offer it for deposit in the same State, but that the matter was left to the local laws of the several State Grand Bodies.

3d. That all applicants for degrees must be balloted for by the Lodge, open in the particular degree applied for, and that the proceedings had by Lodges, when open in particular degrees for the purpose of balloting or conferring degrees, were wholly distinct from the ordinary Lodge proceedings, and were to be recorded in a separate minute or record book.

4th. That expulsion for non-payment of dues, was governed by the local laws of the States.

The report of the always efficient and faithful Grand Secretary was next presented, and gave an elaborate and detailed condition of the order in the different State jurisdictions. On the second day of the

Session, in accordance with a provision of the Constitution, the biennial election of officers took place, and the distinguished and responsible positions of Grand Sire and Deputy Grand Sire, will at the next communication be transferred from faithful, efficient and long tried servants of our affiliation to those of lesser experience, and whose greatest ambition should be to endeavor to discharge their high trusts in such a manner that their official acts may add as much to the welfare and prosperity of the Order as has marked the administration of their distinguished and immediate predecessors.

A resolution was referred to the Legislative Committee, upon the subject of allowing members who have withdrawn from Subordinate Lodges to retain their Encampment membership—the Committee reported that it would be unwise so to do, and that it would have a tendency to produce opposition and turmoil between Subordinate Lodges and Encampments, tending to the injury of the Order. The Grand Lodge coincided with the views of the Committee and the report was adopted. The following resolution from the same Committee was passed :

*Resolved*, That the Grand Secretary be instructed to have printed upon all visiting cards, which may hereafter be issued from his office, the blank form of certificate relative to benefits, as passed by this Grand Body at its last session.

The Grand Lodge rejected a resolution to establish a department of vital statistics to be placed in charge of an actuary, an officer to be created by the Grand Lodge. A report from the Finance Committee exhibited the following among the resources of the Grand Lodge of the United States.

Cash on hand, \$7,801 33. Maryland stocks, \$8,274 46. The expenses of the last session were about \$13,000.

Among the important and somewhat significant proceedings of the session, was the introduction of a resolution, and the appointment of a Committee of five, to prepare and report to the next Session of the Grand Lodge, a plan, merging the Subordinate Lodges and Encampments. The patriarchal department of Odd Fellowship in Massachusetts, has always moved harmoniously, and has received the general approbation and support of its members; and it has always been the belief of your representatives, that the abolishment of the Encampment branch as a separate organization, would operate to the injury of the Order in Massachusetts, and produce no substantial good to the institution throughout its jurisdiction. If the plan can be accomplished, it will produce a radical change, demanding almost an entire reconstruction of our organization, establishing a great precedent for future changes, which will indicate a

want of that stability and permanency, which are and always must be among the essential elements of our association. The subject, however, is in the hands of an able committee, who can only have the best interests of the Order at heart, and who may have the power to convince us, that progress always follows innovation, and that there can be produced great reasons for destroying a complete chartered working Representative department of our Order.

Another important feature of the proceedings of the last Session of the Grand Lodge of the United States, was the adoption of a new Constitution, containing many important and liberal improvements upon the old instrument, which must commend themselves to the favorable consideration of the entire brotherhood. The new draft proposed an increase in the ratio of Representation, which objectionable feature was stricken out and the old basis of Representation has been retained.

The above, it is believed, comprises all the legislation of the recent Session of the Grand Lodge of United States, that relates particularly to the patriarchal department of the Order. Various enactments and laws were passed, having particular reference to the Grand and Subordinate Lodges, which the undersigned have not touched upon in this communication believing that it would be trespassing upon the duties of the distinguished Representatives from the Grand Lodge of our State, who will undoubtedly present to that body, tomorrow, an elaborate report of the proceedings of the parent institution, as far as its legislation affects that department of our organization.

The undersigned cannot close this communication, without adverting to the sudden and melancholy decease of Grand Representative Edmund P. Hunter, of Virginia, who died at his residence while the Grand Lodge was still in session: he appeared in his seat at the early part of the session, and was appointed by the Grand Sire on a special Committee, to whom was referred a resolution, upon the expediency of modifying the law in regard to the six months term; he wrote a very able report upon the subject, which, when adopted a few days after, its distinguished author had "passed beyond the reach of human events, and had ceased to feel the vicissitudes of human affairs." During his connection with the Order, he had won for himself by his affability and gentlemanly deportment, the respect and esteem of his associates on the floor of the Grand Lodge,—but he has gone, and that seat of honorable duty that knew him so well will know him no more forever. Virginia mourns, and Massachusetts sympathises with her in her bereavement; to his afflicted family the Order can only offer its condolence and its sincere sorrow.

Officers and Representatives, the present is the last official communication your Senior Grand Representative will have the honor of offering to the Grand Encampment of Massachusetts in his Representative capacity. In looking back upon the many years you have honored him with your confidence, he can only hope that the record of his official duties will be as satisfactory to his indulgent constituents as they have been pleasant and agreeable to him. The remembrance of favors so lavishly bestowed, will ever be registered upon that tablet of memory, where "every day he may turn the leaf to read the account."

Respectfully submitted in F. L. and T.

WILLIAM ELLISON,

R. C. BROWN,

*Grand Representatives to G. L. of U. S.*

Boston, Jan. 1855.

Second line, strike out the letter "s."

Second line, strike out the words "the first," and substitute the word "which."

Strike out after the words "annual session," in the fourth line, all that follows to the word "and," in the same line.

Amend all other articles to correspond with the above. ●

The following amendments to the Constitution of this Grand Encampment were presented by Grand Representative Ellison.

Amend Article V, Section 1, of the Constitution of the Grand Encampment, so as to read as follows:

SECT. 1. There shall be one session of the Grand Encampment, annually, which session shall be held on the Wednesday preceeding the first Thursday in August, and be styled the Annual Session; which session shall be held in the city of Boston.

Amend all other Articles to correspond with the above amendment.

The following Resolution was presented by the Grand Scribe, and passed unanimously :

*Resolved*, That all Encampments under this jurisdiction shall forward their Returns to the Grand Scribe, on or before the 20th of January and July, and any Encampment failing so to do shall be fined *five* dollars ; all excuses for neglect to be rendered to the Board of Grand Officers, within sixty days after notice by the Grand Scribe, —and all laws and resolutions heretofore passed and which may now be in conflict with this Resolution, be, and they are hereby repealed.

On motion of Rep. Gunn, Grand Representatives Ellison and Brown, instructed this Grand Encampment in the Patriarchal department of the Order.

The Committee on the Grand Patriarch's communication submitted a Report, which was accepted and placed on record.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the communication of the R. W. Grand Patriarch, beg leave to Report :

Your Committee do not find any subjects alluded to in the communication which require a special reference ; they, therefore, recommend that it be accepted, and placed on file.

It should be regarded as worthy of congratulation, as evincing a great degree of harmony in the jurisdiction, the fact, that no intricate questions regarding the interests of Subordinates, have been submitted to the Grand Patriarch, to claim, through him, the attention of this Grand Body.

Respectfully submitted,

P. K. HILLS,  
H. W. SWETT,  
ROBERT RHODES.

Rep. Mullin, from Committee on State of the Order, submitted the following Report :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee on the State of the Order, to whom was referred the inquiry of the Grand Scribe, have considered the subject and Report :

They have examined the law in regard to the loss of membership, and whereas according to the general laws of the Order, whenever a member of a Subordinate Lodge withdraws therefrom, he immediately ceases to be a member of his Encampment, and unless he again becomes a member of a Subordinate Lodge within one month, his Encampment must grant him a withdrawal card, bearing even date with the withdrawal card from his Lodge. Therefore,

*Resolved*, In case a Patriarch withdraws from his Lodge and does not again become a member of a Subordinate Lodge within one month, he cannot again become a member of his Encampment except by deposit of card, or, in case the card is out of date, as an Ancient Patriarch, and upon the payment of the usual fee, in such cases made and provided.

JOHN R. MULLIN,  
ROBERT WHARTON.

On motion of Rep. William A. Bell, it was

*Resolved*, That the Deputy Grand Sentinel be compensated for his services in the usual fee.

On motion, at 11 o'clock and 45 minutes, the Grand Encampment adjourned, *sine die*.

Attest:

ALFRED MUDGE,

*Grand Scribe.*

# ANNUAL SESSION

OF THE

R. W. GRAND ENCAMPMENT OF MASSACHUSETTS,

I. O. OF O. F.

---

ODD FELLOWS HALL, BOSTON,

*Wednesday, August 1, 9 o'clock, A. M.*

The R. W. Grand Encampment of Massachusetts convened this day, being the regular Annual Session, when the following were present :

|                    |                                 |

| Edward C. Webster, | “ Senior Warden,                |

| William H. Cook,   | “ Treasurer,                    |
| Enos H. Tucker,    | “ Junior Warden,                |
| William Ellison,   | } “ Representatives,            |
| Robert C. Brown,   |                                 |

and a due Representation from the Subordinate Encampments.

Grand Encampment opened in due form.

Prayer by the Grand High Priest.

On motion of the Grand Junior Warden, the reading of the Records of last session was dispensed with, and the Records approved.

On motion of P. G. P. John R. Mullin, the hour of ten was assigned for admission of new members.

The Grand Scribe submitted his Report on Returns, which was accepted.

*To the R. W. Grand Encampment of Massachusetts.*

The Grand Scribe would submit his Semi-Annual Report on Returns, ending with June 30, 1855.

Whole number of Subordinate Encampments under this jurisdiction is twenty. He has received Returns from Nos. 1, 2, 4, 5, 6, 7, 8, 12, 13, 15, 16, 24, 25, 26, 29, all of which are correct.

He has also received returns from Nos. 14, 21, and 31, which are incorrect, to wit: No. 14, no receipts given, and amount paid for relief not given in Annual Return; No. 21, error in number and standing of members; No. 31, error in standing of members.

Samaritan, No. 23, and Green River, No. 27, have failed to make their Returns and are subject to a fine.

The Encampment Branch of the Order has gained during the last term in numerical strength twenty members. There have been 32 initiated, 1 admitted by card, 5 withdrawn by card, 4 reinstated, 10 suspended for non-payment of dues, 1 Death, 32 exalted, 1136 total number of members; receipts, \$2,289.48; paid out, \$908.36; due Grand Encampment, \$111.11.

The Grand Scribe would here remark, that notwithstanding two of the Encampments have made no returns, and will, ere long, be numbered with the things that are past, there is strong ground of hope that this branch of the Order is now on the increase in this jurisdiction, and that Massachusetts will long be enabled to send two Representatives to the Grand Lodge of the United States from this Grand Body.

Respectfully submitted,

ALFRED MUDGE, *Grand Scribe.*

The Grand Scribe submitted his Financial Report, which was read and laid on the table.

There is from Annawan, No. 8, an irregular certificate of the election of the following Patriarchs, viz. W. H. Taylor, S. G. Driscoll, F. P. Chase, W. T. Drew, I. W. Nickerson, Jas. Taylor, Jas. S. Barry, Timothy Ingraham, M. G. Monroe and J. B. Hadley.

This certificate shows that the above Patriarchs were elected, in the course of the last year: the certificate furthermore has not the signature of the H. P.

It appears, that, so far as the certificates show there have not been elected any Reps. from Bunker Hill, No. 5. Annawan, No. 8, Naomi, No. 14, Mt. Holyoke, No. 15, Wanackmamack, No. 16, Metacomet, No. 26, and Iyanough, No. 29.

Respectfully submitted in F. L. and T.

C. E. BUCKINGHAM,  
CHAS. F. CLASSEN.

On motion of the Grand Scribe to ratify the Certificates from Annawan Encampment, it was decided in the *negative*.

The amendments of the Constitution of the Grand Encampment, presented by Rep. Bell and Rep. Ellison, were taken up, and the amendments of Rep. Ellison were, by vote, substituted for those of Rep. Bell, to wit:

Amend Article V, Section 1, of the Constitution of the Grand Encampment, so as to read as follows :

**SECT. 1.** There shall be one session of the Grand Encampment, annually, which session shall be held on the Wednesday preceding the first Thursday in August, and be styled the Annual Session; which session shall be held in the city of Boston.

Amend all other articles to correspond with the above amendment.

Rep. Joseph B. Frost, Jr., submitted the following Resolution.

*Resolved*, That the amendments offered by Grand Rep. Wm. Ellison, be adopted.

The resolution was laid upon the table, until the admission and instruction of new members.

On motion, it was

*Resolved*, That the Grand High Priest instruct all candidates who present legal certificates throughout the day.

The M. W. Grand Patriarch submitted his Semi-Annual Communication, which was accepted and ordered to be printed.

#### GRAND PATRIARCH'S COMMUNICATION.

*To the R. W. Grand Encampment of Massachusetts.*

##### PATRIARCHS :

By divine permission, we are again assembled to legislate for the promotion of the good of the Patriarchal Branch of the Order; and in conformity with my duty I present you, in this my annual communication, a report of its condition in this jurisdiction.

Grey Lock Encampment, No. 21, having petitioned in legal form for permission to change its location, [see document annexed, marked A.] the Board of Grand Officers, agreeably to powers conferred upon them, have granted such permission.

It affords me much pleasure to inform you that Encampment No. 1 continues in its usual harmonious and sound condition; though I must here repeat the stereotyped complaint with regard to the District Deputies. It is much to be regretted, that those Brothers do not comply with the requirements of their commissions in forwarding to the Grand Patriarch reports of the condition of the Encampments in their Districts. The few that have performed this part of their duty, report as follows :

District Deputy Rand of Tri-Mount Encampment, No. 2, says, "On my official visit I found fifty of their own members present, notwithstanding it was one of the hottest evenings of the season, and all seemed to be active and interested in the noble cause which called them together; the Return from Tri-Mount Encampment speaks for itself of the success which has attended it during the past term."

District Deputy Eliphalet Hills, of Encampment No. 4, reports:—"Our Encampment is not in a very flourishing condition at this time, our numbers are small, though what is left of us are good members of the old stock and right stamp."

Deputy Tucker, of District No. 5, says: "Bunker Hill Encampment is in much the same condition as at the last report. All that is wanted to make this Encampment second to none in the state, is a more prompt attendance at its meetings. Candidates were waiting to receive the degrees, and several new applications were made.—Taking all things together, I have not seen so much real life and zeal manifested in an Encampment for a long time. Long may this Encampment live, and may continued prosperity be theirs."

Deputy Edward S. Howe, of District No. 6, reports:—"The Encampment branch of the Order in my district is in a very healthy and flourishing condition. There has been no lack of work for last year, as will be seen by the returns. Let there be as much vigor and active life in the several Encampments throughout the state as there has been at Mount Washington Encampment, and this branch of the Order will not lack for interest or strength."

Deputy Philip K. Hills, of District No. 7, says,—“I regret that it is not in my power to report this Encampment in that flourishing and prosperous condition which a few years since witnessed. I can say, however, that it ‘still lives,’ and that it is sustained by a faithful and harmonious band of brother patriarchs, who are determined that it shall not die. They are firm in the faith that in the revival of interest in the Order at large, which the future holds in its bosom, the patriarchal branch of it which has possession of the sublime degrees will largely share. In this persuasion, their camp fires will be kept steadily burning.”

Shalom Encampment, No. 12, I am happy to inform you continues sound and prosperous. The meetings are remarkably well attended, and there is a zeal and activity about the members which promise much for the future.

Deputy James Kimball of District No. 13, writes: "It is with great pleasure that I am able to report that a new interest has been awakened here, and that our returns show an increase of eleven members. I trust that the next will show a corresponding increase, if not a greater one. Having moved into a new Hall, at the commencement of the term, we have every accommodation for the convenience of the Encampment, and being centrally situated the mem-

bers find it more convenient to attend, besides the zeal of the few, which has ever been watchful, for the prosperity of this branch of the Order, betokens a more prosperous state of things for the future. I am happy to add, that the financial condition of the Encampment is sound, and that the funds are properly invested."

Our worthy P. G. Patriarch Brown, writes very despondingly as follows: "The lethargy which appears to have settled upon this branch of the Order in this state, has effected Metacomet Encampment also. I regret exceedingly that I cannot report an increased interest in this department. The officers continue to meet week after week, and go through the formality of opening and closing without much interest being felt by any one."

From these reports and other information, it appears that some of the Subordinates are in a very sound and harmonious condition, and that there are others possessing every requisite to make them equally so, except an interest among the members, to induce them to attend the meetings, of which there is a great lack; while others may be said to be in a feeble and languid state. I cannot congratulate you upon a large increase of membership, but from the fact that we do increase notwithstanding the many withdrawals, suspensions and deaths, show this branch of the Order, in my opinion, to be in a sound condition. It is not by a large and rapid increase of membership that we are to look for success, but by zeal on our part, together with regular additions of the working portion of the brotherhood, who are fully imbued with, and determined to practice the principles of Odd Fellowship.

In compliance with a vote at the last annual session, I have secured the use of this Hall for this R. W. G. Encampment to hold its future meetings in, as will be seen by a communication herewith submitted.

Being now about to descend from the high position to which I have been unexpectedly called by your suffrages, I beg leave to return you my most sincere and hearty thanks, for the honor you have thus conferred upon me, and for the forbearance you have manifested towards me, which, through my inexperience, I seemed to require at your hands, and to the other Grand Officers with whom I have associated, but particularly *our worthy and efficient Grand Scribe*, whose valuable services makes the duty of Grand Patriarch light indeed. As your Chief, then, I bid you farewell, and assure you that I return to the ranks with a determination to be always zealous in the great principles we profess. Let us all be found ever practising these noble and lofty principles, Visit the Sick, Relieve the distressed (without asking his country or creed,) Bury the Dead, Educate the Orphan, Visit the Widow and Fatherless in their affliction, dry their tears, and hush the sigh of sorrow, if possible. *Act upon the Golden Rule.* Sow broadcast the seeds of brotherly

love and affection, and be assured that they shall spring up and bear fruit in abundance. Thus shall we enjoy the consciousness of doing our duty, as Odd Fellows; and as men, of acting well our part on the stage of life. The world will be better for our existence, will see our works, and know us by them. The good and the virtuous of all classes, who have hearts to aid in so good a cause, will flock to our standard, and a revival of the right stamp will be the consequence.

Respectfully submitted, in F. L. & T.

JOSEPH BYRON,  
*Grand Patriarch.*

LEE, MASS. June, 15th, 1855.

*To the R. W. G. Officers of the G. Encampment of Mass. I. O. O. F.*

The undersigned Officers of Grey Lock Encampment, No. 21, by vote of same, would respectfully petition your Grand Body for the return of our Encampment to Pittsfield, its former location.

We believe the objects and inducements contemplated in the removal to Lee last year, (see proceedings of Grand Lodge, Aug. 1854,) have been sufficiently tested, and that it would be to the interest of our Encampment to return as contemplated.

Respectfully submitted,

ROBT. WHARTON,

*Committee of Finance.*

The following communication from Grey Lock Encampment was read, and referred to a Committee of three — Reps. Buckingham, Cook, and S. Leonard.

## GREY LOCK ENCAMPMENT No. 21, I. O. O. F.

*To the R. W. Grand Encampment of Mass.*

At a regular meeting of Grey Lock Encampment holden July 20, a committee was chosen to present the following to your R. W. Grand Body, at the next session of the Grand Encampment.

That, whereas, there have been two petitions sent to the R. W. Grand Encampment, for the removal of Grey Lock Encampment from Lee to Pittsfield, its former location, we respectfully protest against the removal, for the following reasons :

1. The first petition was got up in Pittsfield, ten miles distant, without the knowledge or consent of the Encampment, or any of the members at Lee, or south of Lee. And the said petition was signed by thirteen members not in good and regular standing in this Encampment, or entitled to vote in the same, on account of non-payment of dues.

2. Our returns show that the Encampment has been much more prosperous in Lee than at Pittsfield, where it was nearly dead at the time of removal, as the returns of the last two years before removal will show.

3. The Encampment is more centrally located for the accommodation of the Lodges in the county ; there being four Lodges south of Lee, and only two north of Pittsfield. The Lodges south, are one at Stockbridge, five miles distant ; one at west Stockbridge, ten miles : one at Barrington, twelve miles ; one at Sheffield, eighteen miles ; those north of Pittsfield, one at South Adams, sixteen miles ; and one at North Adams, twenty-one miles north of Pittsfield.

4. We believe the agitation of the question of removal has deterred many good and worthy members of the several Lodges, in this vicinity, from joining the Encampment, who would yet join if the Encampment is not removed to Pittsfield.

5. The last petition was forced upon us, by all the members coming down from Pittsfield, unexpectedly, without any notice of their intention to force upon us a vote to petition for the removal. And, in order to secure votes for the petition, we were told that the petition was to be presented at the Grand Encampment, and the members here, who voted for the motion, so understood it.

Therefore, we, the Officers of Grey Lock Encampment, No. 21, in accordance with a unanimous vote of the same, would most respectfully ask leave of your R. Worthy Grand Body that this Encampment may continue to perform the work at Lee, in Berkshire County.

Yours in F. L. and T.

*Finance Committee.*

*Boston, February 3, 1856.*

The reports of the Grand Scribe and Grand Treasurer were taken from the table, accepted and placed on file.

The M. W. Grand Patriarch submitted his Semi-annual Communication, which was read, accepted, and

on motion, referred to Reps. Wm. H. Bell, H. Prince and J. P. Paine.

### *Grand Patriarch's Communication.*

*To the R. W. Grand Encampment of Massachusetts.*

Patriarchs of the R. W. Grand Encampment; at the last annual session of this body, it was not supposed, that you would meet again, until August next; but, by an oversight, the amendment to the Constitution was not presented to the Grand Lodge of the United States, in September last, and by the laws of the Order it is of no effect.

So much work will necessarily come before this Grand Encampment, for the next year or two, that it may well be considered by you, whether a twelve months vacation is not too long, unless, you, by resolution or act, provide for the appointment of a Board of Grand Officers, who shall have full powers to act for you.

The doubt, whether the Grand Patriarch himself had such power, led to the calling of the special session, in September last, at which you elected Past Grand High Priest Newell A. Thompson, to the Grand Lodge of the United States, by almost unanimous vote.

The interest of our Order, in Massachusetts, in the Patriarchal branch, seems to have been almost regularly diminishing since the annual session in 1849, when we had nearly eighteen hundred patriarchs, to the present time, when we number only one thousand and thirty-nine, allowing in this estimate the membership of Wanackmamack Encampment for the last term, but which has made no return; and Iyanough Encampment, which returns but one member, and he of the Golden Rule degree, and of course not entitled to be counted.

There are several subordinates, which will undoubtedly give up work before long. If they cannot sustain themselves, the sooner they close up their affairs, in an honorable manner, the better will it be for themselves and for us. District Deputy Leonard reports his fear that Agawam Encampment must give up its charter. Green River and Samaritan Encampments have long since voted to surrender their charters, (that of Samaritan Encampment has been delivered,) and I have reason to believe, that Iyanough has had but one meeting for over six months.

Samoset Encampment has been dead for a long time; but I cannot find, that any final action has ever been taken concerning it, and I imagine that the stench of its iniquity, will be the only guide to the place of its uneasy rest. It is my advice, that a formal vote to expel it should be passed.

There are other subordinates, whose light appears to be flickering, and which will undoubtedly expire before many terms have passed by. It is for you to take measures to support them, or to give them such attention, at least, as will prevent an unintentional violation of solemn obligation.

Discouraging as the prospect appears to many of us, I do not believe, that this body will, of necessity, die ; but I am convinced, that its field of labor will be within a few years restricted to this neighborhood ; where alone there are enough lodges to sustain it. One lodge is not enough to support an encampment, nor are two ; and the establishment of a subordinate encampment, in a town with but one lodge, is apparently a load heavy enough to crush that one. It is not for us to criticise the doings of our predecessors, for doing what they thought to be for the benefit of the patriarchal branch ; but it is for us to learn from the experience, taught us by them, in good faith.

There are several reasons for the decline of our numerical strength, besides the paucity of lodge members.

1. The want in many instances of efficient scribes, whose duty is to collect the dues, as well as to keep the records.

2. The too frequent changing of treasurers and other financial officers.

3. The desire of political preferment, which has of late years so bewildered the intellects and hearts of many of our brethren, that they have forgotten their duty to each other, in their hankering for petty offices.

4. The want of the principle of truth, which is shown by every brother of our Order, who has suffered himself to be suspended for non-payment of dues, in violation of his first obligation as an Odd Fellow.

But whatever may be the reasons, the facts are none the less true ; and it is for you, Worthy Patriarchs to take some action towards restoring the weak, or burying their remains.

You will find, among the papers of the Grand Patriarch, a correspondence with M. W. Grand Master William H. Cook, of Virginia, concerning the epidemic at Norfolk and Portsmouth, with other papers relating to that scourge, which may yet visit us and try the Friendship, Love and Truth of Massachusetts Odd Fellows, as it has those of Virginia, South Carolina and Louisiana. Should that day come, I doubt not we shall be as faithful to our trust as they have been.

You will also find a correspondence with deputies and patriarchs upon subjects connected with the "good of the Order," numbered from one to twenty inclusive. Among these are the reports of the District Deputies, which have been received.

The business of the Grand Encampment is such, that a change of our hour of meeting, from nine in the morning to a later hour of the day will be desirable; and as many of you come from a great distance, I would suggest that the Constitution be altered, so as to bring our sessions upon the evenings preceeding the meetings of the Right Worthy Grand Lodge of Massachusetts.

CHARLES E. BUCKINGHAM.

*Grand Patriarch.*

The Grand Encampment took a recess of fifteen minutes, after which the committee on the Grand Patriarch's communication made the following report:

*To the R. W. Grand Encampment of Massachusetts.*

The committee, to whom was referred the report of the M. W. Grand Patriarch, have attended to that duty and respectfully report:

That so much as relates to the "twelve month's vacation" be referred to a special committee, consisting of P. G. P. John R. Mullen; P. G. H. P. Charles Hayden; P. G. P. Robert C. Brown.

That so much as relates to Wanackmamack and Iyanough Encampments and the subjects suggested in connection therewith, be referred to the Grand Officers with full powers.

That the correspondence and reports of District Deputies be referred to the Committee on the State of the Order.

That the matter of change of hour of meeting, be referred to a special committee, consisting of P. G. P. P. E. Hills; P. H. P. Robert Wharton; G. H. P. Enos H. Tucker.

WM. A. BELL,  
H. PRINCE,  
J. P. PAINE.

Past G. P. Mullin from the committee on the twelve month's vacation, made the following report, which was read, and after discussion was laid on the table for action at the annual session.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred so much of the Grand Patriarch's Report as refers to the twelve month's term, have examined the subject as much as time will permit, and Report:

Your Committee believing that the interest of the Patriarchal Branch will be advanced by semi-annual meetings of this Grand

Encampment would respectfully recommend, that this Grand Encampment rescind the vote past at the last session, by which it voted to meet but once a year.

JOHN B. MULLIN,  
R. C. BROWN.

The committee on the State of the Order not being all present, the Grand Patriarch appointed upon it, in place of the absentees, Reps. W. A. Bell and R. J. Garrett. This Committee reported as follows :

*To the R. W. Grand Encampment of Massachusetts.*

The Committee on the State of the Order, to whom was referred the correspondence of the Grand Patriarch, and the District Deputies Reports, have examined the same and find nothing contained therein requiring special legislation ; they therefore respectfully Report :

That these matters be referred to the Grand Officers, with full powers to publish such portion of the same in the proceedings of the Grand Encampment, as they shall deem expedient.

JOHN R. MULLIN,  
WM. A. BELL,  
R. J. GARRETT.

On motion the report and its recommendation were accepted and adopted.

Rep. E. Niles, from the committee on the charge of leave of meeting, made the following report which was accepted, and the By-laws were amended, in accordance with the recommendation.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred so much of the Grand Patriarch's communication as refers to the hour of meeting, would recommend that Art. 1, Sec. 1, of the By-laws of this Grand Encampment be so amended as to read, after the word Sessions, at two o'clock, P. M., instead 9 o'clock, A. M.

Respectfully submitted,

E. HILLS,  
R. WHARTON. } Committee.  
E. H. TUCKER,

At the request of the Grand Patriarch, and on motion of Past Grand Patriarch Prince, the following resolution was passed, viz.

*Resolved*, That hereafter the elective Grand Officers shall constitute a Board of Grand Officers to act in conjunction with the Grand Patriarch, as an executive committee, during the recesses of the Grand Encampment.

R. W. Grand Rep. Wm. A. Bell, of the R. W. Grand Lodge of Massachusetts and M. W. Past Grand Patriarch John R. Mullin, at the request of the Grand Patriarch and R. W. Grand Rep. Joseph Byron, rehearsed the work of the Patriarchal Branch, after which the Grand Encampment closed in due form.

Attest,

ALFRED MUDGE,

*To the R. W. Grand Encampment of Massachusetts.*

The Grand Scribe would respectfully submit his Semi-Annual Report on Returns, for the term ending with June 30th, 1856.

The whole number of Subordinate Encampments under this jurisdiction is seventeen.

He has received correct returns from Massasoit, No. 1, Tri-Mount, No. 2, Monomake, No. 4, Bunker Hill, No. 5, Mt. Washington, No. 6, Merrimack, No. 7, Agawam, No. 8, Shalom, No. 12, Naumkeag, No. 13, Mt. Holyoke, No. 15, Mt. Hebron, No. 24, Agawam, No. 25, Metacomet, No. 26, Lawrence, No. 31.

Naomi Encampment, No. 14, has also been received, but is too erroneous for examination.

The returns from Naomi, No. 14, was received July 31st, that of Mt. Hebron, No. 24, was received August 1st, both are consequently fined.

Green River, No. 27, Greenfield, and Grey Lock, No. 21, located at Pittsfield, have resigned their charters since the last session of this Grand Body.

The Encampment Branch of the Order has fallen off in numerical strength, during the past year, 184 members. There have been 21 initiations, 1 rejected, 2 admitted by card, 9 withdrawn by card, 1 reinstated.

GRAND PATRIARCH'S COMMUNICATION.

Boston, Aug. 7th, 1856.

*To the R. W. Grand Encampment of Massachusetts.*

Patriarchs of the Grand Encampment. It becomes my duty, at this session, to report to you the condition of the Patriarchal Branch. I regret that it is not in my power to say that its condition is prosperous. The number of patriarchs has so far diminished, that you are no longer entitled to two representatives in the Grand Lodge of the United States.

You will find, among the papers accompanying this report, the communications received by me and copies of my official answers. The most interesting of these are such as relate to Grey Lock Encampment, No. 21. The evidences of want of principle and of common honesty are so strong, that I think you cannot but confirm the virtual sentence of expulsion which was issued from the office of the Grand Patriarch on the 27th of June last.

It is my opinion, founded upon the correspondence and verbal statements, that the removal of this Encampment, from Lee to Pittsfield, was sought for to enable the patriarchs at Pittsfield to obtain possession of the books, in order that they might destroy all evidence of their violation of their obligations. I have reason to suppose that, after the funds were disposed of, these books were burned by those who had, within a short time, acknowledged their allegiance to you, and who had taken the most solemn obligations to obey the regulations of this Grand Encampment. The communication of the District Deputy Grand Patriarch, in no degree, exonerates him from being privy to this act.

A few days after the receipt of the charter of Grey Lock Encampment, a petition was received from seven past patriarchs, at Lee, requesting to have the charter restored to them. As it was not accompanied with the clearance cards of the patriarchs, the Grand Patriarch was unable to comply with the request. A travelling card belonging to one of the petitioners, was the only voucher for the good standing of any of them. I at once replied to that brother, informing him what steps it would be necessary for him and his associates to take, to qualify them to receive the charter. This communication from me has never been answered. Should my successor in office receive a reply, it is questionable whether it would be expedient to grant the prayer. It has long been my opinion, that a single Lodge is not enough to support an Encampment.

Among the papers presented, is a petition from Mt. Washington Encampment, No. 6, asking the remission of certain fines. There are, undoubtedly, representatives from that Encampment present, who will be fully able to explain to you the facts in the case.

A communication from the R. W. Grand Lodge of Virginia, thanking the patriarchs of Massachusetts for their contributions to the afflicted brethren in Norfolk and Portsmouth, is also among the documents presented to you.

Before resigning my office to those from whom I received it, it is proper that I should advise certain changes which the experience and observation of the past year have seemed to call for.

The first is in relation to patriarchs suspended for non-payment of dues. I advise, that all suspensions for non-payment of dues, should be made definite, with the certainty of expulsion at the termination of that period, after trial for non-payment of debt. This would relieve the Encampments from the petitions of those who are not worthy men, and who, under the present law, have the right to return at any time. It would injure no suspended brother, but, on the contrary, would enable him, if found worthy and in good health, to return at a less expense than he is now obliged to incur.

I also advise, that some general provision be made for merging together such Encampments as may at any time wish to unite. I do

not know that any of our Subordinates desire this at this time. but there are in this vicinity those whose union would be followed by the increased prosperity of the whole Patriarchal Branch.

Many of the Grand Encampments do not admit Past High Priests to membership. In order to make this jurisdiction correspond with those, and to enable the Chief Patriarchs to become fully familiar with the work, I advise that the constitution of Subordinate Encampments be so amended as to require service as High Priest as a qualification for election to the Chief Patriarch's chair.

For the convenience of the next Grand Patriarch, I advise, that the District Deputies be instructed to write their communications upon whole sheets of paper.

Patriarchs, we are met together to do an important work. The diminution of our numbers does not diminish our duties, nor at all release us from the pledges we have made to the brotherhood. On the contrary, we are more than ever called upon to be true to ourselves and our cause. Political dissensions should be healed, and partizan feelings should be forgotten in the tent of the patriarchs. If the brethren of our Order will but remember and obey the injunctions of their degrees, discord and contention will indeed be made to cease, and there, in "the soldier's grave," will lie buried even the cause of dispute. Let the scorn and contempt of mankind be heaped upon him who unnecessarily introduces them here.

CHARLES E. BUCKINGHAM, *Grand Patriarch.*

The following report which was laid upon the table at the last session was taken up.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred so much of the Grand Patriarch's Report as refers to the twelve month's term, have examined the subject as much as time will permit, and Report:

Your Committee believing that the interest of the Patriarchal Branch will be advanced by semi-annual meetings of this Grand Encampment would respectfully recommend, that this Grand Encampment rescind the vote past at the last session, by which it voted to meet but once year.

JOHN B. MULLIN,  
R. C. BROWN.

On motion to accept the Report and adopt the recommendation, after considerable debate upon the subject, Rep. Bell called for a division of the question, to wit.:

the acceptance of the Report, and the adoption of the recommendation, and that action be had first on the adopting the recommendation; when the question being taken upon the latter, it was decided in the affirmative, by a vote of 18 in affirmative to 11 in the negative.

Rep. Ayers raised an objection to the decision of the Chair, on the ground that the report of the committee is virtually an amendment to the Constitution, and therefore requires a two-thirds vote of the Grand Encampment to adopt it.

The Chair ruled that the Grand Encampment had adopted the recommendation. Rep. Ayers appealed from the decision of the Chair, which being debateable, Reps. Ayers, Bell, Frost, Bartlett, Hills, Thompson, Wells, Frost, Tozer and Mudge took part, and on the question being taken, *the Chair was not sustained*;—12 in affirmative, 19 in the negative. The recommendation of the committee was declared lost, when on motion the Report was accepted.

Rep. Webster from the committee on the Grand Patriarch's communication, submitted the following report, which was accepted, and the several committees ratified.

*To the R. W. Grand Encampment of Mass.*

Boston, August, 1856.

The committee to whom was referred the communication of the Grand Patriarch, have attended to the duty and respectfully report:

That so much as refers to Greylock Encampment, No. 21, be referred to a special committee, consisting of P. G. H. P. Wm. A. Bell, P. G. P. David Ayers, and Patriarch C. D. Cole.

So much as relates to Mt. Washington Encampment, No. 6, be referred to the Grand Officers, with full power.

So much as relates to suspended Patriarchs be referred to Committee on the State of the Order.

So much as relates to merging together such subordinate encampments as may wish to unite; and so much as relates to amending

the constitution of subordinates so as to require service as High Priest as a qualification for election to the Chief Patriarch's chair, a special committee, consisting of P. G. Rep. J. B. Frost, P. G. P. P. K. Hills, and P. G. H. P. E. M. P. Wells, and so much as relates to instructing the D. Deputies be referred to the next G. P.

EDW'D C. WEBSTER,  
HORATIO N. GUNN,  
EMERSON COOLIDGE.

Two of the Committee on the State of the Order being absent, the Chair appointed Reps. Byron and Tozer to fill the vacancies.

The Grand Encampment then proceeded to ballot for candidates for Grand Officers; Grand Scribe, Alfred Mudge, having served in that office for seven years, declined any further nomination, as he could not further fulfil the duties thereof.

The Chair appointed suitable committees to superintend the ballots. The Committees announced the result to be as follows:

Rep. Bell from the committee on so much of the Grand Patriarch's communication as relates to Greylock Encampment, submitted the following report, which was *adopted unanimously* :

*To the R. W. Grand Encampment of Mass.*

The Committee to whom was referred so much of the Grand Patriarch's communication as relates to Greylock Encampment, No. 21, have attended to the duty assigned them and respectfully Report :

That the action of the Grand Patriarch in the premises be affirmed, and said Encampment be expelled.

WM. A. BELL,  
DAVID AYERS,  
*Committee.*

Rep. Edward C. Webster from the Committee on the State of the Order submitted the following report, which was *agreed to*.

*To the R. W. Grand Encampment of Mass.*

The Committee on the State of the Order to whom was referred so much of the Grand Patriarch's communication as relates to making all suspensions for non-payment of dues definite, with the certainty of expulsion at the termination of that period, respectfully Report: That we believe the subject should be left with the subordinate encampments.

EDW'D C. WEBSTER,  
JOSEPH BYRON,  
WM. TOZER.

The committee to whom was referred so much of the Grand Patriarch's communication as refers to this subject, presented the following report, which was *agreed to*.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred so much of the Grand Patriarch's Report as the merging together of subordinate encampments, would respectfully

Report: That in their opinion there are instances within the jurisdiction of this Grand Encampment, in districts where the order is somewhat limited in numbers, and consequently the Patriarchal Branch still more limited, that it would not only be advisable but likewise highly beneficial that two or more subordinate encampments might so unite, but that no such action could be taken, unless permission was first obtained from the Board of Grand Officers.

And the Committee would further Report: that so much of said report as refers to the amending of the Constitution of Subordinate Encampments, so as to require previous service in the office of High Priest as a qualification for the office of Chief Patriarch as inexpedient.

Respectfully submitted,

JOS. B. FROST, JR.  
P. K. HILLS,  
*Committee.*

*Finance Committee.*

On motion of Rep. Mudge, the Grand Scribe's Financial Report was taken from the table, accepted and ordered on file.

On motion of Rep. Mudge, the Grand High Priest was requested to instruct all new members in the ante-room.

The M. W. Grand Patriarch submitted his Annual Communication, which was received and referred to a Committee of three. The chair appointed Reps. Byron, Buckingham and Leonard.

#### GRAND PATRIARCH'S COMMUNICATION.

##### *Patriarchs of the R. W. Encampment of Massachusetts :*

We have again assembled in annual session, and in conformity with my duty I proceed to give an account to you of the work of my office, the vouchers for which are herewith presented.

Soon after the session of this body in August last, I received an invitation from the City Government of Boston for the Encampments to unite with them in the inaugural ceremonies of the Franklin Statue, which the Board of Grand Officers thought best not to accept.

P. G. Patriarch Joseph Byron having resigned the office of Representative to the Grand Lodge of the United States, the Board of Grand Officers unanimously elected P. G. Patriarch Buckingham in his place, who was present at the session of the Grand Lodge of the U. S. in September last, to fill the unexpired term.

On the fifth of September a dispensation was issued to Massasoit Encampment, granting them permission to confer the three Degrees upon Bro. Amory Holbrook, of Oregon Lodge, No. 3, of Oregon, to enable him to take his seat as Grand Representative from that jurisdiction.

I have received reports from Dep. G. Patriarchs Rand, Gunn, Frost, Easton, Leonard, Hills, Garrett, Hodges and Youlen.

The returns for the two past terms show that some of the subordinates have increased their list of members, but we still number less than one thousand, and are entitled to one Representative only, in the Grand Lodge of the U. S.

Iyanough Encampment, No. 29, at Barnstable, has made no return for three terms. In February last, the Grand Scribe received a communication from the Scribe of that Encampment, stating that they had ceased to work, and that the Work Books and Charter were subject to his order. He immediately wrote to the District Deputy G. Patriarch of that District, to obtain and forward them to the office of the Grand Encampment, but they have not yet been received. The Grand Encampment will take such action as they deem necessary in the premises.

Wanackmamack Encampment, at Nantucket, has again resumed work under circumstances which will probably enable it still to do good service in the cause. They ask to be excused from the payment of two fines. I would recommend that their request be granted.

District Deputy Frost says of Bunker-Hill Encampment, "this Encampment maintains a prosperous and enviable position. The Encampment still numbers among its members many of the oldest and most active and zealous of the brethren in our neighboring city; and the large attendance and efficiency in the work, is to my mind, a sure evidence of their appreciation of the principles of the Order."

Mt. Hebron Encampment is entitled to the credit of having made the largest relative gain in the number of Patriarchs.

Agawam and Metacomet Encampments show a decided state of prosperity.

† The two Encampments in this city continue to prosper and perform their part of the work.

‡ Since our last meeting Mt. Holyoke Encampment, No. 15, at Northampton, has surrendered its charter.

Lawrence Encampment, No. 31, since making its return for the last term, has also surrendered its charter.

I have not been called upon to make any decisions of importance, the Deputies having been fully able to perform that duty in their respective districts.

I regret to inform you that business engagements required P. C. P. Wm. H. Cook, who has served us so long and faithfully as Grand Treasurer, to resign his office. His resignation was received at so late a date, that I did not deem it important to appoint a successor. The books and properties of the office were placed in the hands of the Finance Committee.

On leaving this high station to which you elected me, I thank you for the honor conferred, and for the support and assistance received from the officers and members of the Grand Encampment.

ENOS H. TUCKER, JR., *Grand Patriarch.*

The following communication from the Grand Lodge of the United States, was read and referred to the Grand Officers with full powers, and the Grand Scribe was instructed to call the attention of Patriarchs in the printed proceedings, that if any have printed copies of the early proceedings of this Grand Encampment, they be requested to forward them to him.

I. O. O. F.

*Office Corresponding and Rec. Sec. R. W. G. L. U. S.*

BALTIMORE, FEB. 9, 1857.

To the R. W. Grand Encampment of Massachusetts:

M. W. G. Patriarch, Officers and Patriarchs.—At the September session of the R. W. Grand Lodge of the United States, held at the City of Baltimore, 1856, the following among other proceedings was had.

Rep. Fuller of the Lower Provinces of British North America, moved the following resolution, which was adopted:

*Resolved*, That the several Grand Bodies under this jurisdiction be requested to present to the Grand Lodge of the United States, each, a bound copy of their respective journals of proceedings from their organization, for the purpose of preserving the same in the office of the Grand Secretary of this body, for reference and the convenience of the Grand Representatives.

**Resolved,** That the Grand Secretary communicate this resolution to each State Grand Body, and respectfully request its compliance therewith.

In obedience to the above resolution, I have the honor to communicate the same to your R. W. Grand Body, and respectfully to request your compliance with the same.

Yours, fraternally,

JAS. L. RIDGELY.

The Committee to whom was referred the Grand Patriarch's Communication, submitted the following report, which was accepted and adopted.

*To the R. W. Grand Encampment of Massachusetts.*

The Committee to whom was referred the Communication of the M. W. Grand Patriarch, respectfully report :

That the Grand Scribe be instructed to obtain the Books and Charter and other property of Encampment No. 29.

And that the fines due by Encampment No. 16 be remitted.

Respectfully submitted,

JOSEPH BYRON,  
CHAS. E. BUCKINGHAM,  
SAM'L LEONARD.

Grand Representative Buckingham presented the following Report of the doings of the R. W. Grand Lodge of U. S. at its last session, which was, on motion, received and ordered to be placed on the Journal.

*To the Right Worthy Grand Encampment of Massachusetts :*

The Representative of your Right Worthy Body to the Grand Lodge of the United States, at the last session, in Baltimore, respectfully submits the following

## R E P O R T.

The session began upon Monday, the 15th of September, and continued until the following Monday, at noon. It was long, and much business was transacted. At the same time it was the opinion of your Representative that the business

might have been completed in a less protracted session, and he is happy to believe that his colleagues from the Right Worthy Grand Lodge of Massachusetts fully coincide with him.

The Grand Lodge was deprived of the services of its presiding officer, by sickness, the history of which is too well known to the brotherhood in Massachusetts, to need any further allusion, than the statement that it was contracted while in the performance of his duty as your Representative. The following resolution will indicate the feeling of the Grand Lodge upon this subject.

*Resolved*, That this W. R. Grand Lodge has received with sorrow the intelligence of the severe and protracted illness of the M. W. Grand Sire, William Ellison, which has prevented his attendance at the present session; that we tender to him our heartfelt sympathy and our earnest hopes for his speedy recovery, which we trust will enable him to be present at the next session, when we hope to renew to him personally the expression of that high regard which he has won by his ability, his devotion to our Order, and his private worth.

The chair was ably filled by Deputy Grand Sire Geo. W. Race, of Louisiana, who was unanimously elected to the principal seat for the next session.

P. G. M. Senter, of New Hampshire was elected Deputy Grand Sire; and the unanimous vote cast for James L. Ridgely and Joshua Vansant, on their re-election as Grand Secretary and Grand Treasurer, is sufficient proof of the estimate which is placed upon the valuable services of those faithful officers.

The finances of the Grand Lodge of the United States are not in a healthful condition. The income from charter fees for Grand Bodies, is gradually ceasing. That for charters for Subordinate bodies must diminish in very much the same proportion. The introduction of every new Grand Lodge or Grand Encampment, brings with it not only a very small representation tax, but a very large outlay to overbalance it. The Grand Lodge of Oregon, which has been instituted within the year, brings fifty dollars per annum into the treasury, and its representation expenses take away from the treasury

more than six hundred dollars. Your Representative speaks of this only as an illustration of what is at work, to undermine the financial basis of our Order; for it was his pleasure to welcome the representative of a new Grand Lodge.

Various plans have been proposed to avert the difficulty which is now threatening us, and which some of our sister Grand Bodies are unwittingly increasing, by a proposition to increase the number of Representatives from the larger jurisdictions. In his opinion, a single Representative from each Grand Lodge and Grand Encampment would be amply sufficient to do all the work; and if, in addition, the sessions were held with less frequency, the Grand Lodge of the United States might remain forever free from indebtedness.

The merging of the two branches of the Order was again brought up, and again received a repulse. The destroying the Encampment, in violation of the principle of justice, the Grand Lodge of the United States will never lend itself to.

Although Grand Sire Ellison was unable to attend the session, he transmitted his annual communication, which contained many important decisions, the following of which were approved, and are now laws of the Order.

**First.**—That a Brother or Patriarch residing in one State is not entitled to admission as a member, nor can his proposition for membership upon a final card be received in a Subordinate Lodge or Encampment of another State, he remaining a resident and citizen in the State from which his card was issued, unless the previous consent of the Grand Lodge or Grand Encampment or Grand Master or Grand Patriarch is first had and obtained. (See Constitution of Grand Lodge of the United States, Article XVI, Section III.)

**Second.**—That a Brother holding a withdrawal card from one State is entitled to the annual travelling password in use at the time, and retains the right to visit in another State with the same password for a year.

**Third.**—That the presentation of a withdrawal card would be the production of a "proper card," as required by Article XVI, Section I of the Constitution of this Grand Body.

**Fourth.**—That there is no general law of the Order limiting or regulating the number of times a candidate can be proposed after rejection; the inquiry is a matter for local law.

**Fifth.**—That under the old Constitution and By-Laws of the Grand Lodge of the United States, the thirtieth by-law directing State Grand Bodies to enact laws to prohibit their subordinates from initiating persons at places remote from their residence, while Lodges or Encampments are located in their immediate neighborhood ; but in the new Constitution and By-Laws of the Grand Lodge of the United States there is no provision in regard to the matter at all, and the whole subject is very properly left for local State legislation.

**Sixth.**—That a Brother holding a withdrawal card which has run out of date may be recognised as an ancient Odd-Fellow, and be allowed to renew his membership by the deposit of said card in a Lodge at the place of his residence, subject to the payment of such fee as the local law may require.

**Seventh.**—That a Brother suspended from membership in his Lodge, is thereby cut off from all benefits and privileges ; and in case of his death during such suspension the Lodge incurs no new liability on account of his decease.

**Eighth.**—That it is not competent for a Lodge, after its first term, to elect scarlet members to the office of Noble Grand when Brothers who have served as Vice Grand were in nomination, except in cases where all qualified members refuse to accept the office of Noble Grand ; then the Lodge may elect a scarlet member, provided, however, a dispensation for the purpose be first obtained from the proper authority in the jurisdiction to which the Lodge belongs.

**Ninth.**—That a D. D. Grand Sire has no authority by virtue of his office to issue warrants for Lodges or Encampments, or to reclaim or recall charters of Lodges or Encampments which persist in doing work irregularly. It is his duty to report any irregularity to the Grand Sire, who alone, under authority of the Grand Lodge of the United States, can reclaim or cause to be recalled all charters issued by this Grand Lodge.

**Tenth.**—That the law regulating the Degree of Rebekah allows the wife of any scarlet member, in good standing, of a Subordinate Lodge, to be entitled to receive the degree ; consequently a State Grand Body does not possess the power of authorizing its subordinates to require any pecuniary compensation for conferring said degree.

**Eleventh.**—That a Brother holding an unexpired withdrawal card, retains a right to prefer charges for unworthy conduct against a member of his Lodge, during the year for which said card extends.

Twelfth.—That it is the right of a Lodge to examine a visiting Brother every night he may present himself for admission, and must be introduced by the examining committee.

Thirteenth.—It has been inquired of me whether it is competent for a Grand Encampment or Grand Patriarch to grant a card to enable a Patriarch to join a Subordinate Encampment, if said Patriarch is at the time largely in arrears to a defunct Encampment. My reply was as follows: that a Grand Body has full power in the premises, not only in its resumption of the powers of a Subordinate which has become extinct, but in its original control over all the members of the Order in its jurisdiction. Even while a Subordinate is in full operation, a Grand Body may direct it to restore a suspended or expelled member without its consent. This discretionary power implies of course a wise and judicious investigation into the circumstances of every case presented.

Fourteenth.—That a Grand Master, when visiting a Subordinate in his official capacity, is entitled to the honors of the Order; but a Grand Master may visit in his individual capacity as a member of the Order, and upon such visits he should not expect to be received with the honors. It is only when he announces himself as Grand Master that the visit becomes official.

Fifteenth.—That a Brother suspended for a definite period for non-payment of dues, when that time expires, is placed precisely in the same position in which he was previous to his suspension, with the additional amount of dues accruing during his suspension; and, if the Lodge wish to discipline him further, his case must be taken up again; but a Brother suspended for a definite period, as a punishment for some specific offence, upon the expiration of his term of suspension is *ipso facto* restored to membership.

Sixteenth.—That there is no law of the Order regulating the payment of a greater amount of weekly benefits to scarlet degree members than those of the royal blue. The matter is left entirely to local legislation.

The following resolutions and decisions of the Grand Lodge are of interest, and are now also laws of the Order.

*Resolved*, That Subordinate Lodges and Encampments, in reinstating members suspended for non-payment of dues, shall have power to remit, in whole or in part, the dues accruing during the suspension of such members.

*Resolved*, That all supplies furnished by this Grand Lodge be increased 25 per cent. on the present prices, and that the Grand Secretary charge the same accordingly, excepting cards.

**Resolved,** That hereafter the price of cards furnished to Grand and Subordinate Lodges and Encampments, be twenty cents each.

**Resolved,** That Grand Patriarchs and their deputies be empowered to confer the degrees of a Subordinate Encampment upon scarlet degree members of Subordinate Lodges, for the purpose of organizing new Encampments. Provided no Subordinate Encampment be located within thirty miles of such new Encampment.

**Resolved,** That the officers of Subordinate Lodges and Encampments shall not be installed, nor furnished with the semi-annual password, unless the reports, returns, and moneys due from such Lodges and Encampments to their respective jurisdictions be actually made and placed in the hands of the proper officer, or be actually in transit to the proper destination.

A Grand Representative's privilege of introduction is confined exclusively to the jurisdiction or branch of the Order which he represents.

The qualification of membership is original and continuing, and if interrupted by the briefest cessation of membership, disappears, and with it the official position dependent upon it. Hence the taking of a withdrawal card by an officer, vacates his office.

**Resolved,** That any Subordinate Lodge or Encampment violating the provisions of the third section of the sixteenth article of the Constitution of this Grand Lodge, upon conviction thereof before the Grand Lodge or Grand Encampment of the jurisdiction within which the same is located, shall forfeit and pay to the Grand Lodge or Grand Encampment of the jurisdiction within which the person admitted to membership in violation of the provisions of said section shall reside, all initiation and degree charges received from such person up to the date of such conviction.

**Resolved,** That all visiting and final cards shall hereafter be signed by the holders thereof in the presence of the officer by whom the annual password is communicated to such holders.

Lodges are not allowed to exercise a discretion as to the reinstatement of members suspended, as they already possess all power over them during suspension which is necessary for the protection of the Lodge.

**Resolved,** That in the case of a vacancy in the office of Noble Grand or Vice Grand of a Subordinate Lodge, and all qualified members refusing to accept either of said offices, the Lodge may elect a scarlet degree member thereto, who shall be entitled to the honors as in case of constituting a new Lodge; provided, how-

ever, that a dispensation for the purpose be first obtained from the proper authority in the jurisdiction to which the Lodge belongs.

*Resolved*, That the laws of the Grand Lodge require the Noble Grand of a Lodge always when present at its meetings, to preside; and the Vice Grand to act as Noble Grand in the absence of that officer; and that a Noble Grand or Vice Grand acting as Noble Grand, has not the right or power to waive his right and place a Past Grand in the Noble Grand's chair during the presence in the Lodge room of either of the first two officers above named; provided, that this decision is not to be considered as applicable to a *temporary* absence during a portion of a lodge meeting, of those officers, in which case the chair must be filled as provided in the charge book.

In the last three decisions Lodges alone are spoken of. The Grand Encampment will of course remember that in parallel cases, Encampments follow the same rules as Lodges.

The Grand Lodge decided that no action was necessary upon the amendments to the Constitution of this Grand Encampment.

A resolution was passed requesting the donation of a bound copy of the proceedings of each Grand Lodge and Grand Encampment.

Respectfully submitted by

CHAS. E. BUCKINGHAM.

Boston, Aug. 5th, 1857.

The following amendment to the Constitution, presented at the last session by Rep. Frost, was called up for action:

Amend Article III, Section 3d, by striking out the whole section and substituting therefor: "Nominations for the various offices may be made by Patriarchs, at large."

No choice.

The committee to superintend the ballots asked, through their chairman, what course they should take with blank ballots, and ballots having upon them the names of patriarchs not in the nomination.

The Grand Patriarch decided, that ballots bearing the names of persons not in nomination should be considered blanks, and that blank ballots should be counted.

Past Grand Patriarch Buckingham, offered the following resolution, which, after discussion, was adopted :

*Resolved,* That in the opinion of this Grand Encampment, the committee appointed to count the ballots should throw out all not bearing the names of candidates who are constitutionally such.
